BACKGROUND:

On July 26, 2011, the Board of Directors approved a Disposition and Development Agreement (DDA) for the use of Redevelopment Low- and Moderate-Income Housing Funds with Workforce Homebuilders LLC, a California limited liability company (Workforce), for the development and construction of an 89 unit affordable housing complex in the unincorporated community of Highgrove (Project).

The total Project budget is \$19,698,086. The sources of funds utilized will be a loan from the Housing Authority in the amount of \$7,475,000, land from the Housing Authority valued at \$1.00, a loan from Federal Home Loan Bank Affordable Housing Program for \$350,000, a permanent loan for \$2,675,457, and Limited Partner Tax Credit Equity contribution of \$9,197,628.

Pursuant to Assembly Bill x1 26, the redevelopment dissolution bill, the Riverside County Board of Supervisors adopted Resolution No. 2012-035 on January 10, 2012, which designated the Housing Authority of the County of Riverside as the successor agency for the redevelopment housing function. On the same date, the Housing Authority of the County of Riverside Board of Commissioners accepted, via adoption of Resolution No. 2012-001, the responsibility for performing all activities as the successor to the redevelopment housing function. On February 1, 2012, all California redevelopment agencies were eliminated and the Housing Authority of the County of Riverside assumed the redevelopment housing functions of the successor agency.

BACKGROUND: (Continued)

Workforce applied and received a tax credit allocation from the California Tax Credit Allocation Committee on July 11, 2012. In connection with the Limited Partner Tax Credit Equity contribution, the developer has formed Highgrove Workforce Housing, L.P., a California limited partnership, for the purpose of constructing the Project, with the general partner as Workforce Homebuilders LLC. The developer is requesting the Housing Authority's approval to assign the developer's rights and obligations under the DDA, Deed of Trust, Promissory Note, and Covenant Agreement to Highgrove Workforce Housing, L.P (Partnership).

Due to the elimination of the Redevelopment Agency the Partnership has requested an Amended and Restated Disposition and Development Agreement to replace the DDA approved on July 26, 2011. The Amended and Restated DDA makes various clarifications to the DDA due to the dissolution of the Redevelopment Agency and reaffirms the funding sources.

This project is listed in the Recognized Obligation Payment Schedule I, II and III (ROPS) and the State of California Department of Finance (DOF) has approved all three ROPS, however, the asset transfer to the Housing Authority has been questioned by the DOF and the Housing Authority is working with the DOF to get this resolved. As a result of the asset transfer not being approved by the DOF at this time, the Amended and Restated DDA will be conditioned upon receiving approval from the DOF.

Authority's Counsel has reviewed and approved the attached Amended and Restated DDA, deed of trust, promissory note and covenant agreement as to form. Staff recommends that the Board approve the attached Amended and Restated DDA, deed of trust, promissory note and covenant agreement.

FINANCIAL DATA:

Successor Agency 2010 Tax Allocation Housing Bond Proceeds. Funding for this activity is identified in the Recognized Obligation Payment Schedule I, II and III. The Housing Authority has budgeted this expense in the FY 2012/13 budget.

**AMENDED AND RESTATED DISPOSITION AND
DEVELOPMENT AGREEMENT**

by and between

HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE

and

**HIGHGROVE WORKFORCE HOUSING, L.P.,
a California limited partnership**

AMENDED AND RESTATED DISPOSITION AND DEVELOPMENT AGREEMENT

THIS AMENDED AND RESTATED DISPOSITION AND DEVELOPMENT AGREEMENT (the “DDA”), dated as of December 4, 2012 (“Effective Date”), is entered into by and between the **HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE**, a public body, corporate and politic of the State of California and successor in interest to the Redevelopment Agency for the County of Riverside (“Housing Authority”), and **HIGHGROVE WORKFORCE HOUSING, L.P.**, a California limited partnership (“Developer”), successor in interest to Workforce Homebuilders LLC (“Original Developer”).

R E C I T A L S

A. Housing Authority is a California housing authority acting under the California Housing Authorities Law, Part 2 of Division 24 of the Health and Safety Code (the “Housing Authorities Law”).

B. The Redevelopment Agency for the County of Riverside (the “Agency”) was previously authorized and required by the California Community Redevelopment Law, Health and Safety Code Section 33334.2, *et seq.*, to use not less than 20 percent of all tax increment allocated to the Agency for the purposes of increasing, improving and preserving the community’s supply of low- and moderate income housing available at affordable housing cost to persons and families of low or moderate income, lower income households, very low income households and extremely low income households.

C. The Agency and Workforce Homebuilders LLC (the “Original Developer”) entered into a Disposition and Development Agreement, which was approved by the Agency on July 26, 2011 (the “Original DDA”). The Original DDA provided for the Agency to convey certain real property to the Original Developer, and for the Original Developer to construct an 89 unit multifamily rental housing complex on such real property for rent to qualifying Extremely Low Income Households, Very Low Income Households and Low or Moderate Income Households.

D. Assembly Bill X1 26 (“AB x1 26”), which provides for the dissolution of all California redevelopment agencies, was adopted and enacted into law on June 29, 2011, and was upheld by the California Supreme Court on December 29, 2011 in *California Redevelopment Association v. Matosantos*. Assembly Bill X1 27, the companion bill to AB x1 26 which allowed redevelopment agencies to “opt in” to a Voluntary Redevelopment Program, was declared unconstitutional by the Supreme Court in *Matosantos*. The Agency adopted Ordinance No. 912 on July 26, 2011 authorizing the Agency to continue to operate and to make payments to the State pursuant to AB x1 27. The Agency continued to operate and enter into enforceable obligations until the Supreme Court issued its stay on redevelopment activities on August 11, 2011.

E. The Agency was dissolved by operation of law as of February 1, 2012. The Board of Supervisors of the County of Riverside (the “County”) accepted the designation as the “Successor Agency” to the Agency through Resolution 2012-034, adopted on January 10, 2012, and directed the Economic Development Agency to carry out the enforceable obligations and administer the wind down of the Agency. The Board of Supervisors of the County, by Resolution No. 2012-035 adopted

on January 10, 2012, transferred to the Housing Authority the responsibilities for performing all housing functions previously performed by the Agency. As part of the foregoing transfer, the Housing Authority has assumed the Agency's right, title and interest under the Original DDA.

F. The Board of Supervisors, acting in its capacity as the Successor Agency, by Resolution No. 2012-006 adopted on July 3, 2012, transferred to the Housing Authority the housing assets of the Agency, specifically including a 6.71 acre parcel of unimproved real property designated for the Highgrove Family Apartments housing project. Subject to further review and authorization by the California Department of Finance, the Housing Authority has acquired from the Agency and now owns and has possession of a certain parcel of real property located in an unincorporated area of the County known as Highgrove, Assessor Parcel Number 255-070-018-6, totaling approximately 6.71 acres, more or less, and more particularly described in the "Site Map," which is attached hereto as Attachment No. 1 (the "Site"). The Agency purchased the Site with proceeds from the 2010 Tax Exempt Housing Bonds (as defined in Recital G below). Developer is proposing to build an affordable housing project for low-income households on the Site. The Site has been entitled by the Original Developer through the County of Riverside Planning Department.

G. The Housing Authority has also acquired from the Agency certain unexpended bond proceeds (the "Unexpended Bond Proceeds") from the Agency's \$15,885,000 Redevelopment Agency for the County of Riverside 2010 Tax Allocation Housing Bonds, Series A (the "2010 Tax Exempt Housing Bonds"), and \$50,860,000 Redevelopment Agency for the County of Riverside 2010 Taxable Tax Allocation Housing Bonds, Series A-T (the "2010 Taxable Housing Bonds")(the 2010 Tax Exempt Housing Bonds and the 2010 Taxable Housing Bonds are collectively referred to herein as the "2010 Housing Bonds"). The 2010 Housing Bonds are secured by payments required to be made to the Agency's Low and Moderate Income Housing Fund (the "LMIHF"). The LMIHF was established by the Agency pursuant to Health and Safety Code Sections 33334.2 and 33334.3 for the purpose of increasing, improving and preserving the community's supply of housing for low and moderate income persons at affordable housing cost. The County on July 16, 2002 merged the 5-1986 and 5-1987 redevelopment project areas and created the redevelopment plan in the County known as the 1-215 Corridor Project Area (the "Project Area"). The Site is located within the boundaries of the Project Area. The Unexpended Bond Proceeds are required to be used for the purposes of increasing, improving and preserving the community's supply of low- and moderate income housing available at affordable housing cost to persons and families of low or moderate income, lower income households, very low income households and extremely low income households. The Housing Bond documents state that the proceeds thereof will be used to finance certain projects, specifically including the Housing Project.

H. Developer proposes developing and constructing an 89 unit multifamily rental housing complex (the "Housing Project") on the Site for rent to qualifying Extremely Low Income Households and Very Low Income Households. Developer wishes to acquire the Site from the Housing Authority to implement such purpose.

I. The purposes of the Housing Authority in entering into this DDA include encouraging the development of affordable multifamily housing available to qualifying "Extremely Low Income Households" and "Very Low Income Households." In order to facilitate the development and operations of the Housing Project by Developer, and subject to and conditioned upon satisfaction of the terms of this DDA, the parties desire for the Housing Authority to convey the Site to Developer on the terms and conditions as set forth in this DDA. Additionally, the parties

desire for the Housing Authority to make a loan to Developer (the "Housing Authority Loan") from the Unexpended Bond Proceeds of the 2010 Taxable Housing Bonds. The Housing Authority Loan will be used by Developer to assist with the cost of developing the Housing Project. The Housing Authority Loan will be repaid from a portion of the residual receipts of the Housing Project.

J. It is the intent of the parties to maximize the leverage of Unexpended Bond Proceeds by making every effort to secure sources of non-local financing for the Housing Project. Accordingly, the anticipated method of financing for development of the Site includes funds from the following sources: (1) a construction loan from a lender to be named later; (2) the Housing Authority Loan; (3) Tax Credit syndication proceeds; and (4) a grant or loan to the Developer by the Federal Home Loan Bank under the Federal Home Loan Bank Affordable Housing Program.

K. Health and Safety Code Section 34176(g) provides that the entity assuming the housing functions of a former redevelopment agency may designate the use of and commit indebtedness obligation proceeds that remain after the satisfaction of enforceable obligations that have been approved in a Recognized Obligation Payment Schedule and that are consistent with the indebtedness obligation covenants. The proceeds shall be derived from indebtedness obligations that were issued for the purposes of affordable housing prior to January 1, 2011, and were backed by the Low and Moderate Income Housing Fund. Funds shall be used and committed in a manner consistent with the purposes of the Low and Moderate Income Housing Asset Fund, in a manner consistent with the indebtedness obligation covenants and with any requirements relating to the tax status of those obligations. In addition, Health and Safety Code Section 34176(d) provides that any funds in the Low and Moderate Income Housing Asset Fund shall be used in accordance with applicable housing-related provisions of the Community Redevelopment Law.

L. The Successor Agency has included the 2010 Housing Bonds on each Recognized Obligation Payment Schedule which has been approved by the Successor Agency. The Recognized Obligation Payment Schedule for the January 1, 2013 to June 30, 2013 period identifies the Housing Project as an enforceable obligation of the Successor Agency. The Recognized Obligation Payment Schedule for the January 1, 2013 to June 30, 2013 period further states that "These projects will be funded utilizing proceeds from Taxable 2010 Housing Bonds pursuant to HSC 34176(g)(2)."

M. The Developer's acquisition of the Site and development and operation of the Housing Project pursuant to the provisions of this DDA, and the fulfillment generally of the provisions of this DDA, are in the vital and best interests of the Housing Authority and of the health, safety and welfare of the residents of the County of Riverside (the "County") and in accord with the public purposes and provisions of applicable federal, state and local laws and requirements which govern the Housing Authority in its capacity as housing successor to the Agency. The construction of affordable housing units for very low and extremely low income persons pursuant to this Agreement is intended to satisfy the requirements of paragraph (5) of subdivision (e) of Section 33334.2 of the Health and Safety Code. The income and rent restrictions provided for hereunder are intended to satisfy the requirements of the housing-related provisions of the Community Redevelopment Law, including Health and Safety Code Sections 50079.5, 50093 and 50105.

N. The Agency previously entered into an Exclusive Negotiating Agreement ("ENA") with Workforce Homebuilders LLC ("Original Developer") regarding the potential development of the Site, which ENA expired pursuant to its terms.

O. The Successor Agency has included the Original DDA and the funds necessary for making the Housing Authority Loan pursuant to the Original DDA on the initial Recognized Obligation Payment Schedule and subsequent Recognized Obligation Payment Schedules adopted by the Successor Agency.

P. By approving and entering into this DDA, the Housing Authority desires to acknowledge that it has assumed the obligations of the Agency pursuant to the Original DDA, and further to approve this Amended and Restated DDA as an obligation of the Housing Authority which replaces and supersedes the Original DDA.

Q. The Original Developer has formed the Developer as the entity for the development and ownership of the Housing Project. Developer is a California limited partnership. JHC-Highgrove, LLC, an entity formed by Jamboree Housing Corp, a California nonprofit public benefit corporation, is the managing general partner of the Developer. IEPP-Highgrove LLC, an entity formed by Inland Empire Preservation Partners Inc., a Delaware corporation, is the administrative general partner of the Developer. The shareholders of Original Developer and Portrait Homes, Inc. are the shareholders of Inland Empire Preservation Partners, Inc. The limited partners of Developer will be the investors selected by Developer to provide the equity investment for the Housing Project. The Original Developer has assigned all of its rights, title and interest under the Original DDA to Developer, and Developer has assumed such rights, title and interest.

R. Developer, as part of the consideration to induce Housing Authority to enter into this DDA, wishes to release and forever discharge Housing Authority and the County of Riverside and their agents (the "Release Parties") from any and all claims, actions, causes of action, in law or in equity, of any nature whatsoever, known or unknown, fixed or contingent, which Developer now has or may hereafter have against the Release Parties, by reason of any matter, cause, or thing whatsoever from the beginning of time to the date of signing of this DDA, including, without limiting the generality of the foregoing, any claims related to any prior agreements with Housing Authority. Developer makes this release on behalf of itself, its predecessors, successors, assigns, employees, companies, officers, directors, agents, attorneys, subsidiaries, divisions, and/or affiliated corporations or organizations.

1.6 Representations and Warranties.

1.6.1 Housing Authority Representations. Housing Authority represents and warrants to Developer as follows:

(a) Authority. Housing Authority is a public body, corporate and politic, existing pursuant to the Housing Authorities Law (Health and Safety Code Section 34200, et seq.), which has been authorized to transact business pursuant to action of the County. Housing Authority has full right, power and lawful authority to convey the Site and make the Housing Authority Loan from the Unexpended Bond Proceeds of the 2010 Taxable Housing Bonds as provided herein, and the execution, performance, and delivery of this DDA by Housing Authority has been fully authorized by all requisite actions on the part of Housing Authority. The parties who have executed this DDA on behalf of Housing Authority are authorized to bind Housing Authority by their signatures hereto.

(b) Litigation. To the best of Housing Authority's knowledge, there are no actions, suits, material claims, legal proceedings, or any other proceedings affecting the Site or any portion thereof, at law or in equity before any court or governmental agency, domestic or foreign.

(c) No Conflict. To the best of Housing Authority's knowledge, Housing Authority's execution, delivery, and performance of its obligations under this DDA will not constitute a default or a breach under any contract, agreement or order to which Housing Authority is a party or by which it is bound.

(d) No Housing Authority Bankruptcy. Housing Authority is not the subject of a bankruptcy proceeding.

Until the Closing Date, Housing Authority shall, upon learning of any fact or condition which would cause any of the warranties and representations in this Section 1.6.1 not to be true as of the Closing Date, immediately give written notice of such fact or condition to Developer. Such exception(s) to a representation shall not be deemed a breach by Housing Authority hereunder, but shall constitute an exception which Developer shall have a right to approve or disapprove if such exception would have an effect on the value and/or operation of the Site. If Developer elects to accept the conveyance of the Site and possession of the Site following disclosure of such information, Housing Authority's representations and warranties contained herein shall be deemed to have been made as of the Closing Date, subject to such exception(s). If, following the disclosure of such information, Developer elects to not accept the conveyance of the Site and possession of the Site, then this DDA shall automatically terminate, and neither party shall have any further rights, obligations or liabilities hereunder. The representations and warranties set forth in this Section 1.6.1 shall survive the Closing Date.

1.6.2 Developer Representations. In addition to the general representations and warranties provided in Section 6, Developer represents and warrants to Housing Authority as follows:

(a) Authority. Developer is a duly organized limited partnership organized within and in good standing under the laws of the State of California. Developer has full right, power and lawful authority to lease and accept title to and possession of the Site and undertake

all obligations as provided herein and the execution, performance and delivery of this DDA by Developer has been fully authorized by all requisite actions on the part of the Developer. The parties who have executed this DDA on behalf of Developer are authorized to bind Developer by their signatures hereto.

(b) Litigation. To the best of Developer's knowledge, there are no actions, suits, material claims, legal proceedings, or any other proceedings affecting the Developer, at law or in equity before any court or governmental agency, domestic or foreign.

(c) No Conflict. To the best of Developer's knowledge, Developer's execution, delivery, and performance of its obligations under this DDA will not constitute a default or a breach under any contract, agreement or order to which Developer is a party or by which it is bound.

(d) No Developer Bankruptcy. Developer is not the subject of a bankruptcy proceeding.

(e) Developer Experience; Sophisticated Party. Developer and its affiliated entities are sophisticated parties, with substantial experience in the acquisition, rehabilitation, development, financing, obtaining financing for, marketing, and operation of affordable housing projects and with the negotiation, review, and preparation of agreements and other documents in connection with such activities. The Developer is familiar with and has reviewed all laws and regulations pertaining to the development and operation of the Development and has obtained advice from any advisers of its own choosing in connection with this DDA.

(f) Due Authorization and Execution. Developer has duly authorized the execution of this DDA, and is ready, willing and able to execute the Housing Authority Regulatory Agreement, the Housing Authority Promissory Note, the Housing Authority Deed of Trust, and all documents necessary to effectuate the Conveyance of the Site. Within three (3) calendar days prior to the Closing, Developer shall execute and deposit with the Housing Authority (to be held pending satisfaction of the Housing Authority Conditions Precedent as set forth in Section 3.1 hereunder) the Housing Authority Regulatory Agreement, the Housing Authority Promissory Note, the Housing Authority Deed of Trust, and all documents necessary to effectuate the Housing Authority Regulatory Agreement hereunder.

Until the Closing Date, Developer shall, upon learning of any fact or condition which would cause any of the warranties and representations in this Section 1.6.2 not to be true as of the Closing Date, immediately give written notice of such fact or condition to Housing Authority. Such exception(s) to a representation shall not be deemed a breach by Developer hereunder, but shall constitute an exception which Housing Authority shall have a right to approve or disapprove if such exception would have an effect on the development and/or operation of the Site. If Housing Authority elects to proceed with the conveyance of the Site following disclosure of such information, Developer's representations and warranties contained herein shall be deemed to have been made as of the Closing Date, subject to such exception(s). If, following the disclosure of such information, Housing Authority elects to not close Escrow, then this DDA and the Escrow shall automatically terminate, and neither party shall have any further rights, obligations or liabilities hereunder. The representations and warranties set forth in this Section 1.6.2 shall survive the Conveyance of the Site.

2. DISPOSITION OF THE SITE

2.1 Conveyance of the Site. Subject to the satisfaction of those conditions set forth in Sections 3.1 and 3.2 hereof, the Housing Authority is prepared to convey the Site to the Developer in consideration of payment by Developer of the Purchase Price and the performance by Developer under all terms and conditions of this DDA. The Purchase Price has been determined by an appraisal of the fair market value of the Site conducted by an independent state certified appraiser in accordance with the standards of the appraisal profession. The Purchase Price shall be paid by Developer to Housing Authority at Close of Escrow.

The Developer warrants and represents that it has undertaken and completed at its expense an investigation of the Site, including without limitation condition of title, surface and subsurface conditions, and the suitability of the Site for the Improvements required pursuant to this DDA. The Developer has selected the Site and has determined that it is suitable for all development and uses as provided for pursuant to this DDA. Prior to the Date of DDA, the Housing Authority has provided to the Developer a preliminary title report by the Title Company. Developer has reviewed the condition of title to the Site and the condition of the Site (as more fully set forth in Section 2.3 of this DDA), and all such matters are satisfactory to the Developer.

In consideration of the Housing Authority entering into this DDA and conveying the Site, the Developer shall develop the Improvements and comply with and cause the use of the Site to conform to the Housing Authority Regulatory Agreement.

2.2 Escrow. The parties shall open an escrow (the "Housing Authority Escrow") with the Escrow Holder, by the time established therefore in the Schedule of Performance for the Conveyance, and the recordation and delivery of documents described in Section 2.1. The Housing Authority and the Developer agree to execute such escrow instructions as may be reasonably required to implement this Section 2.2. The obligation of the Housing Authority to deliver the Housing Authority Grant Deed, as well as the Housing Authority Promissory Note, the Housing Authority Deed of Trust, and the Housing Authority Regulatory Agreement, to escrow or to proceed with the Conveyance is contingent upon the satisfaction of the "Housing Authority Conditions Precedent," as set forth in Section 3.1 of this DDA.

2.2.1 Costs of Escrow. The Developer shall pay its respective portions of the premium for the Title Policy as set forth in Section 2.4 hereof, the Developer shall pay for the documentary transfer taxes, if any, due with respect to the conveyance of the Site by the Housing Authority to the Developer, and the Developer agrees to pay all escrow charges and all other usual fees, charges, and costs which arise from Escrow.

2.2.2 Escrow Instructions. This DDA constitutes the joint escrow instructions of the Developer and the Housing Authority, and the Escrow Holder to whom these instructions are delivered is hereby empowered to act under this DDA. The parties hereto agree to do all acts reasonably necessary to close this Escrow in the shortest possible time. Insurance policies for fire or casualty are not to be transferred, and the Housing Authority will cancel its own policies after the Conveyance of the Site. All funds received in the Escrow shall be deposited with other escrow funds in a general escrow account(s) and may be transferred to any other such escrow trust account in any State or National Bank doing business in the State of California. All disbursements shall be made by check from such account.

If in the opinion of either party it is necessary or convenient in order to accomplish the Conveyance, such party may require that the parties sign supplemental escrow instructions; provided that if there is any inconsistency between this DDA and the supplemental escrow instructions, then the provisions of this DDA shall control. The parties agree to execute such other and further documents as may be reasonably necessary, helpful or appropriate to effectuate the provisions of this DDA. The Conveyance shall take place when the Housing Authority Conditions Precedent and the Developer Conditions Precedent have been satisfied. Escrow Holder is instructed to release Housing Authority's escrow closing and Developer's escrow closing statements to the respective parties.

2.2.3 Authority of Escrow Holder. Escrow Holder is authorized to, and shall:

(a) Pay and charge the Developer for the premium of the Developer's Policy as set forth in Section 2.4 and any amount necessary to place title in the condition necessary to satisfy Section 2.3 of this DDA.

(b) Pay and charge the Developer for any escrow fees, charges, and costs payable under Section 2.2.1 of this DDA.

(c) Pay and charge the Developer for any endorsements to the Developer's Policy which are requested by the Developer.

(d) Disburse funds, record and deliver the Recordable Documents in the order set forth in Section 2.2.6 below.

(e) Do such other actions as necessary to fulfill its obligations under this DDA.

(f) Prepare and file with all appropriate governmental or taxing authorities a uniform settlement statement, closing statement, tax withholding forms including an IRS 1099-S form, and be responsible for withholding taxes, if any such forms are provided for or required by law.

2.2.4 Closing. The Conveyance of the Site and delivery of documents related shall close ("Closing") within thirty (30) days of the parties' satisfaction of all of Conditions Precedent, but in no event later than the last day established therefore in the Schedule of Performance. The "Closing" means the time and day that the Housing Authority Promissory Note is executed and held by Escrow Holder for delivery to Housing Authority and all of the Housing Authority Grant Deed, the Housing Authority Regulatory Agreement, and the Housing Authority Deed of Trust have been recorded by the Riverside County Recorder. The "Closing Date" means the day on which the Closing occurs.

2.2.5 Termination. If Escrow is not in condition to close by the time established therefore in the Schedule of Performance, then either party which has fully performed under this DDA may, in writing, demand the return of money or property and terminate this DDA. If either party makes a written demand for return of documents or properties, this DDA shall not terminate until five (5) days after Escrow Holder shall have delivered copies of such demand to all other parties at the respective addresses shown in this DDA. If any objections are raised within said five (5) day period, Escrow Holder is authorized to hold all papers and documents until instructed by a court of

competent jurisdiction or by mutual written instructions of the parties. The Developer, however, shall have the sole option to withdraw any money deposited by it with respect to the Closing less the Developer's share of costs of Escrow. Termination of this DDA shall be without prejudice as to whatever legal rights either party may have against the other arising from this DDA. If no demands are made, the Escrow Holder shall proceed with the Closing as soon as possible. At the election of the Housing Authority, default by the Developer under this DDA shall constitute a default under this DDA.

2.2.6 Closing Procedure. Escrow Holder shall close Escrow for the Conveyance of the Site as follows:

Record the following documents in this order: (i) the Housing Authority Grant Deed; (ii) a deed of trust in favor of the construction lender; (iii) the Housing Authority Deed of Trust; (iv) the Housing Authority Regulatory Agreement; (v) the Notice of Affordability Restrictions on Transfer of Property; and (vi) such other instruments, if any, as shall be approved by Housing Authority (upon consultation with Housing Authority's legal counsel) as necessary or convenient to effectuate and implement the initial financing of the Improvements (and the permanent financing thereof), with instructions for the Recorder of Riverside County, California to deliver to the Housing Authority the Housing Authority Regulatory Agreement, the Housing Authority Deed of Trust, and a certified copy of each to the Developer; the Housing Authority Grant Deed shall be delivered to the Developer with a certified copy thereof to be delivered to the Housing Authority. The order of recordation shall be subject to revision upon approval of the Housing Authority. The Escrow Holder shall also deliver the Housing Authority Site Promissory Note to Housing Authority;

(a) Instruct the Title Company to deliver the Developer's Policy to the Developer, with a copy to the Housing Authority;

(b) File any informational reports required by Internal Revenue Code Section 6045(e), as amended, and any other applicable requirements;

(c) Deliver the FIRPTA Certificate, if any, to the Developer;

(d) Deliver documents as set forth in Section 2.2.3 hereof; and

(e) Forward to both the Developer and the Housing Authority a separate accounting of all funds received and disbursed for each party and copies of all executed and recorded or filed documents deposited into Escrow, with such recording and filing date and information endorsed thereon.

2.3 Review of Title. The Housing Authority has caused the Title Company to deliver to the Developer a standard preliminary title report (the "Report") with respect to the Site, and the Housing Authority will endeavor to cause the Title Company to provide to Developer legible copies of the documents underlying the exceptions ("Exceptions") set forth in the Report, within fifteen (15) days from the date of this DDA. The Developer shall have the right to reasonably approve or disapprove the Exceptions; provided, however, that the Developer shall approve the following Exceptions as of the Closing Date:

(a) The Redevelopment Plan.

(b) The lien of any non-delinquent property taxes and assessments (to be prorated at close of Escrow).

(c) The provisions of the Housing Authority Regulatory Agreement, the Housing Authority Deed of Trust, and the Notice of Restriction.

(d) Any incidental easements or other matters affecting title which are reasonably acceptable to the Developer and do not materially impact the Developer's use of the Site as described in the Scope of Development.

The Developer shall have thirty (30) days from the date of its receipt of the Report to give written notice to Housing Authority and Escrow Holder of the Developer's approval or disapproval of any of such Exceptions. The Developer's failure to give written disapproval of the Report within such time limit shall be deemed approval of the Report. If the Developer notifies Housing Authority of its disapproval of any Exceptions in the Report, the Housing Authority shall have ten (10) days from the receipt of written notice of disapproval by the Developer to give written notice to Developer whether or not it will undertake the removal of any disapproved Exceptions by the Closing Date. If the Housing Authority elects to remove such Exceptions, it shall diligently proceed to effect the removal of such Exceptions no later than the Closing Date. If Housing Authority fails to or does not elect to remove any of the disapproved Exceptions within that period, the Developer shall have ten (10) days after the expiration of such ten (10) day period to either give the Housing Authority written notice that the Developer elects to proceed with the purchase of the Site subject to the disapproved Exceptions or to give the Housing Authority written notice that the Developer elects to terminate this DDA. The Exceptions to title approved by the Developer as provided herein shall hereinafter be referred to as the "Condition of Title." The Developer shall have the right to approve or disapprove any additional and previously unreported Exceptions reported by the Title Company after the Developer has approved the Condition of Title for the Site (which are not created by the Developer).

2.4 Title Insurance. Concurrently with recordation of the Housing Authority Grant Deed there shall be issued to the Developer one ALTA owner's policy of title insurance (the "Developer's Policy"), in the liability amount of the fair market value of the Site, together with such endorsements as are reasonably requested by the Developer, issued by the Title Company insuring that the title to the Site is vested in the Developer in the condition required by Section 2.3 of this DDA. The Title Company shall provide the Housing Authority with a copy of the Developer's Policy. Any costs thereof shall be borne by the Developer.

Concurrently with the recordation of the Housing Authority Grant Deed and the Housing Authority Deed of Trust there shall be issued to the Housing Authority one ALTA lender's policy of title insurance (the "Housing Authority Policy") in the liability amount of the Housing Authority Promissory Note, together with such endorsements as are reasonably requested by the Housing Authority, issued by the Title Company insuring the Housing Authority Deed of Trust in the priority required by Section 2.2.6 of this DDA, subject also to a lien securing the Construction Loan for the Housing Project. Upon request therefore, the Title Company shall provide the Developer with a copy of the Housing Authority Policy. All costs for the Housing Authority Policy shall be borne by the Developer.

2.5 Inspections, Approvals and Studies. Commencing upon the date of this DDA and continuing until the Inspection Deadline, Developer shall have the right to enter, physically survey,

inspect and map the Site; conduct soils and physical engineering, percolation, geological and other tests; perform economic, market feasibility, land use studies; and determine that the Housing Project is economically feasible (collectively referred to as the "Inspections"). Following the Inspection Deadline and continuing to the Closing Date, the Developer shall continue to have access to the Site. Developer shall have the right to approve or disapprove the Inspections by written notice given at any time prior to the Closing. If Developer disapproves the Inspections, the Developer shall have the right to terminate this DDA in accordance with Section 7.3 hereof. Developer shall have the right to pursue all necessary or proper Entitlements, including, but not limited to, zone changes, land use approvals, site plan approvals and Plan approvals for the Housing Project during the time that Escrow is opened, consistent with the provisions of this DDA.

2.6 Physical and Environmental Condition of the Site.

2.6.1 Land Condition; Exceptions. Except as set forth herein, the Site shall be conveyed to the Developer "AS IS", with no warranty, express or implied, by the Housing Authority as to the condition of any existing improvements, the soil, its geology, the presence of known or unknown faults or Hazardous Materials or toxic substances, and it shall be the sole responsibility of the Developer at its expense to remove all improvements found on the Site and investigate and determine the physical and environmental conditions. If as of the Inspection Deadline the physical or environmental condition is not in all respects entirely suitable for the use or uses to which the Site will be put, the Developer may terminate this DDA pursuant to Section 7.3 hereof unless the Housing Authority and the Developer otherwise agree in writing.

2.6.2 Physical and Environmental Investigation and Testing of Site. The Developer shall have the right, at its sole cost and expense, to engage its own consultants to make such investigations of the Site as the Developer deems necessary, soils, geotechnical and other testing of the Site, and the Housing Authority shall promptly be provided a copy of all reports and test results provided to the Developer. The Developer shall reasonably approve or disapprove of the physical condition of the Site on or before the Inspection Deadline. The Developer's failure to deliver written Notice of its approval within such time limit shall be deemed approval of the physical and environmental condition of the Site.

2.6.3 Developer Precautions After Closing. Upon the Closing, the Developer shall take all necessary but reasonable precautions to prevent the release into the environment of any Hazardous Materials in, on or under the Site, except as may be provided otherwise by applicable Governmental Requirements. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials introduced by the Developer or after the Closing Date. In addition, the Developer shall install and utilize such equipment and implement and adhere to such procedures as are consistent with commercially reasonable standards as respects the disclosure, storage, use, removal and disposal of Hazardous Materials introduced by the Developer or after the Closing Date. In the event the Developer receives notice concerning the presence of Hazardous Materials at the Site, Developer shall promptly deliver a copy of such notice to the Housing Authority.

2.6.4 Condition of Site. The Housing Authority has provided the Developer with all studies, tests and analyses in its possession and other information of which it has actual knowledge concerning the physical and environmental condition of the Site, including, without limitation, information about any Hazardous Materials, and including, but not limited to, environmental, property physical condition, geological studies, engineering and structural

analyses, and geotechnical reports and soil tests and analyses. The Housing Authority represents to Developer that it has no actual knowledge (with no duty to conduct any testing) of the presence of any latent or patent physical defects of the Site including, without limitation, any Hazardous Materials thereon or therein. The Developer acknowledges and agrees that any portion of the Site that it acquires from the Housing Authority pursuant to this DDA shall be purchased "AS IS" "WHERE IS" "WITH ALL FAULTS," in its current physical condition, with no warranties of any kind or nature, express or implied, except those warranties set forth in Section 2.6, as to the physical condition thereof, the presence or absence of any latent or patent condition thereon or therein, including, without limitation, any Hazardous Materials thereon or therein, and any other matters affecting the Site.

3. CONDITIONS TO CLOSING

3.1 Housing Authority Conditions Precedent. The Housing Authority shall not execute the Housing Authority Grant Deed or proceed with the Closing as provided pursuant to this DDA, unless all of the following conditions precedent (the "Housing Authority Conditions Precedent") have been fully satisfied, as determined in good faith by the Housing Authority (which condition, if it requires action by Developer, shall also be a covenant of Developer):

(a) Payment of Purchase Price. The Developer shall have deposited the Purchase Price with the Escrow Holder, which shall be delivered to Housing Authority following the Closing.

(b) Recording of Certain Documents. Each of the Housing Authority Regulatory Agreement, Notice of Affordability, Housing Authority Grant Deed, and Housing Authority Deed of Trust has been executed by the Developer (where such documents so provide) and is ready to be recorded.

(c) Evidence of Financing. Developer shall have provided written proof acceptable to Housing Authority that the Developer has sufficient internal funds and/or has obtained a loan or financing, subject to customary conditions and Housing Authority has approved such evidence of financing, in accordance with Sections 4.15 and 4.15.1.1 hereof; such financing sources shall be ready to close and proceeds shall be available to Developer upon the Closing ("Financing Plan"). Developer shall have obtained approval by the Housing Authority of a Financing Plan. In the event Developer obtains a loan or financing for the construction of the Development, such Construction Loan or financing for the Development shall be ready to close, and shall close and shall be immediately available for use in constructing the Improvements. It is contemplated that AHP funding will be obligated to defray, in part, the cost of the Development but that approval and funding thereof will occur concurrently with funding and closing of the Permanent Loan.

(d) Construction Contract. Developer shall have provided to the Housing Authority a signed copy of a fixed-price or guaranteed maximum price contract between the Developer and the general contractor for the construction of the Development, certified by the Developer to be a true and correct copy thereof, and Housing Authority shall have approved such contractor or contractors, and the construction contract or contracts, pursuant to Section 4.15 hereof. The parties acknowledge that the general contractor is or may be a Related Party with respect to the Developer. However, nothing contained in this subsection (c) shall be deemed to create any

responsibility or liability on or to the Housing Authority for selection of the contractor(s) or for construction of the Improvements, the Developer being solely responsible for such activities.

(e) Title Insurance. The Title Company shall have committed to issue the Title Policies to the Developer, in accordance with Section 2.4 hereof (subject to payment of the premiums therefore).

(f) Entitlements. The Developer shall have received all Entitlements and land use approvals required in order to construct the Improvements.

(g) Housing Project Budget. The Housing Project Budget shall have been finalized by the Developer and the Housing Authority.

(h) Insurance. The Developer shall have provided proof of insurance as required by Section 4.5 hereof.

(i) Readiness. The Developer submits evidence that the final working drawings and Plans have been approved by the Riverside County Planning Department so that the Housing Project is "permit ready;" that is, that the only other condition to the issuance of building permits for the construction of Improvements is the payment of fees;

(j) Representations and Warranties. The representations and warranties of Developer contained in this DDA shall be correct in all material respects as of the Closing as though made on and as of that date, and Housing Authority shall have received a certificate to that effect signed by an officer of Developer.

(k) Approval of the Asset Transfer of the Site to the Housing Authority by the State of California Department of Finance (DOF). The asset transfer of the Site to the Housing Authority has been questioned by the DOF and the Housing Authority is working with the DOF to resolve this issue. Based upon the DOF action, the closing and the enforceability of this Amended and Restated DDA is conditioned upon receiving unconditional approval of the transfer of the Site to the Housing Authority from the DOF.

(l) No Default. No Event of Default by Developer shall have occurred under this DDA, no event shall have occurred which, with the giving of notice or the passage of time or both, would constitute an Event of Default by Developer under this DDA, and Housing Authority shall have received a certificate to that effect signed by an officer of Developer.

All conditions set forth in Section 3.1, or to Housing Authority's obligations hereunder, are for Housing Authority's benefit only and Housing Authority may waive all or any part of such rights by written notice to Developer and Escrow Holder. A waiver of any of the foregoing conditions shall not operate in any way as a waiver of, or estoppel with respect to, any subsequent or other failure to comply with such condition, or to any other condition contained in this DDA. If Housing Authority shall, within the applicable periods set forth herein, disapprove of any of the items which are subject to Housing Authority's approval, or if any of the conditions set forth in this DDA are not met within the times called for, Housing Authority may thereafter terminate this DDA without any further liability on the part of Housing Authority by giving written notice of termination to the Escrow Holder, with a copy to Developer. Escrow Holder shall thereupon, without further consent from Developer, return to each party the documents and funds deposited by them.

3.2 Developer Conditions Precedent. The Developer shall not be obligated to proceed with the Closing as provided pursuant to this DDA, unless all of the following conditions precedent (the “Developer Conditions Precedent”) has been fully satisfied, as determined in good faith by the Housing Authority (which condition, if it requires action by Developer, shall also be a covenant of Developer):

(a) Recording of Certain Documents. Each of the Housing Authority Regulatory Agreement, Notice of Affordability, Housing Authority Grant Deed, and Housing Authority Deed of Trust has been executed by the Housing Authority (where such documents so provide) and is ready to be recorded.

(b) Title Insurance. The Title Company shall have committed to issue the Title Policies to the Developer, in accordance with Section 2.4 hereof.

(c) Housing Project Budget. The Housing Project Budget shall have been finalized by the Developer and the Housing Authority.

(d) Financing. Developer shall have obtained a construction loan, a commitment for a permanent loan, and equity investment from its limited partners, in an amount which Developer determines to be sufficient for the development of the Improvements, and in a form reasonably acceptable to the Developer, in accordance with Sections 4.15 and 4.15.1.1 hereof. The construction loan and equity contribution shall be ready to close and proceeds shall be available to Developer upon the Closing.

(e) Site Condition. The physical and environmental condition of the Site shall be reasonably acceptable to the Developer.

(f) Entitlements. The Developer shall have received all Entitlements and land use approvals required in order to construct the Improvements.

(g) Readiness. The Developer’s final working drawings and Plans have been approved by the Riverside County Planning Department so that the Housing Project is “permit ready;” that is, that the only other condition to the issuance of building permits for the construction of Improvements is the payment of fees;

(h) Representations and Warranties. The representations and warranties of Housing Authority contained in this DDA shall be correct in all material respects as of the Closing as though made on and as of that date, and Developer shall have received a certificate to that effect signed by an officer of Housing Authority.

(i) Approval of the Asset Transfer of the Site to the Housing Authority by DOF. DOF unconditional approval of the transfer of the Site to the Housing Authority.

(j) No Default. No Event of Default by Housing Authority shall have occurred under this DDA, no event shall have occurred which, with the giving of notice or the passage of time or both, would constitute an Event of Default by Housing Authority under this DDA, and Developer shall have received a certificate to that effect signed by an officer of Housing Authority.

All conditions set forth in Section 3.2, or to Developer's obligations hereunder, are for Developer's benefit only and the Developer, in its discretion, may waive any of the foregoing Developer Conditions Precedent by written notice to Housing Authority and Escrow Holder. A waiver of any of the foregoing conditions shall not operate in any way as a waiver of, or estoppel with respect to, any subsequent or other failure to comply with such condition, or to any other condition contained in this DDA. If Developer shall, within the applicable periods set forth herein, disapprove of any of the items which are subject to Developer's approval, or if any of the conditions set forth in this DDA are not met within the times called for, Developer may thereafter terminate this DDA without any further liability on the part of Developer by giving written notice of termination to the Escrow Holder, with a copy to Housing Authority. Escrow Holder shall thereupon, without further consent from Housing Authority, return to each party the documents and funds deposited by them.

4. SCOPE OF DEVELOPMENT; INSURANCE AND INDEMNITY, FINANCING

4.1 Scope of Development. The Developer shall develop the Improvements in accordance with the Scope of Development, and the approved plans, drawings and documents for the Improvements. In the event of any inconsistency between the Scope of Development and the plans for the Improvements which have been approved by the Housing Authority and County, the approved Development plans shall control. The Housing Project is intended to serve Households who are Extremely Low Income Households and Very Low Income Households. The Housing Project shall consist of development of a two story multi-family apartment complex with a total of eighty-nine (89) units. Of the eighty-nine (89) units, sixty (60) will be two-bedroom apartment units and twenty eight (28) will be three-bedroom apartment units. One (1) additional 2-bedroom unit will be set aside for an onsite manager's unit.

4.2 Design Review.

4.2.1 Developer Submissions. Prior to the Date of DDA, in connection with its application for land use approvals by the County, the Developer has submitted "Basic Concept Drawings" for the Improvements. Before commencement of construction of the Improvements or other works of improvement upon the Site, the Developer shall submit to the County any plans and drawings (collectively, the "Design Development Drawings") which may be required by the County with respect to any permits and Entitlements which are required to be obtained to develop the Improvements.. Developer, on or prior to the date set forth in the Schedule of Performance, shall submit to the County such plans for the Improvements as required by the County in order for Developer to obtain building permits for the Improvements. Within thirty (30) days after the County's disapproval or conditional approval of such plans, Developer shall revise the portions of such plans identified by the County as requiring revisions and resubmit the revised plans to the County.

4.2.2 County Review and Approval. The County shall have all rights to review and approve or disapprove all Design Development Drawings and other required submittals in accordance with the County Ordinances, and nothing set forth in this DDA shall be construed to constitute the County's approval of any or all of the Design Development Drawings or to limit or affect the County's review and right to approve, approve subject to conditions, or disapprove Design Development Drawings, plans, drawings, applications, or submittals.

4.2.3 Revisions. Any and all change orders or revisions required by the County and its inspectors under the County Ordinances and all other applicable Uniform Codes (e.g. Building, Plumbing, Fire, Electrical, etc.) and under other applicable laws and regulations shall be included by the Developer in its Design Development Drawings and other required submittals and shall be completed during the construction of the Improvements.

4.2.4 Defects in Plans. The Housing Authority and the County shall not be responsible either to the Developer or to third parties in any way for any defects in the Design Development Drawings, nor for any structural or other defects in any work done according to the approved Design Development Drawings, nor for any delays reasonably caused by the review and approval processes established by this Section 4.2.4.

4.3 Time of Performance; Progress Reports. The Developer shall submit all Design Development Drawings, commence and complete all construction of the Improvements, and satisfy all other obligations and conditions of this DDA within the times established herein this DDA. Construction of the Improvements shall be commenced on or before the time established herein the Schedule of Performance. Once construction is commenced, it shall continuously and diligently be pursued to completion and shall not be abandoned for more than fifteen (15) days except when due to circumstances described in Section 7.9 hereof. During the course of construction and prior to issuance of the Certificate of Completion, Developer shall provide timely reports of the progress of construction when requested by the Housing Authority. Developer shall complete construction of all of the Improvements on the Site within eighteen (18) months after the first to occur of (i) commencement of construction or (ii) the time established by this DDA for commencement of construction.

4.4 Cost of Construction. The cost of planning, designing, developing, and constructing the Improvements shall be borne solely by the Developer. Prior to Closing, Developer shall have submitted and obtained approval by the Housing Authority of a comprehensive plan of finance for the Housing Project ("Plan of Finance" or Financing Plan") which identifies all sources and uses which sources shall have committed to provide funding in the amounts and at the times identified by Developer.

4.5 Insurance Requirements. Without limiting or diminishing the Developer's obligation to indemnify or hold the Housing Authority harmless, Developer shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage's during the term of this DDA:

(a) **Workers Compensation Insurance.** If the Developer has employees as defined by the State of California, the Developer shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of the Housing Authority, and, if applicable, to provide a Borrowed Servant/Alternate Employer Endorsement.

(b) **Commercial General Liability Insurance.** Commercial General Liability insurance coverage, including but not limited to, premises liability, contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of Developer's performance of its obligations

hereunder. Policy shall name the Housing Authority, the County of Riverside and its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insured. Policy's limit of liability shall not be less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this DDA or be no less than two (2) times the occurrence limit.

(c) Vehicle Liability Insurance. If vehicles or mobile equipment are used in the performance of the obligations under this DDA, then Developer shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this DDA or be no less than two (2) times the occurrence limit. Policy shall name the Housing Authority, the County of Riverside and its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insured.

(d) Procure and maintain course of construction coverage on the Housing Project in an amount not less than ninety percent (90%) of the replacement value of the Housing Project.

(e) General Insurance Provisions – All Lines

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the Housing Authority Risk Manager. If the Housing Authority's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) The Developer's insurance carrier(s) must declare its insurance self-insured retentions. If such self-insured retentions exceed \$500,000 per occurrence such retentions shall have the prior written consent of the Housing Authority's Risk Manager before the commencement of operations under this DDA. Upon notification of self insured retention unacceptable to the Housing Authority, and at the election of the Housing Authority's Risk Manager, Developer's carriers shall either; (a) reduce or eliminate such self-insured retention as respects this DDA with the Housing Authority, or (b) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) Developer shall cause Developer's insurance carrier(s) to furnish the AGENCY with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the Housing Authority Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the Housing Authority prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this DDA shall terminate forthwith, unless the Housing Authority receives, prior to such Effective Date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing

coverage's set forth herein and the insurance required herein is in full force and effect. Developer shall not commence operations until the Housing Authority has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the Developer's insurance shall be construed as primary insurance, and the Housing Authority's insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this DDA or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.); or, the term of this DDA, including any extensions thereof, exceeds five (5) years the Housing Authority reserves the right to adjust the types of insurance required under this DDA and the monetary limits of liability for the insurance coverage's currently required herein, if; in the Housing Authority Risk Manager's reasonable judgment, the amount or type of insurance carried by the Developer has become inadequate.

6) Developer shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this DDA.

7) The insurance requirements contained in this DDA may be met with a program(s) of self-insurance acceptable to the Housing Authority.

8) Developer agrees to notify Housing Authority of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this DDA. All certificates, documents, and other written materials establishing compliance with the above enumerated conditions precedent are to be filed with Housing Authority at the expense of Developer. It is understood and agreed to by the parties hereto, and the insurance company(s), Certificate of Insurance and policies shall so covenant and shall be construed as primary and Housing Authority's insurance and/or deductibles and/or self-insured retention or self-insured programs shall not be construed as contributory. The Housing Authority reserves the right to adjust the monetary limits of insurance coverage during the term of this DDA, or any extension thereof if in Housing Authority Risk Manager's reasonable judgment, the amount or type of insurance typically carried by the Developer or its contractors is inadequate.

4.5.1 Waiver of Subrogation. Developer hereby waives all rights to recover against Housing Authority (or any officer, employee, agent or representative of Housing Authority) for any loss incurred by Developer from any cause insured against or required by any Project Document to be insured against; provided, however, that this waiver of subrogation shall not be effective with respect to any insurance policy if the coverage thereunder would be materially reduced or impaired as a result. Developer shall use its best efforts to obtain only policies which permit the foregoing waiver of subrogation.

4.6 Obligation to Repair and Restore Damage Due to Casualty. If during the period of construction the Improvements shall be totally or partially destroyed or rendered wholly or partly

uninhabitable by fire or other casualty required to be insured against by Developer, Developer shall promptly proceed to obtain insurance proceeds and take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence the repair or replacement of the Improvements to substantially the same condition as the Improvements are required to be constructed pursuant to this DDA, to the extent that the insurance proceeds are sufficient to cover the actual cost of repair, replacement, or restoration, and Developer shall complete the same as soon as possible thereafter so that the Improvements can be occupied as an affordable housing project in accordance with this DDA. In no event shall the repair, replacement, or restoration period exceed fourteen (14) months from the date Developer obtains insurance proceeds unless the Housing Authority, in the Housing Authority's reasonable discretion, approves a longer period of time. Housing Authority shall cooperate with Developer, at no expense to Housing Authority, in obtaining any governmental permits required for the repair, replacement, or restoration. If, however, the then-existing laws of any other governmental agencies with jurisdiction over the Site do not permit the repair, replacement, or restoration, Developer may elect not to repair, replace, or restore the Improvements by giving notice to Housing Authority (in which event Developer will be entitled to all insurance proceeds but Developer shall be required to remove all debris from the Site) or Developer may reconstruct such other improvements on the Site as are consistent with applicable land use regulations and approved by the County, Housing Authority, and the other governmental agency or agencies with jurisdiction, and the Housing Authority may pursue remedies of its choosing under this DDA, including without limitation termination.

4.7 Indemnity. The Developer shall indemnify and hold harmless the Housing Authority, the County of Riverside, its Agencies, Districts, Special Districts and Departments, and their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives ("Indemnified Parties"), from any liability whatsoever, based or asserted upon any services of Developer, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this DDA, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of Developer, its officers, agents, employees, subcontractors, agents or representatives of its obligations under this DDA. Developer shall defend, at its sole expense, all costs and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the Indemnified Parties in any claim or action based upon such alleged acts or omissions. The foregoing indemnity shall not apply to liability resulting from the negligence, intentional misconduct, or violation of this Agreement by Housing Authority or any of the Indemnified Parties.

With respect to any action or claim subject to indemnification herein by Developer, Developer shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of Housing Authority; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Developer's indemnification to Housing Authority as set forth herein.

Developer's obligation hereunder shall be satisfied when Developer has provided to Housing Authority the appropriate form of dismissal or other resolution of the applicable dispute or action relieving the Indemnified Parties from any liability for the action or claim involved.

The specified insurance limits required in this DDA shall in no way limit or circumscribe Developer's obligations to indemnify and hold harmless the Indemnified Parties herein from third party claims.

4.8 Rights of Access. Prior to the issuance of the Certificate of Completion, for purposes of assuring compliance with this DDA, representatives of Housing Authority shall have the right of access to the Site, without charges or fees, at normal construction hours during the period of construction for the purposes of this DDA, including but not limited to, the inspection of the work being performed in constructing the Improvements so long as Housing Authority representatives comply with all safety rules. Housing Authority representatives shall, except in emergency situations, notify the Developer prior to exercising its rights pursuant to this Section 4.8.

4.9 Compliance With Laws. Developer shall carry out the design, construction and operation of the Improvements in conformity with all applicable laws, including all applicable state labor standards (including without limitation provisions for payment of prevailing wages in connection with all construction of the Improvements), the County zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the County Ordinances, Health and Safety Code Section 33334.2(e)(5), the Fair Housing Act, 42 U.S.C. Section 3601 *et seq.* (and 24 C.F.R. Part 100), the Americans With Disabilities Act, 42 U.S.C. Section 12101, *et seq.*, Government Code Section 4450, *et seq.*, Government Code Section 11135, *et seq.*, the Unruh Civil Rights Act, Civil Code Section 51, *et seq.*, and the California Building Standards Code, Health and Safety Code Section 18900, *et seq.*

Developer and its contractors and subcontractors shall comply with Labor Code Section 1720, *et seq.*, and its implementing regulations, regarding the payment of prevailing wages (the "Prevailing Wage Law") with regard to the construction of the Housing Project and the development of the Site, to the extent such sections are applicable to the construction of the Housing Project and the development of the Site. The Developer believes that the Prevailing Wage Law is not applicable herein because (i) all of the Housing Authority assistance hereunder is made from the Unexpended Bond Proceeds from the 2010 Housing Bonds, funds acquired pursuant to Health and Safety Code Sections 33334.2 and 33334.3 were pledged as the debt service for the 2010 Housing Bonds, and the Developer is required hereunder to comply with all applicable requirements of Health and Safety Code Sections 33334.2 and 33334.3, and therefore the Housing Project constitutes "The construction or rehabilitation of affordable housing units for low- or moderate-income persons pursuant to paragraph (5) or (7) of subdivision (e) of Section 33334.2 of the Health and Safety Code that are paid for solely with moneys from a Low and Moderate Income Housing Fund established pursuant to Section 33334.3 of the Health and Safety Code or that are paid for by a combination of private funds and funds available pursuant to Section 33334.2 or 33334.3 of the Health and Safety Code," pursuant to the exception set forth in Labor Code Section 1720(c)(4), and (ii) because the Housing Authority's participation in the Housing Project that would otherwise qualify as "paid for in whole or in part out of public funds" solely consists of public funding in the form of a below-market interest rate loan for a project in which occupancy of at least 40 percent of the units is restricted for at least 20 years, by regulatory agreement, to individuals or families earning no more than 80 percent of the area median income, pursuant to the exception set forth in Labor Code Section 1720(c)(6)(E). Notwithstanding the foregoing, Developer shall be solely responsible for determining and effectuating compliance with the Prevailing Wage Law, Developer shall be solely responsible for the payment of prevailing wages for the construction of the Housing Project if required by the Prevailing Wage Law, and for compliance with all other recordkeeping and other requirements of the Prevailing Wage Law. The Housing Authority makes no representation as to the

applicability or non-applicability of the Prevailing Wage Law to the Housing Project, or any part thereof.

Developer releases from liability, and agrees to indemnify, protect, defend and hold harmless the Housing Authority and the Indemnified Parties, with counsel reasonably acceptable to the Housing Authority, from and against any and all loss, liability, damage, claim, cost, expense and/or "increased costs" (including reasonable attorneys fees, court and litigation costs, and fees of expert witnesses) which, in connection with the development or construction of the Housing Project, including, without limitation, any and all public works (as defined by applicable law), results or arises in any way from any of the following: (1) the noncompliance by Developer of the Prevailing Wage Law; (2) the implementation of Labor Code Section 1781, as the same may be amended from time to time, or any other similar law; and/or (3) failure by Developer to provide any required disclosure or identification as required by Labor Code Section 1781, as the same may be amended from time to time, or any other similar law. It is agreed by the parties that, in connection with the development of the Housing Project, including, without limitation, any and all public works (as defined by applicable law), Developer shall bear all risks of payment or non-payment of prevailing wages under California law and/or the implementation of Labor Code Section 1781, as the same may be amended from time to time, and/or any other similar law. "Increased costs," as used in this Section 4.9, shall have the meaning ascribed to it in Labor Code Section 1781, as the same may be amended from time to time. The foregoing indemnity shall survive termination of this Agreement and shall continue after completion of the development of the Housing Project by the Developer.

The Housing Authority represents and warrants to the Developer that the Unexpended Bond Proceeds from the 2010 Housing Bonds are held in a separate trust account with the fiscal agent, The Bank of New York, and that all funds provided by the Housing Authority for any costs of demolition, site improvement, relocation, maintenance, management, or any other activity related to the Site, have been obtained from the 2010 Housing Bonds. Notwithstanding the foregoing, the Housing Authority acknowledges that the funds originally used by the Agency to purchase the land which included the Site were Agency funds that were not deposited in or derived from the LMIHF. The Agency represents, however, that the Agency subsequently used funds from 2010 Tax Exempt Housing Bonds to repay into the Agency's fund the entire proportionate cost of the Site acquisition. The Housing Authority further represents and warrants to the Developer that all of the funds to be used for the Housing Authority Loan and any other assistance to be provided to Developer hereunder has been obtained from the Unexpended Bond Proceeds from the 2010 Taxable Housing Bonds and from no other funds, and that the Unexpended Bond Proceeds from the 2010 Taxable Housing Bonds have not been commingled with any other funds.

4.10 Nondiscrimination in Employment. Developer certifies and agrees that all persons employed or applying for employment by it, its affiliates, subsidiaries, or holding companies are and will be treated equally by it without regard to, or because of race, color, religion, ancestry, national origin, sex, sexual orientation, age, pregnancy, childbirth or related medical condition, medical condition (cancer related) or physical or mental disability or any other basis set forth in the California Fair Employment and Housing Act (FEHA)..

4.11 Taxes and Assessments. Subject to Developer's right to claim the "welfare exemption" under California Revenue and Taxation Code Section 214(g), Developer shall pay prior to delinquency all ad valorem real estate taxes and assessments on the Site. Developer shall remove

or have removed any levy or attachment made on any of the Site or any part thereof which is owned or leased by Developer, or assure the satisfaction thereof within a reasonable time, but in no event to exceed sixty (60) days. The Developer shall additionally defend, indemnify, and hold harmless the Housing Authority and the County from and against any taxes, assessments, mechanic's liens, claims of materialmen and suppliers, or other claims by private parties in connection with (a) activities undertaken by the Developer or (b) the Site arising from or related to any period following the Closing Date.

4.12 Liens and Stop Notices. Developer shall not allow to be placed on the Site or any part thereof any lien or stop notice. If a claim of a lien or stop notice is given or recorded affecting the Improvements the Developer shall within five (5) days of such recording or service or Housing Authority's demand, whichever last occurs:

- (a) pay and discharge the same; or
- (b) affect the release thereof by recording and delivering to Housing Authority a surety bond in sufficient form and amount, or otherwise; or
- (c) provide Housing Authority with indemnification from the Title Company against such lien or other assurance which Housing Authority deems, in its sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of Housing Authority from the effect of such lien or bonded stop notice.

4.13 Certificate of Completion. Promptly after completion of the Improvements in conformity with this DDA, Housing Authority shall furnish the Developer with a "Certificate of Completion," substantially in the form attached hereto. Housing Authority shall not unreasonably withhold such Certificate of Completion. The Certificate of Completion shall be a conclusive determination of satisfactory completion of the Improvements and the Certificate of Completion shall so state. If Housing Authority refuses or fails to furnish a Certificate of Completion after written request from Developer, Housing Authority shall, within fifteen (15) days of receipt of written request therefore, provide Developer with a written statement of the reasons Housing Authority refused or failed to furnish the Certificate of Completion. The statement shall also contain Housing Authority's opinion of the actions Developer must take to obtain the Certificate of Completion. The Certificate of Completion is not a notice of completion as referred to in Section 3093 of the California Civil Code.

4.14 Further Assurances. Developer shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Housing Authority all documents, and take all actions, reasonably required by Housing Authority from time to time to confirm the rights created or now or hereafter intended to be created under the Project Documents or otherwise to carry out the purposes of the Project Documents.

4.15 Financing of the Improvements.

4.15.1 Approval of Financing. As required herein and as a Housing Authority Condition Precedent and Developer Condition Precedent, Developer shall submit to Housing Authority evidence that Developer has obtained sufficient equity capital and has arranged for and obtained a commitment for construction financing necessary to undertake the development of the Site

and the construction of the Improvements in accordance with this DDA ("Proof of Financing Commitments").

The Housing Authority shall reasonably approve or disapprove such evidence of financing within twenty (20) days of receipt of each of the respective submittals, provided that such submittal is complete. Approval shall not be unreasonably withheld so long as the terms and conditions of the financing are consistent with this DDA, including without limitation acknowledgment and consent by such lender to each of the Housing Authority Regulatory Agreement, and are otherwise reasonable and customary. The failure or refusal by the Housing Authority to approve financing that does not satisfy the foregoing criteria shall conclusively be deemed to be reasonable. If Housing Authority shall disapprove any such evidence of financing, Housing Authority shall do so by Notice to Developer stating the reasons for such disapproval and Developer shall endeavor to promptly obtain and submit to Housing Authority new evidence of financing. Housing Authority shall approve or disapprove such new evidence of financing in the same manner and within the same times established in this Section 4.15.1 for the approval or disapproval of the evidence of financing as initially submitted to Housing Authority. Developer shall close the approved financing concurrently with the Closing.

The Proof of Financing Commitment shall include a copy of a loan commitment(s) obtained by Developer from one or more financial institutions for the Construction Loan, subject to the construction lender's reasonable and customary conditions.

4.15.2 Conditions for Disposition of Funds. Housing Authority's Board of Commissioners shall determine the final disposition and distribution of all funds. Housing Authority shall: (1) make payments of the Housing Authority funds to Developer as designated in Attachment No. 15, and (2) monitor the Housing Project to ensure compliance with applicable state regulations and the terms of this DDA. There will be no disbursement of funds until the following events first occur:

- a. Developer executes the Housing Authority Loan Documents.
- b. Developer provides at its expense an ALTA lenders policy insuring the recordation of the Housing Authority Deed of Trust.
- c. Developer provides satisfactory evidence that it has secured any and all land use Entitlements, permits and approvals which may be required for construction of the Housing Project pursuant to the applicable rules and regulations of, the County, and any other governmental agency affected by such construction of work. Developer shall, without limitation, secure all Entitlements, change of zone, lot line adjustment, any and all necessary studies required including but not limited to archaeological, cultural, environmental, traffic and lead based paint, and pay all costs, charges and fees associated therewith.
- d. Developer is to submit updated Preliminary Title Report.
- e. Developer provides satisfactory evidence that it has satisfied all conditions precedent to the close of escrow for the land acquisitions.
- f. Housing Authority will retain ten percent (10%) of the total Housing Authority Loan. Housing Authority shall release final draw down of Housing Authority Loan

following the date on which a Notice of Completion has been recorded and filed; the Housing Project has been completed in material compliance with the Plans and Specifications and other requirements in this DDA to the reasonable satisfaction of the Housing Authority; Certificate of Completion has been recorded; and submission of Project completion report including unconditional final lien releases, all lien waivers and releases, final sources and uses of funds.

g. If at any time the Housing Authority (in the exercise of its reasonable discretion) will deem the remaining DDA proceeds together with all other funds available to Developer for such purpose to be insufficient to complete the Housing Project, Developer will, within ten (10) business days of written demand by Housing Authority provide satisfactory evidence that Developer will be able to provide the additional funds to complete the Housing Project. Developer may request that Housing Authority provide additional funds; provided that it is understood that Housing Authority is not required hereunder to provide additional funding for the Housing Project in the case of a cost overrun.

h. Developer provides satisfactory evidence that it has satisfied all conditions precedent to the issuance of all permits necessary for the construction of the development and all such permits are available for issuance, other than payment of fees.

i. There are no outstanding mechanics of liens or stop notices to the Property, and Developer has furnished to Housing Authority full waivers or releases of lien claims if required by Housing Authority.

j. Developer shall submit the following documents for review and, where appropriate, approval by the Housing Authority:

- i) Final development budget
- ii) Final construction cost estimate
- iii) Construction agreement with the general contractor for the approved construction work.

k. Developer shall obtain payment and performance bonds naming the Housing Authority as obligee prior to start of construction.

4.15.3 Distribution of Funds. Housing Authority shall pay Developer the sum specified in Section 4.17 below on a “cost-as-incurred” basis for all eligible approved costs. Disbursement of funds shall occur upon the satisfaction receipts of copies of paid invoices and conditional (upon receipt of payment) lien releases for construction costs to be paid with the proceeds of the Housing Authority Loan. Disbursement of funds shall be in accordance with the construction schedule which shall be certified and documented by the project architect. Housing Authority shall retain ten (10%) percent of the total Housing Authority Loan until the Housing Project receives Certificate of Completion.

4.15.4 Holder Not Obligated to Construct Improvements. The holder of any mortgage or deed of trust on the Site authorized by this DDA shall not be obligated by the provisions of this DDA to construct, complete, or operate the Improvements or any portion thereof, or to guarantee such construction, completion or operation; nor shall any covenant or any other provision

in this DDA be construed so to obligate such holder. Nothing in this DDA shall be deemed to permit or authorize any such holder to devote the Site to any uses or to construct any improvements thereon, other than those uses or improvements provided for or authorized by this DDA.

4.15.5 Notice of Default to Mortgagee or Deed of Trust Holders; Right to Cure.

With respect to any mortgage or deed of trust granted by Developer as to the Site as provided herein, whenever the Housing Authority may deliver any notice or demand to Developer with respect to any breach or default by the Developer under this DDA, the Housing Authority shall at the same time deliver to each holder of record of any mortgage or deed of trust authorized by this DDA a copy of such notice or demand; provided that the failure to notify any holder of record shall not vitiate or affect the effectiveness of notice to the Developer. Each such holder shall (insofar as the rights granted by the Housing Authority are concerned) have the right, at its option, within sixty (60) days after the receipt of the notice, to cure or remedy or commence to cure or remedy and thereafter to pursue with due diligence the cure or remedy of any such default and to add the cost thereof to the mortgage debt and the lien of its mortgage or deed of trust. Nothing contained in this DDA shall be deemed to permit or authorize such holder to undertake or continue the construction or completion of the Improvements, or any portion thereof (beyond the extent necessary to conserve or protect the improvements or construction already made) without first having expressly assumed the Developer's obligations to the Housing Authority by written agreement reasonably satisfactory to the Housing Authority. The holder, in that event, must agree to complete, in the manner provided in this DDA, the improvements to which the lien or title of such holder relates, but on a schedule which takes into account the time reasonably required for the holder to obtain title to and possession of the Site, analyze and negotiate amendments to plans, specifications, construction contracts and operating contracts or to negotiate new construction contracts and operating contracts. Any such holder properly completing such improvement shall be entitled, upon compliance with the requirements of Section 4.13 of this DDA, to a Certificate of Completion. It is understood that a holder shall be deemed to have satisfied the sixty (60) day time limit set forth above for commencing to cure or remedy a Developer default which requires title and/or possession of the Site (or portion thereof) if and to the extent any such holder has within such sixty (60) day period commenced proceedings to obtain title and/or possession and thereafter the holder diligently pursues such proceedings to completion and cures or remedies the default.

4.15.6 Failure of Holder to Complete Improvements. In any case where, sixty (60) days after the holder of any mortgage or deed of trust creating a lien or encumbrance upon the Site or any part thereof receives a notice from Housing Authority of a default by the Developer in completion of construction of any of the Improvements under this DDA, and such holder is not vested with ownership of the Site and has not exercised the option to construct as set forth in Section 4.15, or if it has exercised the option but has defaulted hereunder and failed to timely cure such default, the Housing Authority may purchase the mortgage or deed of trust by payment to the holder of the amount of the unpaid mortgage or deed of trust debt, including principal and interest and all other sums secured by the mortgage or deed of trust. If the ownership of the Site or any part thereof has vested in the holder, the Housing Authority, if it so desires, shall be entitled to a conveyance from the holder to the Housing Authority upon payment to the holder of an amount equal to the sum of the following:

(a) The unpaid mortgage or deed of trust debt at the time title became vested in the holder (less all appropriate credits, including those resulting from collection and application of income received during foreclosure proceedings);

(b) All expenses with respect to foreclosure including reasonable attorneys' fees;

(c) The net expense, if any, incurred by the holder as a direct result of the subsequent management of the Site or part thereof;

(d) The costs of any improvements made by such holder;

(e) An amount equivalent to the interest that would have accrued at the rate(s) specified in the holder's loan documents on the aggregate of such amounts had all such amounts become part of the mortgage or deed of trust debt and such debt had continued in existence to the date of payment by the Housing Authority; and

(f) Any customary prepayment charges imposed by the lender pursuant to its loan documents and agreed to by the Developer.

The foregoing rights shall be in addition to those measures set forth in an intercreditor agreement, and in addition shall supplement and not limit the Housing Authority's rights as landlord under the Housing Authority Grant Deed or by operation of law.

4.15.7 Right of the Housing Authority to Cure Mortgage or Deed of Trust Default. In the event of a mortgage or deed of trust default or breach by the Developer whether prior to or after the completion of the construction of any of the Improvements or any part thereof (continuing until the expiration of the term of the Housing Authority Grant Deed), Developer shall immediately deliver to Housing Authority a copy of any mortgage holder's notice of default. If the holder of any mortgage or deed of trust has not exercised its option to construct, the Housing Authority shall have the right but no obligation to cure the default. In such event, the Housing Authority shall be entitled to reimbursement from the Developer of all proper costs and expenses incurred by the Housing Authority in curing such default.

4.15.8 Limited Subordination. It is contemplated that financing for the Development will be provided from funds of the limited partner equity investors of Developer and proceeds of a conventional Construction Loan, a conventional Permanent Loan, and the AHP Loan. In connection with the provision of the Primary Construction Loan, and the Primary Permanent Loan, the Housing Authority Grant Deed of Trust will be subordinate to the deed(s) of trust recorded securing repayment of such loans; such subordination shall be for the benefit of third party lenders making the Primary Construction Loan and/or the Primary Permanent Loan and not for the benefit of the Developer or any Related Entity. The Housing Authority Regulatory Agreement shall also be subordinated to the Primary Construction Loan, and the Primary Permanent Loan, subject to satisfaction of the requirements of Health and Safety Code Section 33334.14.

4.15.9 Prevailing Wage Monitoring. In the event the Housing Project requires prevailing wages, the Developer is required to hire a qualified consultant, approved by the Housing Authority, to monitor prevailing wages and maintain compliance with State Laws and requirements relating to prevailing wages.

4.16 Permanent Financing. Upon satisfaction of the conditions precedent thereto (the "Permanent Financing Event"), Housing Authority shall subordinate the Housing Authority Deed of Trust and Housing Authority Regulatory Agreement to the permanent financing for the Housing

Project. The Permanent Financing Event is conditioned upon the occurrence of each of the following to the satisfaction of the Housing Authority:

(a) The Title Company is prepared to issue an endorsement to the Housing Authority's title insurance policy insuring the lien priority of the Housing Authority Deed of Trust.

(b) Housing Authority determines that Developer is not in default of its obligations to the Housing Authority under the provisions of this DDA.

Notwithstanding the foregoing, the Housing Authority, in its discretion, may waive any of the foregoing conditions precedent to the Permanent Financing Event. A waiver of any of the foregoing conditions shall not operate in any way as a waiver of, or estoppel with respect to, any subsequent or other failure to comply with such condition, or to any other condition contained in this DDA or in the Housing Authority Loan Documents.

4.17 Housing Authority Loan. In accordance with and subject to the terms and conditions of this DDA and the Promissory Note attached as attachment no. 12, the Housing Authority agrees to loan to Developer and Developer agrees to borrow such funds. The Housing Authority shall loan to Developer the sum of Seven Million Four Hundred Seventy-Five Thousand Dollars (\$7,475,000) for the purpose of payment of the costs associated with the construction and development of the Housing Project (the "Housing Authority Loan"). Upon execution of the Housing Authority Loan Documents the amount of the outstanding balance of the Predevelopment Loan shall be credited against the Housing Authority Loan. The Housing Authority Loan shall be evidenced by the Housing Authority Promissory Note prior to the Closing Date. The current undisbursed balance of the loan as of November 6, 2012 is Six Million Nine Hundred Sixty Thousand Seven Hundred and Nine Dollars and Seventy Two Cents (\$6,960,709.72).

4.17.1 Repayment of Housing Authority Loan. The Housing Authority Promissory Note shall bear simple interest at the rate of one percent (1%) per annum, except in the case of default as hereinafter provided, and shall be repaid on an annual basis from the Project's Residual Receipts as defined in the Housing Authority Promissory Note. The Housing Authority Promissory Note shall be due and payable in full on the date of any Sale or Transfer that occurs after the date of execution of the Housing Authority Promissory Note. The Housing Authority Promissory Note shall be nonrecourse to the Developer, subject to the limitations expressed therein. At such time as the Housing Authority Promissory Note becomes nonrecourse, no deficiency judgment may be obtained against the Developer or any permitted successor or assignee except for fraud, material intentional misrepresentation, intentional bad faith waste of or on the Housing Project and such other matters as are referred to in the Housing Authority Promissory Note. The Housing Authority Promissory Note shall be secured by the Housing Authority Deed of Trust. The parties contemplate that the Housing Authority Deed of Trust shall be subordinated to the deed of trust securing the Construction Loan (and later, to the deed of trust securing the Permanent Loan, if an additional or different deed of trust is used for such purpose).

4.17.2 Disbursement of Housing Authority Loan. Any disbursement of funds is expressly conditioned upon the satisfaction of conditions set forth in this agreement. Housing Authority shall pay Developer the sum specified in Section 4.17 above on a "cost-as-incurred" basis for all eligible approved costs, on a monthly construction draw, under the following schedule:

- (a) No more than thirty percent (30%) of the funds shall be disbursed prior to thirty percent (30%) completion of Project, as certified and documented by the project architect.
- (b) No more than sixty percent (60%) of the funds shall be disbursed prior to sixty percent (60%) completion of Project, as certified and documented by the project architect.
- (c) No more than ninety percent (90%) of the funds shall be disbursed prior to ninety percent (90%) completion of Project, as certified and documented by the project architect.
- (d) Housing Authority shall release final draw down of Housing Authority Loan funds following receipt of all of the items listed in Section 4.15.2.

Disbursement of funds shall be in accordance with the draw schedule above which shall be certified and documented by the project architect. Housing Authority shall retain ten percent (10%) of the total Housing Authority Loan until the Housing Project receives a Certificate of Completion.

4.18 AHP Loan. Developer shall use its best efforts to secure an AHP Loan in the largest amount available and cause the same to be funded at the time of the Permanent Financing Event. In the event that Developer is not able to secure an AHP Loan or if the AHP Loan is in a smaller amount than has been anticipated, the Developer shall be responsible for securing the additional funds necessary to complete the construction of the Housing Project, and may be required to increase the amount of its developer fee loan to the Housing Project.

4.19 Tax Credits. The Developer shall use its best efforts to obtain a preliminary reservation of tax credits from the California Tax Credit Allocation Committee ("TCAC") in the amount of approximately Nine Million One Hundred Thousand Dollars (\$9,100,000) over ten (10) years. Developer's qualification for and participation in the Tax Credit Program in accordance with the terms set forth in this DDA is a condition to the Housing Authority's obligation under this DDA to convey the Site to Developer, and to provide the Housing Authority Financial Assistance to Developer. Housing Authority shall have no responsibilities with respect to Developer's performance of its obligations under the Tax Credit Program, nor shall Housing Authority do anything or fail to do anything it is required by law or this Agreement to do which will adversely affect Developer's performance of its Tax Credit Program obligations. In order to assist Housing Authority in performing its obligations and enforcing its rights under this DDA (with respect to reviewing Developer's Evidence of Financing, insuring the continued affordability and maintenance of the Units, and obtaining payments due under the Housing Authority Promissory Note), Developer agrees to promptly submit to Housing Authority all of the following documents at such time as the same are submitted by Developer to the TCAC or other applicable body or when such documents are received by Developer, as applicable (any documents submitted prior to the Effective Date of this Agreement shall also have been submitted by Developer to Housing Authority and reviewed by Housing Authority prior to the Effective Date of this Agreement):

i) Complete copies of Developer's applications to the TCAC for the preliminary reservation, final reservation, carryover allocation (if applicable), and placed-in-service credit award, and any amendments or modifications thereto.

ii) A complete copy of the regulatory agreement between the TCAC and Developer.

The obligation of Housing Authority to convey the Site to the Developer and to provide the Housing Authority Loan to Developer shall expire upon the earlier of: (1) the Developer's failure to obtain a preliminary reservation of tax credits by the third TCAC Tax Credit Application cycle following the Effective Date of this DDA; (2) expiration or termination of this DDA.

4.20 Housing Project Budget Revisions. The Housing Project Budget, representing Developer's estimate of Development Costs of the Housing Project, has been attached to this DDA as Attachment No. 15. Housing Authority and Developer acknowledge that during construction changes to the final, approved Housing Project Budget may be required. Money expended in one line item of the Housing Project Budget at the completion of the work delineated therein may be transferred to the account and line item for contingencies or, with the consent of the Housing Authority, transferred directly to another account for another line item in the Housing Project Budget. The Housing Authority Executive Director or designee is hereby authorized to act on behalf of the Housing Authority to approve any revisions to the budget plan for the Housing Project excepting for any increases in the amount of moneys to be made available by the Housing Authority for the Housing Project.

Because of the specialized nature of the funding for this Housing Project, unanticipated material increases could constitute a challenge to Housing Project completion and may cause costs to the Housing Project unanticipated in the Housing Project Budget. Should Developer become aware of any such material fact or circumstance which will result in a material increase in the proposed Development Costs for the Housing Project, said amount shall be absorbed out of the contingency funds and/or Developer Fee and/or other funds to be obtained by the Developer.

4.21 Gap Assistance: The parties acknowledge that the Housing Authority Loan is intended to be "gap" assistance, not to exceed the amount needed to bridge the gap between the total Development Costs and the maximum loans obtainable by Developer plus Developer's equity, but in any event not to exceed the respective dollar amounts set forth in the Financing Plan. The proceeds of the Housing Authority Loan shall be used exclusively to pay a portion of the Development Costs as identified in the Housing Project Budget (Attachment No. 15), with the exception of Developer Fees.

4.22 Special Conditions:

1. Should the Developer secure more financing than required to construct the Housing Project, the Housing Authority Loan shall be reduced by the excess amount of additional funding over the final actual total development costs. If the Housing Project is constructed under budget, the Housing Authority Loan shall be reduced by the excess amount of total funding over the final actual total development costs, after reduction of any deferred developer fees.

5. COVENANTS AND RESTRICTIONS

5.1 Use Covenants. Developer covenants and agrees for itself, its successors, assigns, and every successor in interest to the Site or any part thereof, that the Developer shall devote the Site to the uses specified in and shall operate in conformity with: (i) this DDA; (ii) the Housing Authority Regulatory Agreement and (iii) the Housing Authority Grant Deed, whichever is the more restrictive in each case unless expressly provided to contrary effect herein. All uses conducted on the Site,

including, without limitation, all activities undertaken by the Developer pursuant to this DDA, shall conform to all applicable provisions of the County Ordinances, the Redevelopment Plan and the requirements of Health and Safety Code Sections 33334.2 and 33334.3.

5.2 Affordable Housing Requirements.

5.2.1 Number of Assisted Units and Other Units. Developer agrees to make available, restrict occupancy to, and rent all of the Units at Affordable Rent to Extremely Low and Very Low Income Households. The methodology for calculation of permitted rents is more particularly set forth in the Method of Calculation. The Housing Project will consist of an eighty-nine (89) unit multi family affordable housing complex. Thirty-four (34) of the units will be restricted to serve Very Low Income Households and nine (9) of the units will be restricted to serve Extremely Low Income Households (“Assisted Units”).

5.2.2 Duration of Affordability Requirements. The Assisted Units shall be maintained as dwelling units available and rented to Extremely Low and Very Low Income Households throughout the Required Covenant Period, as more particularly set forth in the Housing Authority Regulatory Agreement.

5.2.3 Selection of Renters. Developer agrees to reserve one hundred percent (100%) of the total Assisted Units, for Extremely Low and Very Low Income Households who intend to reside in the Assisted Units as their primary residence (“Qualified Tenants”).

5.2.4 Income of Tenants. Each tenant renting an Assisted Unit shall be a Qualified Household which meets the eligibility requirements established for the corresponding unit, and Developer shall obtain a certification from each prospective tenant which substantiates such fact. Developer shall verify the income certification of each renter as set forth in Section 5.3 hereof.

5.2.5 Determination of Affordable Rent for Assisted Units. Each required Assisted Unit shall be rented or leased at an “Affordable Rent” to be established as provided herein:

(a) The maximum monthly rent for the Required Affordable Units to be rented to Extremely Low Income Households shall be established at one-twelfth (1/12) of thirty percent (30%) of thirty percent (30%) of Median Income for the Area for a household of a size appropriate to the housing unit.

(b) The maximum monthly rent for the Required Affordable Units to be rented to Very Low Income Households shall be established at one-twelfth (1/12) of thirty percent (30%) of fifty percent (50%) of Median Income for the Area for a household of a size appropriate to the housing unit.

“Household size appropriate to the unit,” for the purpose of the calculation of rents herein (and without regard to actual occupancy), means a three person household for a two-bedroom unit, a four person household for a three-bedroom unit.

The maximum monthly housing cost of the Required Affordable Units shall be adjusted annually by the formula set forth above upon the promulgation of revised figures concerning Median Income for the Area by regulation of the California Department of Housing and Community Development (“HCD”). Notwithstanding the foregoing portion of this Section 5.2.5, it

is agreed and acknowledged that for so long as the Tax Credit Regulatory Agreement is in effect, in each case where lower rents are required by the Tax Credit Regulatory Agreement, then rents shall be at such lower rent amounts.

5.3 Verifications.

5.3.1 Income Verification. Developer shall verify the income of each proposed and existing renter of the Required Assisted Units.

5.3.2 Annual Reports. Following the issuance of the Certificate of Completion, and on or before March 15 of each Year, Developer, at its expense, shall submit to Housing Authority or its designee the reports required pursuant to Health and Safety Code Section 33418, as the same may be amended from time to time, with each such report to be in the form prescribed by Housing Authority. Each annual report shall include the annual audit of the Developer and the budget for the coming year.

Throughout the Required Covenant Period, Developer shall maintain on file rental/lease agreements, comply with all applicable recordkeeping and monitoring requirements set forth in Health and Safety Code Section 33418. Representatives of the Housing Authority shall be entitled to enter the Housing Project during normal business hours, upon at least seventy-two (72) hours prior written notice, to monitor compliance with this DDA, to inspect the records of the Housing Project, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the Housing Authority in making the Housing Project available for such inspection or audit. Developer agrees to maintain records in businesslike manner, and to maintain such records for the term of this DDA.

As part of its annual budget, the Developer shall include a statement of amounts payable by Developer under this DDA (including the Housing Authority Promissory Note) supported by an Audited Financial Statement (prepared by an independent accounting firm reasonable acceptable to the Housing Authority) which sets forth information in detail sufficient for adequate review by the Housing Authority for the purposes of confirming those amounts payable by the Developer to the Housing Authority as well as showing the general financial performance of the Affordable Housing Project ("Annual Financial Report"). Each Annual Financial Report shall include a profit and loss statement showing gross revenues, operating expenses, debt service, operating reserve, cash receipts, and such other information as may be requested by the Housing Authority reasonably related to the Housing Project and its economic performance, all certified by the Audited Financial Statement. In the event the amounts reported or paid deviate by ten percent (10%) or more from that amount determined to be owing upon review of the Developer's submittal, Developer shall reimburse Housing Authority for its cost to review (which may require engagement of auditors) and collect the amounts owing; such amounts shall, until paid, be added to the amount payable by Developer to Housing Authority under Section 2.5 hereof.

5.4 Maintenance of Site. Developer agrees for itself and its successors in interest to the Site, to maintain the improvements on the Site in conformity with the County Ordinances and the conditions set forth in the Housing Authority Regulatory Agreement and, if applicable, the Tax Credit Regulatory Agreement and, shall keep the Site free from any accumulation of debris or waste materials. During such period, the Developer shall also maintain the landscaping planted on the Site in a healthy condition.

5.5 Nondiscrimination Covenants. Developer covenants by and for itself and any successors in interest that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.

Developer shall refrain from restricting the rental, sale or lease of the Site on the basis of race, color, religion, sex, marital status, disability, source of income, sexual orientation, familial status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

In deeds: “The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those basis are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

In leases: “The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

“That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.”

In contracts: “There shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises which are the subject of this DDA, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the

selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

5.6 Effect of Violation of the Terms and Provisions of this DDA After Completion of Construction. Housing Authority is deemed the beneficiary of the terms and provisions of this DDA and of the covenants running with the land, for and in its own right and for the purposes of protecting the interests of the community and other parties, public or private, in whose favor and for whose benefit this DDA and the covenants running with the land have been provided, without regard to whether Housing Authority has been, remains or is an owner of any land or interest therein in the Site or in the Project Area of the Redevelopment Plan. Following issuance of the Certificate of Completion, the provisions of this DDA pertaining to development of the Improvements will be deemed satisfied, but the Housing Authority shall have rights to enforce the provisions of the Housing Authority Regulatory Agreement, the Tax Credit Regulatory Agreement and the Housing Authority Grant Deed, as provided thereunder.

5.7 Rights of Access - Public Improvements and Facilities. The Housing Authority, for itself and for the County and other public agencies, at their sole risk and expense, reserves the right to enter the Housing Project or any part thereof at all reasonable times and causing as little interference as possible, for the purposes of construction, reconstruction, maintenance, repair or service of any public improvements or public facilities located on the Site and, as necessary, to monitor the Housing Project’s compliance with the provisions of this DDA and the Housing Authority Regulatory Agreement. Except in the case of emergency, any such entry shall be made only after reasonable notice to Developer, and the Housing Authority shall indemnify and hold Developer harmless from any claims or liabilities pertaining to such entry. Any damage or injury to the Housing Project resulting from such entry shall be promptly repaired at the sole expense of the public agency responsible for the entry.

5.8 Management Plan. Not less than three months prior to the anticipated date of completion of the Housing Project, Developer shall submit to the Housing Authority a management plan reasonably acceptable to the Housing Authority, describing the proposed plans for managing and operating the Housing Project (the “Management Plan”). Approval of the Management Plan by the Housing Authority shall be a condition precedent to the Permanent Financing Event. Developer shall manage and operate the Housing Project, or shall cause the Housing Project to be managed and operated by a manager experienced in operating projects like the Housing Project and reasonably acceptable to the Housing Authority, in accordance with the approved Management Plan, including such amendments as may be approved in writing thereto from time to time by the Developer and the Housing Authority.

5.9 Annual Operating Budget. Developer shall submit on or before the first day of each fiscal year during the time that the Regulatory Agreement is in effect an estimated annual budget for management of the Housing Project, in accordance with the approved Management Plan (the “Annual Operating Budget”). The Annual Operating Budget shall include all necessary operating expenses, current maintenance charges, expenses of reasonable upkeep and repairs, taxes and special assessment levies, and all operating expenses, and shall show the expected revenues to pay such expenses.

5.10 Social Services. At all times during the Required Covenant Period, Developer shall provide, or cause to be provided, activities and programs appropriate to the needs of the residents of

the Housing Project, with the selection of such activities and programs to be determined by Developer in collaboration with the residents of the Housing Project.

5.11 Prohibited Uses. None of the Housing Units in the Housing Project shall at any time be utilized nor shall the Housing Project or any portion thereof ever be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium or rest home.

5.12 Inclusionary Housing Requirements. The income and rent restrictions provided for hereunder are intended and shall be maintained in a manner sufficient to satisfy the requirements of Health and Safety Code Section 33413(b).

6. DEVELOPER'S GENERAL REPRESENTATIONS AND WARRANTIES.

As a material inducement to Housing Authority to enter into this DDA, Developer represents and warrants to Housing Authority that:

6.1 Formation, Qualification and Compliance. Developer (a) is a California limited partnership validly existing and in good standing under the laws of the State of California; (b) has all requisite and the authority to conduct its business and own, purchase, improve and sell its properties, (c) is in compliance in all material respects with all laws applicable to its business and has obtained all approvals, licenses, exemptions and other authorizations from, and has accomplished all filings, registrations and qualifications with any governmental agency that are necessary for the transaction of its business; (d) Developer has and will in the future duly authorize, execute and deliver this DDA and any and all other agreements and documents required to be executed and delivered by the Developer in order to carry out, give effect to, and consummate the transactions contemplated by this DDA; (e) Developer does not have any material contingent obligations or any material contractual agreements which could materially adversely affect the ability of the Developer to carry out its obligations hereunder; (f) there are no material pending or, so far as is known to the Developer, threatened, legal proceedings to which the Developer is or may be made a party or to which any of its property is or may become subject, which have not been fully disclosed by the Developer to the Housing Authority in this DDA which could materially adversely affect the ability of the Developer to carry out its obligations hereunder; and (g) there is no action or proceeding pending or, to the Developer's best knowledge, threatened, looking toward the dissolution or liquidation of the Developer and there is no action or proceeding pending or, to the Developer's best knowledge, threatened by or against the Developer which could affect the validity and enforceability of the terms of this DDA, or materially and adversely affect the ability of the Developer to carry out its obligations hereunder.

Each of the foregoing items (a) to (g), inclusive, shall be deemed to be an ongoing representation and warranty. The Developer shall advise the Housing Authority in writing if there is any change pertaining to any matters set forth or referenced in the foregoing items (a) to (g), inclusive.

6.2 Execution and Performance of Project Documents. Developer has all requisite authority to execute and perform its obligations under the Project Documents. The execution and delivery by Developer of, and the performance by Developer of its obligations under, each Project Document has been authorized by all necessary action and do not and will not violate any provision

of, or require any consent or approval not heretofore obtained under, any articles of incorporation, by-laws or other governing document applicable to Developer.

6.3 Covenant Not to Transfer Except in Conformity. Prior to the issuance of the Certificate of Completion, except as may be permitted by the express provisions hereof, the Developer shall not sell, lease, or otherwise transfer or convey all or any part of the Site, or any interest therein, unless the Developer has first obtained the prior written consent of the Housing Authority, which consent may be granted or refused in the Housing Authority's sole and absolute discretion. In addition, Developer's limited partner and any successor thereto, may, without the prior consent of the Housing Authority and except as set forth in the senior permitted liens, sell, transfer, assign, pledge, hypothecate, and encumber some or all of its partnership interests in the Developer and the same shall not be a violation of this DDA. Moreover, Developer's limited partner and any successor thereto, shall have the right, without the prior consent of the Housing Authority and except as set for in the senior permitted liens, to remove any or all of Developer's general partners for cause as permitted under Developer's limited partnership agreement and replace any or all removed general partners with a person or entity determined in the limited partner's sole discretion. Any sale, lease, transfer or conveyance without such consent, except as otherwise allowed under this section shall, at Housing Authority's option, be void. A change in ownership of the Developer resulting in the individuals executing this DDA on behalf of Developer retaining less than fifty-one percent (51%) ownership of all outstanding shares of Developer shall be deemed to violate this Section 6.3.

7. DEFAULTS, REMEDIES, AND TERMINATION.

7.1 Default Remedies. Subject to the extensions of time set forth in Section 7.10 of this DDA, failure by either party to perform any action or covenant required by this DDA within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this DDA. A party claiming a Default shall give written notice of Default to the other party specifying the Default.

(a) If a monetary event of default occurs, prior to exercising any remedies hereunder, the injured party shall give the party in default written notice of such default. The party in default shall have a period of seven (7) days after such notice is given within which to cure the default prior to exercise of remedies by the injured party.

(b) If a non-monetary event of default occurs, prior to exercising any remedies hereunder, the injured party shall give the party in default notice of such default. If the default is reasonably capable of being cured within thirty (30) days, the party in default shall have such period to effect a cure prior to exercise of remedies by the injured party. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and the party in default (i) initiates corrective action within said period, and (ii) diligently, continually, and in good faith works to effect a cure as soon as possible, then the party in default shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by the injured party. If Developer fails to take corrective action or cure the default within a reasonable time, the Housing Authority shall give Developer and, as provided in paragraph (c) below, the entity that will purchase the Tax Credit ("Investor Limited Partner"), notice thereof, whereupon the Investor Limited Partner may remove and replace the general partner of the Tax Credit Limited Partnership with a substitute general partner, who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. The Housing Authority agrees to accept cures tendered by the Investor Limited Partner within the cure periods provided in this DDA or within the time periods provided in

Civil Code Section 2924c, whichever is longer. Additionally, in the event the Investor Limited Partner is precluded from curing a non monetary default due to an inability to remove the general partner as a result of a bankruptcy, injunction, or similar proceeding by or against Developer or such general partner, the Housing Authority agrees to forbear from completing a foreclosure (judicial or nonjudicial) during the period during which the Investor Limited Partner is so precluded from acting, not to exceed ninety (90) days, provided such Investor Limited Partner is otherwise in compliance with the foregoing provisions. In no event shall the injured party be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within ninety (90) days after the first notice of default is given.

(c) After Developer gives written notice to Housing Authority that the Investor Limited Partner has been admitted to the Developer, Housing Authority shall send to the Investor Limited Partner a copy of all notices of default and all other notices that Housing Authority sends to Developer, at the address for the Investor Limited Partner as provided by written notice to Housing Authority by Developer.

7.2 Institution of Legal Actions. In addition to any other rights or remedies and subject to the restrictions otherwise set forth in this DDA, any party may institute an action at law or equity to seek specific performance of the terms of this DDA, or to cure, correct or remedy any Default, to recover damages for any Default, or to obtain any other remedy consistent with the purpose of this DDA. Such legal actions must be instituted in the Superior Court of the County of Riverside, State of California, in an appropriate court in that county.

7.3 Termination by the Developer. In the event that: (i) the Developer is not in default under this DDA and Housing Authority does not execute the Housing Authority Grant Deed and attempt to convey the Site to the Developer in the manner and condition and by the date provided in this DDA; (ii) the Developer is not in default of this DDA and the Developer disapproves the Inspections on or before the Inspection Deadline; (iii) in the event of any default of Housing Authority prior to the Conveyance which is not cured within the time set forth in Section 7.1 hereof, and any such failure is not cured within the applicable time period after written demand by the Developer; or (iv) the Developer Conditions Precedent are not satisfied on or before the time set forth in the Schedule of Performance, and such failure is not caused by Developer; then this DDA may, at the option of the Developer, be terminated by Notice thereof to Housing Authority; provided that the Developer shall have delivered to the Housing Authority the documents required to be delivered to the Housing Authority pursuant to Section 4.15.8 of this DDA. From the date of the Notice of termination of this DDA by the Developer to Housing Authority and thereafter, this DDA shall be deemed terminated and there shall be no further rights or obligations among the parties.

7.4 Termination by Housing Authority. Housing Authority may terminate this DDA by notice to Developer if prior to the time established in the Schedule of Performance for the satisfaction of the Housing Authority Conditions Precedent any of the following occur, subject to the notice and cure provisions of Section 7.1 hereof:

7.4.1 Developer (or any successor in interest) assigns this DDA or any rights therein or in the Site in violation of this DDA; or

7.4.2 Developer does not fulfill the Housing Authority Conditions Precedent and such failure is not caused by Housing Authority; or

7.4.3 Developer fails to execute (as covenantor or maker) the Housing Authority Regulatory Agreement, the Housing Authority Grant Deed, Housing Authority Deed of Trust or the Housing Authority Promissory Note; or

7.4.4 The Developer fails to perform as outlined within the time specified in the Schedule of Performance, or any mutually agreeable extension thereof; or

7.4.5 Developer fails to provide satisfactory evidence of financing to the Housing Authority within the time specified in the Schedule of Performance for the satisfaction of the Housing Authority Conditions Precedent; or

7.4.6 Developer does not fulfill one or more of the Conditions Precedent to Closing which is capable of being satisfied by Developer on or before the time set forth in the Schedule of Performance, and such Condition Precedent is not satisfied after notice and an opportunity to cure as provided in Section 7.4.7 below; or

7.4.7 Developer is otherwise in default of any material provision of this DDA and fails to cure such default within the time set forth in Section 7.1 hereof, then this DDA and any rights of the Developer or any assignee or transferee with respect to or arising out of the DDA or the Site, shall, at the option of Housing Authority, be terminated by Housing Authority by Notice thereof to the Developer. From the date of the Notice of termination of this DDA by Housing Authority to the Developer and thereafter this DDA shall be deemed terminated and there shall be no further rights or obligations among the parties, except that Housing Authority may pursue any remedies it has hereunder; or

7.4.8 Developer is not able to secure a Tax Credit Allocation within the time permitted under this DDA.

7.5 **Acceptance of Service of Process.** In the event that any legal action is commenced against the Housing Authority, service of process on the Housing Authority shall be made by personal service upon the Executive Director or in such other manner as may be provided by law. In the event that any legal action is commenced against the Developer, service of process on the Developer shall be made in such manner as may be provided by law and shall be effective whether served inside or outside of California.

7.6 **Rights and Remedies Are Cumulative.** Except as otherwise expressly stated in this DDA, the rights and remedies of the parties are cumulative, and the exercise by a party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by another party.

7.7 **Inaction Not a Waiver of Default.** Any failures or delays by either party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

7.8 **Applicable Law.** The laws of the State of California shall govern the interpretation and enforcement of this DDA.

7.9 Enforced Delay; Extension of Times of Performance. In addition to specific provisions of this DDA, performance by any party hereunder shall not be deemed to be in Default, and all performance and other dates specified in this DDA shall be extended, where delays or Defaults are due to: war; insurrection; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; acts or omissions of another party, or acts or failures to act of the County or any other public or governmental agency or entity (excepting that acts or failures to act of Housing Authority or County shall not excuse performance by Housing Authority or County). Notwithstanding anything to the contrary in this DDA, an extension of time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Times of performance under this DDA may also be extended in writing by the mutual agreement of Housing Authority and Developer. The Housing Authority Executive Director shall have the authority to approve extensions on behalf of Housing Authority to approve extensions of time not to exceed a cumulative total of one hundred eighty (180) days. The failure of the Developer to obtain financing for the development of the Housing Project shall not constitute grounds for enforced delay hereunder.

7.10 Transfers of Interest in DDA or of Site. Section 7.10, and all subsections of this Section 7.10, shall apply to all Transfers. Additionally, any Transfers occurring or proposed after the Conveyance of the Site are subject to the provisions therefore of the Housing Authority Regulatory Agreement and, if applicable, and the Tax Credit Regulatory Agreement.

7.10.1 Prohibition. The qualifications and identity of the Developer are of particular concern to Housing Authority. It is because of those qualifications and identity that Housing Authority has entered into this DDA with the Developer. Until the completion of the Improvements, no voluntary or involuntary successor in interest of the Developer shall acquire any rights or powers under this DDA, nor shall the Developer make any total or partial sale, transfer, conveyance, assignment, subdivision, refinancing or lease of the whole or any part of the Site or the Development thereon (excepting the rental of Units in conformity with this DDA) without prior written approval of Housing Authority, except as otherwise allowed under Section 6.3.

7.10.2 Permitted Transfers. Notwithstanding any other provision of this DDA to the contrary, the Housing Authority shall not unreasonably withhold its approval of an assignment of this DDA or conveyance of the Site, or any part thereof, in connection with any of the following:

(a) Any Transfers to an entity or entities in which the Developer retains a minimum of fifty-one percent (51%) of the ownership or beneficial interest and retains management and control of the transferee entity or entities.

(b) The conveyance or dedication of any portion of the Site to the County or other appropriate governmental agency, or the granting of easements or permits to facilitate construction of the Development.

In the event of a proposed assignment by Developer under subparagraph 7.11.2, Developer agrees that at least thirty (30) days prior to such assignment it shall give written notice to Housing Authority including a request for approval of such assignment and satisfactory evidence that the assignee has assumed jointly with Developer the Obligations of this DDA. In addition, no consent of the Housing Authority shall be required in connection with the transfer of the Site that

occurs by foreclosure or deed in lieu of foreclosure of any Permitted Senior Lien to respective holder thereof or to their nominees or assignees exclusive of the Developer.

7.10.3 [Intentionally Omitted]

7.10.4 Successors and Assigns. All of the terms, covenants and conditions of this DDA shall be binding upon the Developer and its permitted successors and assigns. Whenever the term "Developer" is used in this DDA, such term shall include any other permitted successors and assigns as herein provided.

7.10.5 Assignment by Housing Authority. Housing Authority may assign or transfer any of its rights or obligations under this DDA with the approval of the Developer, which approval shall not be unreasonably withheld; provided, however, that Housing Authority may assign or transfer any of its interests hereunder to the County at any time without the consent of the Developer.

7.11 Right of Reverter.

Housing Authority shall have the right, at its option, to reenter and take possession of the Site or any portion thereof with all improvements thereon and to terminate and re-vest in Housing Authority the estate conveyed to Developer, if Developer (or his successors in interest) shall, prior to the County's issuance of a certificate of occupancy for the Housing Project:

7.11.1 Fail to commence construction of the Improvements as required by this DDA, if such failure is in violation of the Schedule of Performance (Attachment No. 3) for a period of sixty (60) calendar days, subject to enforced delays pursuant to Section 7.9 hereof, provided that Developer shall not have obtained an extension of postponement to which Developer may be entitled pursuant to this DDA; or

7.11.2 Abandon or substantially suspend construction of the Improvements for a period of thirty (30) calendar days after written notice of such abandonment or suspension from Housing Authority, provided that Developer shall not have obtained an extension of time to which Developer may be entitled pursuant to this DDA; or

7.11.3 Assign or attempt to assign this DDA, or any rights herein, or transfer, or suffer any involuntary transfer of site, or any part hereof, in violation of this DDA, and such violation shall not be cured within thirty (30) calendar days after the date of sending of written notice thereof by Housing Authority to Developer; or

7.11.4 The right to re-enter, repossess, terminate, and re-vest shall be subject to, and be limited by, and shall not defeat, render invalid, or limit:

1. Any mortgage, deed of trust, or other security interest permitted by this DDA (and Housing Authority agrees to make such further assurances thereof as may be reasonably requested by holders of such interests); or

2. Any rights or interest provided in this DDA for the protection of the holders of such mortgages, deeds of trust, or other security interest. Upon the re-

vesting in Housing Authority possession of any portion of the Site, or any part thereof, as provided in this section, Housing Authority, shall pursuant to its responsibilities under state law, use its best efforts to release, or resell the Site, or any part thereof, as soon and in such manner as Housing Authority shall find feasible, to a qualified and responsible party or parties (as determined by Housing Authority), who will assume the obligation of making or completing the Improvements or maintaining or occupying the applicable portion of the Site, as applicable, as shall be satisfactory to Housing Authority and in accordance with the terms of this DDA.

7.12 Non-Liability of Officials and Employees of Housing Authority. No member, official, officer or employee of Housing Authority or the County shall be personally liable to the Developer, or any successor in interest, in the event of any Default or breach by Housing Authority (or the County) or for any amount which may become due to the Developer or its successors, or on any obligations under the terms of this DDA.

7.13 Relationship Between Housing Authority and Developer. It is hereby acknowledged that the relationship among the Housing Authority and Developer is not that of a partnership or joint venture and that Housing Authority and Developer shall not be deemed or construed for any purpose to be the agent of the other. Accordingly, except as expressly provided in this DDA, including the Attachments hereto, neither the Housing Authority nor the County shall have no rights, powers, duties or obligations with respect to the development, operation, maintenance or management of the Development.

7.14 Housing Authority Approvals and Actions. Whenever a reference is made herein to an action or approval to be undertaken by the Housing Authority, the Executive Director is authorized to act on behalf of the Housing Authority except to increase the Housing Authority Loan amount or unless specifically provided otherwise or the law otherwise requires.

7.15 Real Estate Brokers. Housing Authority and Developer each represent and warrant to each other that no broker or finder is entitled to any commission or finder's fee in connection with this transaction and each agrees to defend and hold harmless the other from any claim to any such commission or fee resulting from any action on its part.

7.16 Attorneys' Fees. In any action among the parties to interpret, enforce, reform, modify, rescind, or otherwise in connection with any of the terms or provisions of this DDA, the prevailing party in the action shall be entitled, in addition to any other relief to which it might be entitled, reasonable costs and expenses including, without limitation, litigation costs and reasonable attorneys' fees.

8. MISCELLANEOUS

8.1 Obligations Unconditional and Independent. Notwithstanding the existence at any time of any obligation or liability of Housing Authority to Developer, or any other claim by Developer against Housing Authority, in connection with the Site or otherwise, Developer hereby waives any right it might otherwise have (a) to offset any such obligation, liability or claim against Developer's obligations under this DDA (including without limitation the attachments hereto), or

(b) to claim that the existence of any such outstanding obligation, liability or claim excuses the nonperformance by Developer of any of its obligations under the Project Documents.

8.2 Notices. All notices, demands, approvals and other communications provided for in the Project Documents shall be in writing and be delivered to the appropriate party at its address as follows:

If to Developer:	JHC-Highgrove, LLC c/o Jamboree Housing Corporation 17701 Cowan Street, Suite 200 Irvine, California 92614-6840 Attention: Laura Archuleta, President
And to:	IEPP-Highgrove LLC c/o Portrait Homes, Inc. 265 N. Joy Street #200 Corona, California 92879 Attention: Avi Shah, Chief Financial Officer
And to:	IEPP-Highgrove LLC c/o Workforce Homebuilders LLC 546 Via Zapata Riverside, CA 92507 Attention: D. Anthony Mize, Managing Member
And to:	RBC Tax Credit Equity, LLC 600 Superior Avenue, Suite 2300 Cleveland, Ohio 44114 Attention: President and General Counsel
If to Housing Authority:	Housing Authority of the County of Riverside 5555 Arlington Avenue Riverside, CA 92504 Attn: Deputy Executive Director

Addresses for notice may be changed from time to time by written notice to all other parties. All communications shall be effective when actually received; provided, however, that nonreceipt of any communication as the result of a change of address of which the sending party was not notified or as the result of a refusal to accept delivery shall be deemed receipt of such communication. Notice may be given by legal counsel for a party with the same effect as if the notice had been given by the party.

8.3 Survival of Representations and Warranties. All representations and warranties in the Project Documents shall survive the Closing and the sale of the Required Assisted Units and have been or will be relied on by Housing Authority notwithstanding any investigation made by Housing Authority.

8.4 No Third Parties Benefited Except for County; AB 987. This DDA is made for the purpose of setting forth rights and obligations of Developer and Housing Authority, and no other

person (except for the County) shall have any rights hereunder or by reason hereof. Except for the County, which shall be deemed to be a third party beneficiary of this DDA (including without limitation the Attachments hereto), there shall be no third party beneficiaries of this DDA. Developer acknowledges that pursuant to AB 987 and the amendments to Health and Safety Code Section 33334.3 made effective as of January 1, 2008 by that bill, violations of the covenants, conditions and restrictions relating to affordable housing contained in the Housing Authority Regulatory Agreement may now be enforceable not only by the Housing Authority and the County, but also by each of the persons and/or entities listed in Section 33334.3(f)(7) of the Health and Safety Code, specifically (1) residents of affordable units subject to covenants recorded pursuant to Health and Safety Code Section 33334.3(f)(1) (each, a "Covenanted Unit"), (2) the most recent former residents of such a Covenanted Unit, (3) applicants that are Qualified Households that are denied occupancy of such a Covenanted Unit, and (4) persons that are Qualified Households and who are on a waiting list for occupancy of such a Covenanted Unit. Nothing in this Section 8.4 or this DDA (including the Attachments hereto) is intended to provide an enforcement right to any person or entity not specifically made an intended third party beneficiary of this DDA; any such third party shall be limited in their right to enforce affordability restrictions to the extent provided by Health and Safety Code Section 33334.3(f).

8.5 Inspection of Books and Records. The Developer shall maintain at a location in or near Riverside County complete, accurate, and current records pertaining to the Site and the Housing Project for a period of five (5) years after the creation of such records (and continuing until the fifth anniversary of the last day of the Required Covenant Period), and shall permit any duly authorized representative of the Housing Authority or the County to inspect and copy records, during regular business hours. Records must be kept accurate and current.

8.6 Approvals. Approvals required of the Housing Authority or the Developer shall not be unreasonably withheld or delayed.

8.7 Binding Effect; Assignment of Obligations. This DDA shall bind, and shall inure to the benefit of, Developer and Housing Authority and their respective successors and assigns. Developer shall not assign any of its rights or obligations under any Project Document without the prior written consent of the Housing Authority, which consent may be withheld in the Housing Authority's sole and absolute discretion. Any such assignment without such consent shall, at Housing Authority's option, be void. In connection with the foregoing consent requirement, Developer acknowledges that Housing Authority relied upon Developer's particular expertise in entering this DDA and continues to rely on such expertise to ensure the satisfactory completion of the Improvements and the use of the Required Assisted Units in conformity with this DDA.

8.8 Counterparts. Any Project Document may be executed in counterparts, all of which, taken together, shall be deemed to be one and the same document.

8.9 Prior Agreements; Amendments; Consents. This Amended and Restated Disposition and Development Agreement (together with the other Project Documents) contains the entire agreement between Housing Authority and Developer with respect to the Site, and all prior negotiations, understandings and agreements with respect to such matters are superseded by this Amended and Restated Disposition and Development Agreement and such other Project Documents. Specifically, this Amended and Restated Disposition and Development Agreement replaces and supersedes the Original DDA, which shall be of no further force or effect as of the date hereof. Notwithstanding the Housing Authority's assumption of the Agency's right, title and interest under

the Original DDA, the Housing Authority approves this Amended and Restated Disposition and Development Agreement independent of any past actions of the Agency in its approval of the Original DDA. No procedural defects in the Agency's adoption of the Original DDA or invalidity of the Original DDA shall invalidate or otherwise affect the Housing Authority's approval of this Amended and Restated Disposition and Development Agreement as a separate and independent obligation of the Housing Authority.

Notwithstanding the foregoing, however, (i) all monies disbursed by the Housing Authority in connection with the Pre-Development loan under the ENA shall be deemed to be disbursements under the Housing Authority Loan and Promissory Note and shall be credited toward Housing Authority's responsibility to disburse funds thereunder, and (ii) if this Amended and Restated Disposition and Development Agreement is not carried out but through no fault of Developer, the provisions of the ENA regarding Developer's obligation to repay the Pre-Development loan shall remain in full force and effect. No modification of any Project Document (including waivers of rights and conditions) shall be effective unless in writing and signed by the party against whom enforcement of such modification is sought, and then only in the specific instance and for the specific purpose given. This Amended and Restated Disposition and Development Agreement is executed in three (3) duplicate originals, each of which is deemed to be an original but all of which together shall constitute one and the same instrument.

This Amended and Restated Disposition and Development Agreement integrates all of the terms and conditions mentioned herein or incidental hereto, and supersedes all negotiations or previous agreements between the parties or their predecessors in interest with respect to all or any part of the subject matter hereof.

All waivers of the provisions of this Amended and Restated Disposition and Development Agreement must be in writing by the appropriate authorities of the Housing Authority and the Developer, and all amendments hereto must be in writing by the appropriate authorities of the Housing Authority and the Developer.

8.10 Governing Law. All of the Project Documents shall be governed by, and construed and enforced in accordance with, the laws of the State of California. Developer irrevocably and unconditionally submits to the jurisdiction of the Superior Court of the State of California for the County of Riverside or the United States District Court of the Central District of California, as Housing Authority may deem appropriate, in connection with any legal action or proceeding arising out of or relating to this DDA or the other Project Documents. Assuming proper service of process, Developer also waives any objection regarding personal or in rem jurisdiction or venue.

8.11 Severability of Provisions. No provision of any Project Document that is held to be unenforceable or invalid shall affect the remaining provisions, and to this end all provisions of the Project Documents are hereby declared to be severable.

8.12 Headings. Article and section headings are included in the Project Documents for convenience of reference only and shall not be used in construing the Project Documents.

8.13 Conflicts. In the event of any conflict between the provisions of this DDA and those of any other Project Document, this DDA shall prevail; provided however that, with respect to any matter addressed in both such documents, the fact that one document provides for greater, lesser or

different rights or obligations than the other shall not be deemed a conflict unless the applicable provisions are inconsistent and could not be simultaneously enforced or performed.

8.14 Time of the Essence. Time is of the essence of all of the Project Documents.

8.15 Conflict of Interest. No member, official or employee of Housing Authority shall have any direct or indirect interest in this DDA, nor participate in any decision relating to the DDA which is prohibited by law.

8.16 Warranty Against Payment of Consideration. Developer warrants that it has not paid or given, and will not pay or give, any third person any money or other consideration for obtaining this DDA.

LAND USE RESTRICTIONS; IMPROVEMENTS

Section 1. Uses. The Developer shall develop the approved Housing Project on the Site in conformity with the DDA. Thereafter, the Site shall be operated as an Affordable Housing Project and devoted only to the uses specified in the DDA, the Tax Credit Regulatory Agreement and this Regulatory Agreement for the periods of time specified herein. All uses conducted on the Site, including, without limitation, all activities undertaken by the Developer pursuant to the DDA, shall conform to all applicable provisions of the County Ordinances and the County Approvals.

The Site shall be used, maintained and operated in accordance with the DDA. None of the units in the Housing Project shall at any time be utilized on a transient basis nor shall the Housing Project or any portion thereof ever be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer court or park. No part of the Site, from the date the Developer acquired its interest in the Site, has been or will at any time be owned or used as a cooperative housing corporation or a community apartment project or a stock cooperative.

Developer agrees to reserve forty-three (43) of the total rental units, for Extremely Low to Very Low Income households. Such units (“Assisted Units”) shall be limited to Extremely Low to Very Low-Income households that do not exceed fifty percent (50%) of the area median

income for the County, adjusted by family size at the time occupancy, as defined by California Health and Safety Code Sections 50079.5 and 50105.

Section 2. Affordable Housing.

Number of Units. Throughout the Required Covenant Period, a total of forty-three (43) shall be restricted. Thirty-four (34) of the units will be restricted to Very Low Income Households, and nine (9) of the units will be restricted to Extremely Low Income Households. Required Assisted Units shall be continuously occupied by or held available for occupancy by Qualified Tenants at Affordable Rent. All Assisted Units shall be rented at Affordable Rent. For this purpose, a tenant who qualifies as a Extremely Low or Very Low Income Household at the time he or she first occupies an Assisted Unit shall be deemed to continue to be so qualified until such time as a recertification of such individual's or family's income in accordance with Section 3 below demonstrates that such individual or family no longer qualifies as a Qualified Household. Moreover, a unit previously occupied by an Extremely Low or Very Low Household, and then vacated shall be considered occupied by such Qualified Household until reoccupied, other than for a temporary period, at which time the character of the unit shall be redetermined. In no event shall such temporary period exceed thirty-one (31) days.

At such time as a tenant ceases to qualify as a Qualified Household, the unit occupied by such tenant shall cease to be a Qualified Household. The Developer shall replace each such Required Assisted Unit by designating the next available unit and any necessary units thereafter as a Extremely Low or Very Low Income Unit. For purposes of this DDA, such designated unit will be considered a Required Assisted Unit if it is held vacant and available for occupancy by an Extremely Low or Very Low Income Household, and, upon occupancy, the income eligibility of the tenant as a Extremely Low or Very Low Income Household is verified and the unit is rented at Affordable Rent. One two bedroom unit shall be designated as a manager's unit.

In the event a household's income initially complies with the corresponding income restriction for a Required Assisted Unit but the income of such household increases, such increase shall not be deemed to result in a violation of the restrictions of this Regulatory Agreement concerning limitations upon income of occupants, provided that the occupancy by such household is for a reasonable time of not to exceed one year (measured from the time the income of the household ceases to qualify at the designated affordability level). The Developer shall include in its rental agreements provisions which implement this requirement and limitation, and the Developer shall expressly inform prospective renters as to this limitation prior to the commencement of a tenancy. So long as the Housing Project is subject to the Tax Credit Regulatory Agreement, the provisions thereof shall govern the disposition of such over income household.

Duration of Affordability Requirements. The Required Assisted Units shall be available to and occupied by Extremely Low to Very Low Income Households at Affordable Rent throughout the Required Covenant Period. All tenants residing in the Assisted Units during the last one (1) year of the Required Covenant Period shall be given notice by the Developer at least once every six (6) months prior to the expiration date of this requirement, that the rent payable on the Assisted Unit may be raised to a market rate rent at the end of the Required Covenant Period.

Selection of Tenants. As specified herein below, Developer shall demonstrate to the Housing Authority that the proposed tenants of each of the Required Assisted Units constitutes a Extremely Low or Very Low Income Household.

Prior to the rental or lease of an Required Assisted Unit to a tenant, and as set forth in this Section 2 of Article II of this Declaration, the Developer shall require the tenant to execute a written lease and to complete an Income Verification certifying that the tenant(s) occupying the Required Assisted Unit is/are a Extremely Low or Very Low Income Household and meet(s) the eligibility requirements established for the Required Assisted Unit. The Developer shall verify the income of the tenant(s).

The Developer shall accept as tenants on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the United States Housing Act of 1937, or its successor. The Developer shall not apply selection criteria to Section 8 certificate holders which are more burdensome than criteria applied to any other prospective tenants.

Determination of Affordable Rent for the Assisted Units. The Assisted Units shall be rented or leased at Affordable Rent. As of the approval of the DDA, Affordable Rent is calculated in accordance with the Calculation of Affordable Rent. The maximum monthly rental for the Assisted Unit shall be adjusted annually as permitted pursuant to the Calculation of Affordable Rent.

THE DEVELOPER UNDERSTANDS AND KNOWINGLY AGREES THAT THE MAXIMUM RENTAL FOR THE ASSISTED UNITS ESTABLISHED BY THE DDA, AND THIS REGULATORY AGREEMENT IS SUBSTANTIALLY BELOW THE FAIR MARKET RENT FOR THE ASSISTED UNITS.

Section 3. Developer Verification and Program Compliance.

Income Verification and Certification. The Developer will obtain and maintain on file an Income Verification from each tenant, dated immediately prior to the initial occupancy of such tenant in the Housing Project and should obtain a recertification of income on the anniversary date thereof for each year the tenant remains in occupancy of the Housing Project.

On March 31st commencing the year in which the Certificate of Completion is issued and annually thereafter each March during the Required Covenant Period, the Developer shall file with the Housing Authority or its designee a Certificate, containing all information required pursuant to Health and Safety Code Section 33418, in a form prescribed by the Housing Authority. Each Certificate shall cover the immediately preceding fiscal year.

Reporting Amounts. Housing Authority is required by Section 33418 of the California Health and Safety Code to require Developer to monitor the Assisted Units and submit the annual reports required by Section 3 of Article II of this Declaration. The Housing Authority relies upon the information contained in such reports to satisfy its own reporting requirements pursuant to Sections 33080 and 33080.1 of the California Health and Safety Code. In the event the Developer fails to submit to the Housing Authority or its designee the Certification as required by this Section 3, the Developer shall be in noncompliance with this Regulatory Agreement. In the event the Developer remains in noncompliance for thirty (30) days following receipt of written notice from the Housing Authority of such noncompliance under Sections 3(a) and 3(b) of Article II hereinabove, then the Developer shall, without further notice or opportunity to cure, pay to the Housing Authority Two Hundred Fifty Dollars (\$250.00) per Required Assisted Unit for each year Developer fails to submit a Certificate covering each and every housing unit on the Site.

Section 4. Nondiscrimination. The Developer shall refrain from restricting the rental, sale or lease of the Site, or any portion thereof, on the basis of race, color, creed, religion, sex, marital status, national origin or ancestry of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

(1) In deeds: “The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those basis are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

(2) In leases: “The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

“That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.”

(3) In contracts: “There shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises which are the subject of this DDA, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

The covenants established in this Declaration and the deeds of conveyance for the Site shall, without regard to technical classification and designation, be binding for the benefit and in favor of the Housing Authority, its successors and assigns, the County and any successor in interest to the Site, together with any property acquired by the Developer pursuant to this DDA, or any part thereof. The covenants against discrimination as set forth in this Section 1 of Article II shall remain in effect in perpetuity.

Section 5. Parking of Vehicles. The Developer shall not permit the parking, storing or keeping of any vehicle except wholly within the parking areas designated for the Required Assisted Units. Except for Developer's vehicles used in connection with the operation of the Housing Project or the provision of social services to residents of the Housing Project, the Developer shall not permit the parking, storing or keeping of any large commercial type vehicle (dump truck, cement mixer truck, oil or gas truck, etc.), or any recreational vehicle over twenty (20) feet in length (camper unit, motor home, trailer, mobile home or other similar vehicle), boats over twenty (20) feet in length, or any vehicle other than a private passenger vehicle, upon any portion of the Common Areas, including parking spaces. For purposes of this section, a pickup truck with a pickup bed mounted camper shall be considered a private passenger vehicle; provided however, that no such vehicle shall be used for residential purposes while parked on the premises.

The Developer shall not permit major repairs or major restorations of any motor vehicle, boat, trailer, aircraft or other vehicle to be conducted upon any portion of the Common Area, including the parking areas, except for emergency repairs thereto and then only to the extent necessary to enable movement of the vehicle to a proper repair facility. No inoperable vehicle shall be stored or kept in the Common Area. The Developer shall give the vehicle owner not less than four (4) days, nor more than seven (7) days notice and an opportunity to remove any vehicle parked, stored or kept in violation of the provisions of this Declaration. Notice shall consist minimally of a reasonably diligent attempt to personally notify the vehicle owner or alternatively leaving written notice on the subject vehicle. After due notice and opportunity have been given to the vehicle owner, the Developer shall have the right to remove, at the vehicle owner's expense, any vehicle parked, stored or kept in violation of the provisions of this Declaration.

Section 6. Maximum Occupancies. No persons shall be permitted to occupy any unit within the Housing Project in excess of applicable limit of maximum occupancy set by County Ordinances and the laws of the State of California.

Section 7. Signs Required. "Illegally parked vehicles will be towed" signs in compliance with California Vehicle Code requirements will be posted and enforced by the Developer.

Nothing shall be done on the Site in, on or to any building which would structurally change the exterior or the interior bearing walls of any such building or structure, except as otherwise provided herein. Nothing herein shall affect the rights of the Developer to repair, alter or construct improvements on the buildings on the Site unless such repair, alteration or improvement would impair the structural integrity and/or exterior appearance of said buildings. Nothing herein shall be deemed to prohibit work ordered to be performed by the County building official.

Section 9. Social Services. At all times any Units are occupied, continuing throughout the Required Covenant Period, Developer shall provide, or cause to be provided, activities and programs appropriate to the needs of the residents of the Housing Project, with the selection of such activities and programs to be determined by Developer, to be consistent with the description of the services outlined in the TCAC application, and shall take into consideration the needs of residents of the Housing Project and the availability of funding therefor. The specific types of social services to be provided shall be submitted to and approved by the Housing Authority, and may be revised with the prior approval of the Housing Authority, which approval shall not be unreasonably withheld.

Section 7. Trash Bins. All trash shall be collected and placed at all times in an enclosable bin to be placed in a designated refuse/trash bin area. The designated area shall be located so that the bin will, to the extent possible, be readily accessible from the paved driving surfaces.

Section 8. Prohibited Signs. No sign of any kind shall be displayed to the public view on or from any portion of the Site without the approval of the County and appropriate County departments if any as required by the County Ordinances.

ARTICLE IV **OBLIGATION TO MAINTAIN, REPAIR AND REBUILD**

Section 1. Maintenance by Developer. The Developer shall, at its sole cost and expense, maintain and repair the Site and the improvements thereon keeping the same in a decent, safe and sanitary manner, in accordance with the United States Department of Housing and Urban Development ("HUD") Housing Quality Standards ("HQS"), and in good condition and making all repairs as they may be required by these CC&Rs and by all applicable County Ordinances and Uniform Code provisions. The Developer shall also maintain the landscaping required to be planted in a healthy condition. If, at any time, Developer fails to maintain the Housing Project or any portion thereof, and said condition is not corrected after the expiration of forty-five (45) days from the date of written notice from the Housing Authority, either the Housing Authority or the County may perform the necessary maintenance and Developer shall pay such costs as are reasonably incurred for such maintenance. Payment shall be due within fifteen (15) days of receipt of an invoice from the Housing Authority or the County.

Section 2. Damage and Destruction Affecting Project - Developer's Duty to Rebuild. If all or any portion of the Site and the improvements thereon is damaged or destroyed by fire or other casualty for which insurance proceeds are available to or for Developer as a result of such casualty, it shall be the duty of the Developer to rebuild, repair or reconstruct said portion of the Site and/or the improvements, to the extent of such insurance proceeds, in a timely manner which will restore it to Code compliance condition.

In furtherance of the requirements of this Section 2, Developer shall keep the construction on the Site insured by carriers at all times satisfactory to Housing Authority against loss by fire and such other hazards, casualties, liabilities and contingencies as included within an all risk extended coverage hazard insurance policy, in an amount of the full replacement cost of the constructions. In the event of loss, Developer shall give prompt notice to the insurance carrier and to the Housing Authority.

If the Site is abandoned by the Developer, or if Developer fails to respond to Housing Authority within thirty (30) days from the date notice is mailed by Housing Authority to Developer that the insurance carrier offers to settle a claim for insurance benefits, subject to any claims thereto by a senior lienholder, the Housing Authority is authorized to collect and apply the insurance proceeds at Housing Authority's option either to restoration or repair of the Site.

Section 3. Variance in Exterior Appearance and Design. In the event the Housing Project sustains substantial physical damage due to a casualty event, the Developer may apply to the County of Riverside for approval to reconstruct, rebuild or repair in a manner which will provide different exterior appearance and lot design from that which existed prior to the date of the casualty.

Section 4. Time Limitation. Upon damage to the Site or the Housing Project or other improvements which Developer is obligated to repair pursuant to Section 2 above, the Developer shall be obligated to proceed with all due diligence hereunder and commence reconstruction within two (2) months after the damage occurs and complete reconstruction within six (6) months after damage occurs or demolition and vacate within two (2) months, unless prevented by causes beyond their reasonable control, in which event reconstruction shall be commenced at the earliest feasible time.

ARTICLE V **ENFORCEMENT**

(a) Section 1. Remedies. Breach of the covenants contained in the Declaration may be enjoined, abated or remedied by appropriate legal proceeding by the Housing Authority or County. Failure by either party to perform any action or covenant required by this Declaration within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Declaration. If a Default occurs, prior to exercising any remedies hereunder, the injured party shall give the party in Default notice of such default. If the Default is reasonably capable of being cured within thirty (30) days, the party in Default shall have such period to effect a cure prior to exercise of remedies by the injured party. If the Default is such that it is not reasonably capable of being cured within thirty (30) days, and the party in Default (i) initiates corrective action within said period, and (ii) diligently, continually, and in good faith works to effect a cure as soon as possible, then the party in Default shall have such additional time as is reasonably necessary to cure the Default prior to exercise of any remedies by the injured party.

If Developer fails to take corrective action or cure the default within the time set forth above, the Housing Authority shall give Developer and RBC Tax Credit Equity, LLC ("Investor Limited Partner") notice thereof, whereupon the Investor Limited Partner may remove and replace the general partner of the Developer with a substitute general partner, who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. The Housing Authority agrees to accept cures tendered by the Investor Limited Partner within the cure periods provided in this Declaration or within the time periods provided in Civil Code Section 2924c, whichever is longer. Additionally, in the event the Investor Limited Partner is precluded from curing a non monetary default due to an inability to remove the general partner as a result of a bankruptcy, injunction, or similar proceeding by or against Developer or such general partner, the Housing Authority agrees to forbear from completing a foreclosure (judicial or nonjudicial) during the period during which the Investor Limited Partner is so precluded from acting, not to exceed ninety (90) days, provided such Investor Limited Partner is otherwise in compliance with the foregoing provisions.

This Declaration does not in any way infringe on the right or duties of the County of Riverside to enforce any of the provisions of the County Ordinances including, but not limited to, the abatement of dangerous buildings.

Section 2. Nuisance. The result of every act or omission whereby any of the covenants contained in this Declaration are violated in whole or in part is hereby declared to be and constitutes

a nuisance, and every remedy allowable at law or equity, against a nuisance, either public or private, shall be applicable against every such result and may be exercised by any owner or its successors in interest, without derogation of the County's rights under law.

Section 3. Right of Entry. In addition to the above general rights of enforcement, the County shall have the right through its agents and employees, to enter upon any part of the project area for the purpose of enforcing the California Vehicle Code, and the ordinances and other regulations of the County, and for maintenance and/or repair of any or all publicly owned utilities. In addition, the County has the right of entry at reasonable hours and upon and after reasonable attempts to contact Developer, on the Site to effect emergency repairs or maintenance which the Developer was obligated to but has failed to perform. Subsequent to sixty (60) days written notice to the Developer specifically outlining the Developer's noncompliance, the County shall have the right of entry on the Site at reasonable hours to enforce compliance with this Declaration which the Developer has failed to perform, subject to the nonrecourse provisions of the Housing Authority Promissory Note and Article VI, Section 4 below.

Section 4. Costs of Repair. The costs borne by the County or Housing Authority of any such repairs or maintenance emergency and/or non-emergency, shall become a charge for which Developer shall be responsible.

Section 5. Cumulative Remedies. The remedies herein provided for breach of the covenants contained in this Declaration shall be deemed cumulative, and none of such remedies shall be deemed exclusive.

Section 6. Failure to Enforce. The failure to enforce any of the covenants contained in this Declaration shall not constitute a waiver of the right to enforce the same thereafter.

Section 7. Enforcement and Nonliability. The County or Housing Authority may from time to time make such efforts, if any, as it shall deem appropriate enforce and/or assist in enforcing this Declaration. However, neither the Housing Authority nor the County will be subject to any liability for failure to affirmatively enforce any provision of this Declaration.

ARTICLE VI **GENERAL PROVISIONS**

Section 1. Covenant Against Partition. By acceptance of its interest in the Site, the Developer shall be deemed to covenant for itself and for its heirs, representatives, successors and assigns, that it will not institute legal proceedings or otherwise seek to effect partition of its right and interest in the interest being conveyed to the Developer, or the burdens running with the land as a result of this Regulatory Agreement.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in all force and effect.

Section 3. Term. This Declaration shall run with and bind the interest of the Developer in the Site, and shall inure to the owner(s) of any property subject to this Declaration, his legal representatives, heirs, successors and assigns, and as provided in Article II, Sections 1 and 2, be enforceable by the County, for a term equal to the Required Covenant Period as defined in the DDA,

provided; however, that the covenants regarding nondiscrimination set forth in Section 4 of Article II of this Declaration shall remain in effect for perpetuity.

Section 4. Nonrecourse. Liabilities of the Developer to make payments hereunder shall be nonrecourse.

Section 5. Construction. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of rental housing available at Affordable Rent for Extremely Low to Very Low Income Households. The article and section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction.

The Developer shall be obligated by this Declaration to comply with the provisions hereof, as well as the provisions of the Housing Authority Grant Deed, and the Tax Credit Regulatory Agreement. In the event of conflict, the Developer shall comply with the most stringent requirements, in each case.

Section 6. Enforced Delay; Extension of Times of Performance. Performance hereunder shall not be deemed to be in default, and all performance and other dates specified in this Regulatory Agreement shall be extended, where delays or defaults are due to: war; insurrection; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; acts or omissions of another party, or acts or failures to act of the County or any other public or governmental agency or entity. Notwithstanding anything to the contrary in this Regulatory Agreement, an extension of time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other parties, the Housing Authority and the County, within thirty (30) days of the commencement of the cause. Times of performance under this Regulatory Agreement may also be extended in writing by the mutual agreement of the Housing Authority, the County and the Developer to be given or withheld at the sole discretion of each respective party. The failure of the Developer to obtain financing for development or repairs shall not constitute grounds for enforced delay hereunder.

Section 7 Amendments. This Declaration may be amended only by the written agreement of the Developer, the Housing Authority and the County.

Section 8 Encroachments. None of the rights and obligations of the Developer created herein shall be altered in any way by encroachments due to settlement or shifting of structures or any other cause. There shall be valid easements for the maintenance of said encroachments so long as they shall exist; provided, however, that in no event shall a valid easement for encroachment be created in favor of Developer if said encroachment occurs due to the willful conduct of said Developer.

Section 9. Notices. Any notice permitted or required to be delivered as provided herein to Developer shall be in writing and may be delivered either personally or by certified mail. Notice to the Housing Authority shall be made by certified mail to the Executive Director or his designee at 5555 Arlington Avenue, Riverside, California 92504, and shall be effective upon receipt. Notice to Developer shall be made by certified mail to Jamboree Housing Corporation, 17701 Cowan Street, Suite 200, Irvine, California 92614-6840, Attention President; Portrait Homes, Inc., 265 N. GRANT DEED

For valuable consideration, receipt of which is hereby acknowledged,

The **HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE**, a public body, corporate and politic (the "Housing Authority"), effective as of _____, 2012, hereby grants to **HIGHGROVE WORKFORCE HOUSING, L.P.**, a California limited partnership ("Developer"), the real property described in Exhibit A attached hereto and incorporated herein (the "Property"), subject to existing easements, restrictions and covenants of record, the provisions set forth in Sections 1 and 2 hereof and the requirements of the Amended and Restated Disposition and Development Agreement (the "DDA") between the parties, dated as of December 4, 2012. All capitalized terms not defined herein shall have the respective meanings established therefore in the DDA.

1. Housing Authority Right of Reentry. The Housing Authority has the right, at its election, to reenter and take possession of the Site, with all improvements thereon, and terminate and revest in the Housing Authority the estate conveyed to the Developer if after the Closing and before the issuance of the Certificate of Occupancy, the Developer (or its successors in interest) shall:

(a) fail to start the construction of the Improvements as required by the DDA for a period of ninety (90) days after written notice thereof from the Housing Authority, subject to events of enforced delay as provided in Section 7.9 of the DDA; or

(b) abandon or substantially suspend construction of the Improvements required by the DDA for a period of ninety (90) days after written notice thereof from the Housing Authority, subject to events of enforced delay as provided in Section 7.9 of the DDA; or

(c) contrary to the provisions of Section 6.3 of the DDA transfer or suffer any involuntary Transfer in violation of the DDA, and such Transfer has not been approved by the Housing Authority or rescinded within thirty (30) days of notice thereof from Housing Authority to Developer.

Such right to reenter, terminate and revest shall be subject to and be limited by and shall not defeat, render invalid or limit:

1. Any mortgage or deed of trust permitted by the DDA; or
2. Any rights or interests provided in the DDA for the protection of the holders of such mortgages or deeds of trust.

Upon the revesting in the Housing Authority of title to the Site as provided in this Section 1, the Housing Authority shall, pursuant to its responsibilities under state law, use its reasonable efforts to resell the Site as soon and in such manner as the Housing Authority shall find feasible and consistent with the objectives of such law, as it exists or may be amended, to a qualified and responsible party or parties (as determined by the Housing Authority) who will assume the obligation of making or completing the Improvements, or such improvements in their stead as shall be satisfactory to the Housing Authority. Upon such resale of the Site, the net proceeds thereof after repayment of any mortgage or deed of trust encumbering the Site which is permitted by this DDA, shall be applied:

i. First, to reimburse the Housing Authority, on its own behalf or on behalf of the County, all costs and expenses incurred by the Housing Authority, excluding County and Housing Authority staff costs, but specifically, including, without limitation, any expenditures by the Housing Authority or the County in connection with the recapture, management and resale of the Site or part thereof (but less any income derived by the Housing Authority from the Site or part thereof in connection with such management); all taxes, assessments and water or sewer charges with respect to the Site or part thereof which the Developer has not paid (or, in the event that Site is exempt from taxation or assessment of such charges during the period of ownership thereof by the Housing Authority, an amount, if paid, equal to such taxes, assessments, or charges as would have been payable if the Site were not so exempt); any payments made or necessary to be made to discharge any encumbrances or liens existing on the Site or part thereof at the time or revesting of title thereto in the Housing Authority, or to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer, its successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the improvements or any part thereof on the Site, or part thereof; and any amounts otherwise owing the Housing Authority, and in the event additional proceeds are thereafter available, then

ii. Second, to reimburse the Developer, its successor or transferee, up to the amount equal to the sum of (a) the costs incurred for the acquisition and development of the Site and for the improvements existing on the Site at the time of the reentry and possession, less (b) any gains or income withdrawn or made by the Developer from the Site or the improvements thereon.

Any balance remaining after such reimbursements shall be retained by the Housing Authority as its property. The rights established in this Section 1 are not intended to be exclusive of any other right, power or remedy, but each and every such right, power, and remedy shall be cumulative and

concurrent and shall be in addition to any other right, power and remedy authorized herein or now or hereafter existing at law or in equity. These rights are to be interpreted in light of the fact that the Housing Authority will have conveyed the Site to the Developer for redevelopment purposes, particularly for development of an affordable multifamily housing project, and not for speculation in undeveloped land.

3. Upon issuance by the Housing Authority of the Certificate of Completion, Sections 1 and 2 hereof shall cease to be of further force and effect.

END OF AGREEMENT

CALCULATION OF AFFORDABLE RENT

Riverside County
Affordable Rent Worksheet
(2012 Income Figures)¹

1. Income Eligibility¹

The first step in determining eligibility for an affordable housing program is determining whether the family which will be purchasing or renting the housing unit meets the following income standards applicable to **Riverside** County, based upon the size of the family:

<i>Income Level</i>	<i>1 person household</i>	<i>2 person household</i>	<i>3 person household</i>	<i>4 person household</i>	<i>5 person household</i>	<i>6 person household</i>	<i>7 person household</i>	<i>8 person household</i>
<i>Extremely Low</i>	\$14,100	\$16,100	\$18,100	\$20,100	\$21,750	\$23,350	\$24,950	\$26,550
<i>Very Low</i>	\$23,450	\$26,800	\$30,150	\$33,500	\$36,200	\$38,900	\$41,550	\$44,250
<i>Lower</i>	\$37,550	\$42,900	\$48,250	\$53,600	\$57,900	\$62,200	\$66,500	\$70,800
<i>Low or Moderate</i>	\$53,150	\$60,750	\$68,350	\$75,950	\$82,050	\$88,100	\$94,200	\$100,250

2. Determining Affordable Rent

For **rental housing**, the second step in determining compliance with affordable housing requirements is determining whether the total rent costs payable by the tenant are within allowable amounts.²

¹ Based on currently effective median income of San Bernardino and Riverside Counties, as released by the Department of Housing and Community Development (“HCD”) by memorandum dated as of and posted to the HCD website on February 2, 2012. These median income numbers are revised annually and allowable rents adjust accordingly.

² “Affordable Rent” as defined in the Amended and Restated Disposition and Development Agreement means rent (including a reasonable utility allowance) (i) for a Extremely Low Income Household which does not exceed the product of 30% times 30% of the area median income for Riverside County, adjusted for household size appropriate for the unit, (ii) for a Very Low Income Household which does not exceed the product of 30% times 50% of the area median income for Riverside County, adjusted for household size appropriate for the unit, and (ii) for a Low or Moderate Income Household which does not exceed the product of 30% times 110% of the area median income for Riverside County, adjusted for household size appropriate for the unit. “Household size appropriate to the unit,” as used herein, means three persons for each two-bedroom unit and four persons for each three bedroom unit.

For **Extremely Low Income** Households:

- renting a **2 bedroom** unit, monthly rent may not exceed \$ **427.13**
- renting a **3 bedroom** unit, monthly rent may not exceed \$ **474.75**

For **Very Low Income** Households:

- renting a **2 bedroom** unit, monthly rent may not exceed \$ **711.88**
- renting a **3 bedroom** unit, monthly rent may not exceed \$ **791.25**

For purposes of determining Affordable Rent, "Rent" is an average of estimated housing costs for the next twelve months. **"Rent"** includes the total of monthly payments for all of the following:³

- Use and occupancy of a housing unit and land and facilities associated therewith.
- Any separately charged fees or service charges assessed by the lessor which are required of all tenants, other than security deposits.
- A reasonable allowance for utilities not included in the above costs, including garbage collection, sewer, water, electricity, gas, and other heating, cooking, and refrigeration fuels. Utilities does not include telephone service. Such an allowance shall take into consideration the cost of an adequate level of service.
- Possessory interest taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than the lessor.

Excepting to the extent otherwise expressly defined in this Note, all capitalized terms shall have the meanings established therefore in the DDA. The rights and obligations of the Borrower and the Housing Authority under this Note shall be governed by the DDA and by the additional terms set forth in this Note. In the event of any inconsistencies between the terms of this Note and the terms of the Agreement or any other document related to the Note Amount, the terms of this Note shall prevail.

2. Interest. The Note Amount shall bear simple interest at the rate of one percent (1%) per annum, from the respective date(s) and based on the amounts of moneys constituting the Housing Authority Loan that are or have been advanced by Housing Authority to Borrower until the date paid.

3. Repayment of Note Amount. The Note Amount shall be paid by the Borrower's annual payment to the Housing Authority of a portion of the Residual Receipts (as defined below) from operation of the Housing Project (as defined in the DDA), as determined by a residual receipts calculation from the operation of the Housing Project the preceding calendar year. Borrower shall annually pay to Housing Authority Fifty Percent (50%) of the Residual Receipts of the operation of the Housing Project. If there are other lenders on the Housing Project whose loans are repayable from Residual Receipts, fifty percent (50%) shall be allocated among this Note and such other lenders in accordance with the respective original principal balances of each such loan. Annual Residual Receipts payments shall be by the Borrower by cashier's check and shall be delivered on or before April 30th of each Year (or such other annual period as may be mutually agreed upon in writing by the Housing Authority and the Developer), of each Year during the term of this Note first following the date the Housing Project is placed in service, until the Note Amount and all unpaid interest thereon has been repaid in full. This Note shall be due and payable in full on the date of any Sale or Transfer that occurs after the date of execution of this Promissory Note. After the fifty-five (55) year affordability period outlined in this DDA (the "Affordability Period"), the loan is due in full. Any remaining portion of the Note Amount shall be due and payable on the fifty-fifth (55th) anniversary of the date of the County's issuance of a Certificate of Occupancy for all of

the Units in the Housing Project. Notwithstanding the foregoing, the full Note Amount may be accelerated as set forth in Section 12 hereof.

DEED OF TRUST WITH ASSIGNMENT OF RENTS

This DEED OF TRUST ("Security Instrument" or "Deed of Trust") is made on this day of _____, 2012. The Grantor is **HIGHGROVE WORKFORCE HOUSING, L.P.**, a California limited partnership ("DEVELOPER"), and whose address is 546 Via Zapata, Riverside, CA 92507. The trustee is HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE ("Trustee" or "HOUSING AUTHORITY"). The Beneficiary is the HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE ("Lender"), a public body, corporate and politic, and whose address is 5555 Arlington Avenue, Riverside, CA 92504.

Pursuant to the terms of the Housing Authority Loan, Developer owes Housing Authority the principal sum of Seven Million Four Hundred Seventy-Five Thousand Dollars (\$7,475,000). This debt is evidenced by DEVELOPER's Promissory Note dated concurrently herewith ("Housing Authority Note").

The loan evidenced by the Housing Authority Note and secured by this Security Instrument (the "Agreement") is being made pursuant to California Community Redevelopment Law, California Health and Safety Code Section 33000 et seq.

The Security Instrument secures to HOUSING AUTHORITY: (a) the repayment of the debt evidenced by the Housing Authority Note, with interest as provided in the Housing Authority Note, and all renewals, extensions and modifications of the Housing Authority Note; (b) the payment of all other sums, with interest as provided in the Housing Authority Note, advanced under Section 8 to protect the security of this Security Instrument; and (c) the performance of DEVELOPER's covenants and agreements under this Security Instrument and the Housing Authority Note. For this purpose, DEVELOPER irrevocably grants and conveys to Trustee, in trust, with power of sale, all of DEVELOPER's right, title and interest in and to the property

located in Riverside County, California. The legal description of the property is further described in Exhibit "A" attached hereto;

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property".

DEVELOPER COVENANTS that the DEVELOPER is lawfully seized of the estate hereby conveyed and has the right to grant and convey its fee and leasehold interest in the Property, as applicable, and, the Property is unencumbered. DEVELOPER warrants and will defend generally the title to the Property against all claims and demands, subject to such encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS DEVELOPER and HOUSING AUTHORITY covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. DEVELOPER shall promptly pay when due the principal of and interest on the debt evidenced by the Housing Authority Note and any late charges due under the Housing Authority Note.

a. Prepayment. Prepayment of principal or interest may occur at any time without penalty. However, the affordability requirements shall remain in full force and effect for fifty-five (55) years after the recordation of Certificate of Completion for the Housing Project. However, notwithstanding the foregoing, DEVELOPER may cause the prepayment of all principal and interest under the Housing Authority Note in connection with the sale of the Project.

2. Taxes and Insurance. Subject to DEVELOPER's right to obtain a "welfare exemption" under California Revenue and Taxation Code Section 214(g), DEVELOPER shall pay at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

a. Should DEVELOPER fail to make any payment or to do any act herein provided, then HOUSING AUTHORITY or Trustee, but without obligation so to do and upon written notice to or demand upon DEVELOPER and without releasing DEVELOPER from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, HOUSING AUTHORITY or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of HOUSING AUTHORITY or Trustee; pay, purchase, contest or compromise any encumbrance, charge, or lien which in the judgment of either appears to be prior or

superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his or her reasonable fees.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by HOUSING AUTHORITY under Sections 1 and 2 shall be applied: first, to amounts payable under Section 2; second, to interest due; third, to principal due; and last, to any late charges due under the Housing Authority Note.

4. Prior Deeds of Trust; Charge; Liens. The DEVELOPER attests that no prior Deeds of Trust, Charges or Liens exist against the Property.

a. Except for the liens permitted by the Provisions of the DDA or the HOUSING AUTHORITY, DEVELOPER shall promptly discharge any lien which may have attained priority over this Security Instrument unless DEVELOPER: (1) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to HOUSING AUTHORITY; (2) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the HOUSING AUTHORITY's opinion operate to prevent the enforcement of the lien; (3) bond around the lien; or (4) secures from the holder of the lien an agreement satisfactory to HOUSING AUTHORITY subordinating the lien to this Security Instrument. If HOUSING AUTHORITY determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, HOUSING AUTHORITY may give DEVELOPER a notice identifying the lien. DEVELOPER shall satisfy such lien or take one or more of the actions set forth above within 30 day of the giving of notice.

5. Subordination. The HOUSING AUTHORITY's Deed of Trust shall be recorded in second position behind [*a construction and permanent loan to the Borrower made by US Bank*]. Notwithstanding the foregoing, during the permanent financing phase of the Housing Project, HOUSING AUTHORITY hereby agrees to execute any and all documents necessary to effectuate such subordination. Borrower shall request Lender approval of any additional subordination and Lender consent shall not be unreasonably withheld. The HOUSING AUTHORITY's Deed of Trust shall be in parity with and of equal lien priority with the Deed of Trust in favor of HOUSING AUTHORITY which secures a Promissory Note in the original principal amount of Seven Million Four Hundred Seventy-Five Thousand Dollars (\$7,475,000), and which is dated and recorded concurrently with this Deed of Trust.

6. Hazard or Property Insurance. DEVELOPER shall keep the improvements now existing or hereafter erected on the Property insured against loss of fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which HOUSING AUTHORITY requires insurance, provided that such insurance is available in the market where the Housing Project is located at commercially reasonable rates. This insurance shall be maintained in the amounts and for the periods as required in the DDA. The insurance carrier providing the insurance shall be chosen by DEVELOPER subject to HOUSING AUTHORITY's approval which shall not be unreasonably withheld. If DEVELOPER fails to maintain coverage described above, HOUSING AUTHORITY may, at HOUSING AUTHORITY's option, obtain coverage to protect HOUSING AUTHORITY's rights in the Property in accordance with Section 8.

a. All insurance policies and renewals shall be acceptable to HOUSING AUTHORITY and shall include a standard mortgagee clause. All requirements hereof pertaining to insurance shall be deemed satisfied if the DEVELOPER complies with the insurance requirements under this Deed of Trust. All original policies of insurance required pursuant to this Deed of Trust shall be held by the HOUSING AUTHORITY and must name the HOUSING AUTHORITY as additional insured. DEVELOPER shall promptly give to HOUSING AUTHORITY certificates of insurance showing the coverage is in full force and effect and that HOUSING AUTHORITY is named as additional insured. In the event of loss, DEVELOPER shall give prompt notice to the insurance carrier, and HOUSING AUTHORITY. HOUSING AUTHORITY may make proof of loss if not made promptly by the DEVELOPER.

b. Unless HOUSING AUTHORITY and DEVELOPER otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided DEVELOPER determines that such restoration or repair is economically feasible and there is no default continuing beyond the expiration of all applicable cure periods. If DEVELOPER determines that such restoration or repair is not economically feasible or if a default exists after expiration of all applicable cure periods, the insurance proceeds shall be applied to the sums secured by this Deed of Trust, with the excess, if any, paid to DEVELOPER. If the Property is abandoned by DEVELOPER, or if DEVELOPER fails to respond to HOUSING AUTHORITY within 30 days from the date notice is mailed by HOUSING AUTHORITY to DEVELOPER that the insurance carrier offers to settle a claim for insurance benefits, HOUSING AUTHORITY is authorized to collect and apply the insurance proceeds at HOUSING AUTHORITY's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

c. Unless HOUSING AUTHORITY and DEVELOPER otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of Housing Authority Note. If under Section 23 the Property is acquired by HOUSING AUTHORITY, DEVELOPER's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to HOUSING AUTHORITY to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

7. Preservation, Maintenance and Protection of the Property; DEVELOPER's Loan Application; Leaseholds. DEVELOPER shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. DEVELOPER shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in HOUSING AUTHORITY's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or HOUSING AUTHORITY's security interest. DEVELOPER may cure such a default and reinstate, as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in HOUSING AUTHORITY's good faith determination, precludes forfeiture of the DEVELOPER's interest in the Property or other material impairment of the lien created by this Security Instrument or HOUSING AUTHORITY's security interest. DEVELOPER shall also be in default if DEVELOPER, during the loan application process, gave materially false or inaccurate information or statements to HOUSING AUTHORITY (or failed to provide HOUSING AUTHORITY with any material information) in connection with the loan evidenced by the Housing Authority Note, including, but not limited to representations concerning DEVELOPER's use of Property for affordable housing. If this Security Instrument is on leasehold,

DEVELOPER shall comply with all provisions of the lease. If DEVELOPER acquires fee title to the Property, the leasehold and the fee title shall not merge unless HOUSING AUTHORITY agrees to the merger in writing.

a. The DEVELOPER acknowledges that this Property is subject to certain use and occupancy restrictions (which may be further evidenced by a separate agreement recorded in the land records where the Property is located), limiting the Property's use to "low-income housing" (within the meaning of California Community Redevelopment Law) for households earning no more than one hundred twenty percent (120%) of the median income within Riverside County. The use and occupancy restrictions may limit the DEVELOPER's ability to rent the Property. The violation of any use and occupancy restrictions may, if not prohibited by federal law, entitle the HOUSING AUTHORITY to the remedies provided in Section 23 hereof.

8. Protection of HOUSING AUTHORITY's Rights in the Property. If DEVELOPER fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect HOUSING AUTHORITY's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then, subject to any applicable grace periods or cure periods, HOUSING AUTHORITY may do and pay for whatever is necessary to protect the value of the Property and HOUSING AUTHORITY's rights in the Property.

a. Any amounts disbursed by HOUSING AUTHORITY under this Section 8 shall become additional debt of DEVELOPER secured by this Security Instrument. Unless DEVELOPER and HOUSING AUTHORITY agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Housing Authority Note rate and shall be payable, with interest, upon notice from HOUSING AUTHORITY to DEVELOPER requesting payment, subject to the nonrecourse provisions of the Housing Authority Note secured hereby.

9. Mortgage Insurance. (Not used)

10. Inspection. HOUSING AUTHORITY or its agent may make reasonable entries upon and inspections of the Property. HOUSING AUTHORITY shall give DEVELOPER notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

11. Condemnation. Subject to the rights of senior lenders, the proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to HOUSING AUTHORITY.

a. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to DEVELOPER. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless DEVELOPER and HOUSING AUTHORITY otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair

market value of the Property immediately before the taking. Any balance shall be paid to DEVELOPER. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless DEVELOPER and HOUSING AUTHORITY otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due. Notwithstanding the foregoing, so long as the value of HOUSING AUTHORITY's lien is not impaired, any condemnation proceeds may be used by DEVELOPER for repair and/or restoration of the Project.

b. If the Property is abandoned by DEVELOPER, or if, after notice by HOUSING AUTHORITY to DEVELOPER that the condemner offers to make an award or settle a claim for damages, DEVELOPER fails to respond to HOUSING AUTHORITY within 30 days after the date the notice is given, HOUSING AUTHORITY is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

c. Unless HOUSING AUTHORITY and DEVELOPER otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Sections 1 and 2 or change the amount of such payments.

12. DEVELOPER Not Released; Forbearance By HOUSING AUTHORITY Not a Waiver. Except in connection with any successor in interest approved by HOUSING AUTHORITY, extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by HOUSING AUTHORITY to any successor in interest of DEVELOPER shall not operate to release the liability of the original DEVELOPER or DEVELOPER's successors in interest. HOUSING AUTHORITY shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original DEVELOPER or DEVELOPER's successors in interest. Any forbearance by HOUSING AUTHORITY in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

13. Successors and Assigns Bound; Joint and Several Liability. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of HOUSING AUTHORITY and DEVELOPER, subject to the provisions of Section 18. DEVELOPER's covenants and agreements shall be joint and several.

14. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from DEVELOPER which exceeded permitted limits will be promptly refunded to DEVELOPER. HOUSING AUTHORITY may choose to make this refund by reducing the principal owed under the Housing Authority Note or by making a direct payment to DEVELOPER. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Housing Authority Note.

15. Notices. Any notice to DEVELOPER provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the DEVELOPER's mailing address stated herein or any other address DEVELOPER designates by notice to HOUSING AUTHORITY. Any notice to HOUSING AUTHORITY shall be given by first class mail to HOUSING AUTHORITY's address stated herein or any other address HOUSING AUTHORITY designates by notice to DEVELOPER. Any notice provided for in this Security Instrument shall be deemed to have been given to DEVELOPER or HOUSING AUTHORITY when given as provided in this Section. All notices to DEVELOPER shall be copied to the Tax Credit Investor, at such time as one has been admitted as a limited partner in the Tax Credit Limited Partnership, at such address as shall be provided to HOUSING AUTHORITY.

16. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Housing Authority Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Housing Authority Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Housing Authority Note are declared to be severable.

17. DEVELOPER's Copy. DEVELOPER shall be given one conformed copy of the Housing Authority Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in DEVELOPER. Except for Permitted Transfers, all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in DEVELOPER is sold or transferred and DEVELOPER is not a natural person) without HOUSING AUTHORITY's prior written consent (including a transfer of all or any part of the Property to any person who, at initial occupancy of the Property, does not use the Property for "low-income housing" within the meaning of California Community Redevelopment Law) HOUSING AUTHORITY may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by HOUSING AUTHORITY if exercise is prohibited by federal law as of the date of this Security Instrument. Nothing in this Security Instrument shall be deemed to require HOUSING AUTHORITY's approval of a transfer of limited partnership interests in the DEVELOPER.

a. If HOUSING AUTHORITY exercises the foregoing option, HOUSING AUTHORITY shall give DEVELOPER prior written notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which DEVELOPER must pay all sums secured by this Security Instrument. If DEVELOPER fails to pay these sums prior to the expiration of this period, HOUSING AUTHORITY may invoke any remedies permitted by this Security Instrument without further notice or demand on DEVELOPER.

19. DEVELOPER's Right to Reinstate. If DEVELOPER meets certain conditions, DEVELOPER shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify

for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that DEVELOPER: (a) pays HOUSING AUTHORITY all sums which then would be due under this Security Instrument and the Housing Authority Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as HOUSING AUTHORITY may reasonably require to assure that the lien of this Security Instrument, HOUSING AUTHORITY's rights in the Property and DEVELOPER's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by DEVELOPER, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Housing Authority Note; Change of Loan Servicer. The Housing Authority Note or a partial interest in the Housing Authority Note (together with this Security Instrument) may be sold one or more times without prior notice to DEVELOPER. A sale may result in a change in the entity (known as the "Loan Servicer") that collects annual Residual Receipts payments due under the Housing Authority Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Housing Authority Note. If there is a change of the Loan Servicer, DEVELOPER will be given written notice of the change in accordance with Section 15 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

21. No Assignment. DEVELOPER agree that the Housing Authority Note and the Security Instrument will not be assigned without the Housing Authority's prior written consent.

22. Hazardous Substances. DEVELOPER shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property in violation of applicable Environmental Law. DEVELOPER shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses, construction, and to maintenance of the Property.

a. DEVELOPER shall promptly give HOUSING AUTHORITY written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which DEVELOPER has actual knowledge. If DEVELOPER learns, or is notified in writing by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, DEVELOPER shall promptly take all necessary remedial actions in accordance with Environmental Law. Prior to taking any such remedial action, however, the DEVELOPER shall notify the Senior Lien Holders that such remedial action is necessary and shall obtain the Senior Lien Holders' prior written consent for such remedial action.

b. As used in this Section 22, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this Section 22, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. DEVELOPER and HOUSING AUTHORITY further covenant and agree as follows:

23. Acceleration; Remedies. HOUSING AUTHORITY shall give notice to DEVELOPER and to the Tax Credit Investor prior to acceleration following DEVELOPER's breach of any covenant or agreement in this Security Instrument. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to DEVELOPER by which the default must be cured, or such longer period as is reasonably needed to effect such cure; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform DEVELOPER of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of DEVELOPER to acceleration and sale. If the default is not cured by the DEVELOPER or the Tax Credit Investor as applicable, on or before the date specified in the notice, then HOUSING AUTHORITY at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. HOUSING AUTHORITY shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 23, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

a. If HOUSING AUTHORITY invokes the power of sale, HOUSING AUTHORITY or Trustee shall mail copies of a notice of sale in the manner prescribed by applicable law to DEVELOPER, the Tax Credit Investor, and to the other persons prescribed by applicable law. Trustee shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Trustee, without demand on DEVELOPER, shall sell the Property at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property to any later time on the same date by public announcement at the time and place of any previously scheduled sale. HOUSING AUTHORITY or its designee may purchase the Property at any sale.

b. Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

24. Release. Upon payment of all sums secured by this Security Instrument, HOUSING AUTHORITY shall release this Security Instrument without charge to DEVELOPER. DEVELOPER shall pay any recordation costs.

25. Substitute Trustee. HOUSING AUTHORITY, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Security Instrument is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

26. Prohibition against Tenancy Under Foreclosure. Notwithstanding anything to the contrary set forth in this Deed of Trust or in any documents secured by this Deed of Trust or contained in any subordination agreement, the Beneficiary acknowledges and agrees that, in no event will any action be taken which violates Section 42(h)(6)(E)(ii) of the U.S. Internal Revenue Code of 1986, as amended, regarding prohibitions against evicting, terminating tenancy or increasing rent of tenants for a period of three (3) years after acquisition of a building by foreclosure or deed-in-lieu of foreclosure.

27. General Partner Change. The withdrawal, removal, and/or replacement of a general partner of the Developer pursuant to the terms of Developer's limited partnership agreement (as the same may be amended from time to time) shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan, provided that any required substitute general partner is either appointed/selected in accordance with applicable provisions of the DDA or is reasonably acceptable to HOUSING AUTHORITY and is selected with reasonable promptness. Any proposed General Partner replacement shall have the qualifications and financial responsibility as reasonably determined by the HOUSING AUTHORITY necessary and adequate to fulfill the obligations undertaken in the HOUSING AUTHORITY Agreement, as amended.

28. No Personal Liability. In the event of any default under the terms of the Note or this Deed of Trust, the sole recourse of the Housing Authority for any and all such defaults shall be by judicial foreclosure or by the exercise of the trustee's power of sale, and Developer and its partners shall not be personally liable for the payment of the Note or for the payment of any deficiency established after judicial foreclosure or trustee's sale; provided, however, that the foregoing shall not in any way affect any rights the Housing Authority may have (as a secured party or otherwise) under the Note or under the Agreement or this Deed of Trust to recover directly from Developer any funds, damages or costs (including without limitation reasonable attorneys' fees and costs) incurred by Housing Authority as a result of fraud, intentional misrepresentation or intentional bad faith waste committed by Developer to or on the Housing Project (it shall not be waste if Developer does not repair or restore the Housing Project after any destruction, damage or partial condemnation notwithstanding the availability of insurance or condemnation proceeds), and any costs and expenses incurred by the Housing Authority in connection therewith (including without limitation reasonable attorneys' fees and costs).
