## **Adoption of Operation Stonegarden (OPSG) Resolution No. 2012-226**

BR 13-047

Page 2

Since the events of September 11, 2001, the United States of America has increased attention to the interception of terrorists attempting entry into the United States. Terrorists and other criminals such as human and drug traffickers are regarded by law enforcement as a primary threat to our nation. Operation Stonegarden (OPSG), through intelligence gathering and agency collaboration, seeks to identify methods and enforcement profiles to weaken these types of terrorist activities.

OPSG within Riverside County, California will be conducted by local law enforcement agencies in collaboration with the United States Border Patrol-Yuma Sector during the period of October 1, 2012 to September 30, 2015. The focus of the operation will be to increase law enforcement presence in areas identified through intelligence information as "high-entry" points and routes of egress used by narcotic smuggling and human trafficking organizations, or as central transportation hubs. Through the enforcement of the California Penal Code, Stonegarden officers will act as a second tier of Homeland Security operations in direct support of the National Border Patrol Strategy.

It is the intent of the Yuma Sector Chief Patrol Agent, to increase border security in direct coordination with the Riverside County Sheriff's Department and Blythe Police Department. OPSG does not extend Federal authority to County or Local law enforcement agencies to enforce Federal immigration laws. Riverside County Sheriff's Department and Blythe Police Department will focus on criminal suppression through identified ingress corridors pre-determined by intelligence based planning. Riverside County Sheriff's Department and Blythe Police Department will not enforce immigration violations but will concentrate on enforcing California Penal Codes along said ingress routes.

The Riverside County Sheriff's Department's goal is to achieve maximum deterrence of illegal activity within the borders of Riverside County by apprehending criminals involved in illicit acts and to increase opportunities for the collection of intelligence involving criminal organizations operating within the County. The Sheriff's Department will conduct increased patrol functions on days and at locations as intelligence dictates.

Budget adjustments will be requested upon receipt of the award documents. OPSG funding and equipment will be distributed to the Riverside Sheriff's Department and Blythe Police Department for the purpose of increasing law enforcement presence along major routes of ingress in their area of operation.

The attached resolution and grant assurances have been approved as to form by County Counsel.
