BACKGROUND:

The YMCA provides childcare and youth programs, serving 3200 children each day at 41 sites throughout the Coachella Valley.

Jordan Outreach Ministries operates the Kids Klub after school program for children ages 5 through 18. The program offers a variety of enriching activities, including: Study Klub, sports, computer center activities and learning, arts and crafts, and other age appropriate activities. It targets and serves children from Indio, Coachella, Thermal, Mecca and the outlying unincorporated areas of the county.

The Blythe Health and Safety Day in Blythe is held by the Joan of Arc Catholic Church in Blythe. The community event includes public, non-profit and community groups promoting good physical and mental health.

Martha's Village & Kitchen provides food, clothing, counseling and shelter assistance to individuals and families that are homeless and in need.

UCR Athletics Association will provide scholarships to student athletes and help them excel in their academics.

I would like to use Fourth District Community Improvement Funds to support these organizations.
