BACKGROUND:

Banning Chamber of Commerce Corporate Sponsorship provides ongoing support of business, education, and community programs, including Citizen of the Year and Excellence in Leadership. The Dora Nelson African American Art & History Museum is in need of a new roof and other improvements. Water Education Foundation provides comprehensive, unbiased water education, tours and public television programs to engage lawmakers and the general public in relevant water issues. The Inland Empire Buffalo Soldiers Heritage Association has been approved to locate a Buffalo Soldiers Memorial at the Riverside National Cemetery. These funds are used to improve the quality of life throughout the 5th district and I urge the Board to approve these uses of the Community Improvement Designation funds.
