**RECOMMENDED MOTION:** that the Board of Supervisors offers a reward of up to \$50,000 for information leading to the arrest and conviction of the person(s) responsible for the death of Wanda G. McGlover.

**BACKGROUND:** On September 21, 2012, Wanda G. McGlover was found dead alongside a road near her French Valley home. The Sheriff's Department is investigating the circumstances of her death. Family members fear that the death is a result of criminal activity.

The Board of Supervisors is authorized by Government Code section 53069.5 to offer and pay a reward in connection with the determination of the identity of and the apprehension of, any person whose willful misconduct results in injury or death to any person. In the event that more than one person files a claim for the reward, and is eligible to receive proceeds from the reward, the Executive Office will consult with law-enforcement officials to determine the importance of the information to the investigation. The Executive Office will then provide the Board of Supervisors with recommendations about what portion of the reward should go to each claimant.
