BACKGROUND: Government Code § 25845, Riverside County Ordinance Nos. 348, 457, and 725 authorize the recovery of abatement costs in public nuisance cases, the recordation of a notice of abatement lien and inclusion of abatement costs on the tax roll as a special assessment upon approval of the Board of Supervisors.

Notices of Violation and multiple Administrative Citations were issued. Subsequently, with regard to Case No. CV09-11806, the property owner brought the violations (occupied recreational vehicle, shipping containers and unpermitted land use – storage yard) into compliance. However, with regard to Case No. CV09-11873, the construction without permit violation remains and has not been brought into compliance. Accordingly, the County of Riverside Code Enforcement Department seeks to recover its costs to date associated with the handling of both matters. The Code Enforcement Department does not waive its right to recover costs for future enforcement actions on the outstanding violations.

The Notice of Hearing re Statement of Abatement Costs has been posted on the property and mailed to the property owner and all interested parties, as required by law. Copies of all relevant notices issued in this matter together with proof of service and posting have been separately filed with the Clerk of the Board and are made a part of the record herein, pursuant to Riverside County Ordinance 725.
