BACKGROUND: Properties for which taxes are not paid are sold to collect back taxes. After the property has been tax-defaulted for a period of five or more years from the original tax-default year, it becomes subject to the Tax Collector's "Notice of Power to Sell Tax Defaulted Property," which is then recorded.

If the property is not subsequently redeemed by the payment of all amounts due, it is offered for sale by the Tax Collector. This action will set in motion the Tax Collector's April sale.

Should it become necessary to postpone the tax sale, the Tax Collector may postpone the Tax Sale within seven days from the original fixed date. The Tax Collector will announce the postponement at the time and place originally fixed for the public auction.

SUMMARY OF THE April 25, 2013 through April 29, 2013 Internet Sale conducted via Internet through Bid4Assets, Inc.

The Tax Collector proposes to offer a maximum of six hundred ninety-eight (**698**) "fee parcels": Six hundred ninety-eight (**698**) fee parcels will be offered for the first time at the minimum bid of full redemption, plus cost of sale.

As indicated in Exhibit "A", the aggregate minimum bid for all parcels is \$16,501,323.00

In general, the financial impact of tax sales can be summarized as follows:

- Sales at, or above, the amount of taxes owed have no direct negative impact on the County's budget.

The actual number of parcels actually offered for sale on the auction dates will be reduced by taxpayer redemptions. Properties will also be pulled from the sale to comply with bankruptcy stays and for administrative considerations. Some parcels will sell for more than the minimum bid and other parcels are likely to receive no bids.

16 fee parcels should be offered for sale from April 25, 2013 through April 29, 2013, with the minimum bid to
17 be in accordance with California Revenue and Taxation Code Section 3698.5; and

18 WHEREAS, California Revenue and Taxation Code Section 3698.5 provides that, where
19 property has been offered for sale at least once and no acceptable bids have been received at the prescribed
20 minimum price, the Tax Collector may, in his discretion and with the approval of the Board of Supervisors,
