**BACKGROUND:**

The California Emergency Management Agency ("Cal EMA") has awarded the Riverside County District Attorney's Office the Underserved Victim Advocacy and Outreach Program ("UV") Subgrant award.

The UV program is designed to provide support for communities to improve their ability to identify the needs of unserved/underserved crime victims in California. The intent of the UV program is to focus on service delivery to victims of violent crime within unserved/underserved and socially isolated populations including, but not limited to, those historically underserved due to race, socio-economic status, disability, or sexual orientation. For the purpose of this project, the District Attorney has identified Hispanic homicide victims/survivors, as being an underserved population in Riverside County, because they often have socio-cultural barriers that prevent them from accessing services.

For more than 10 years, the District Attorney's Division of Victim Services ("DVS") has provided bilingual and culturally sensitive services to Hispanic victims/survivors of crime through funding from the Cal EMA Special Emphasis Program, which ended September 30, 2010. Funding from the UV program will allow DVS to continue to provide culturally sensitive services to Hispanic victims/survivors and narrow the scope of services to the most violent and serious crimes prosecuted by the District Attorney's Office.

Funds awarded will be used directly on the salaries, benefits and direct operating expenses for bilingual Victim Services Advocate positions. Advocates assigned to the UV Program will provide bilingual, culturally sensitive services to Hispanic victims and witnesses of homicide, gang-related, assault, drunk driving and other felonies.

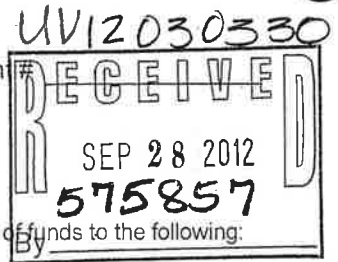

Resolution No. 2011-123 in effect through September 30, 2013.

The grant award and resolution have been reviewed and approved as to form by County Counsel.
