2 be taken by Lessor, County shall be entitled to prompt reimbursement by Lessor of
3 County's reasonable costs and expenses in taking such action, plus interest at the then
4 prevailing legal rate of interest from the date these costs are incurred until the date of
5 Lessor's repayment. Lessor's obligation to reimburse County shall survive expiration or
6 earlier termination of this Lease.

8 demand for payment of County's costs incurred in taking such action on Lessor's
9 behalf, Lessor has not paid the invoice or delivered to County a detailed written

1 replacements to be made or such maintenance to be performed. Upon demand by
2 County, Lessor shall promptly reimburse County the actual cost and expenses thereof,
3 provided said costs and expenses are reasonable. Should Lessor fail to promptly pay

24 entity with appropriate jurisdiction condemns the Premises or any part of the Premises
25 as unsafe or not in conformity with any of the laws or regulations controlling their
26 construction, occupation or use, or orders or requires any alteration, repair or

6 not be liable under this Section regardless of whether the liability results from any
7 active or passive act, error, omission, or negligence of any of County Parties; or is
8 based on claims in which liability without fault or strict liability is imposed or sought to
9 be imposed on any of County Parties. This exculpation Section shall not apply to
10 claims against County Parties to the extent that a final judgment of a court of
11 competent jurisdiction establishes that the injury, loss, damage, or destruction was
12 proximately caused by County Parties' fraud, willful injury to person or property, or
13 violation of law.

14 **12.1.1 Definition of "County Parties" and "Lessor Parties".**

15 For purposes of this Section 12, the term "County Parties" refers singularly and

17 County or their individual agents, employees, and independent contractors as well as
18 to all persons and entities claiming through any of these persons or entities. The term
19 "Lessor Parties" refers singularly and collectively to the partners, venturers, trustees,
20 and ancillary trustees of Lessor and the respective officers, directors, shareholders,

23 servants, employees, and independent contractors of these persons or entities.

24 **12.1.2 Survival of Exculpation.** The paragraphs of this Section

25 12 shall survive the expiration or earlier termination of this Lease until all claims within
26 the scope of this Section 12 are fully, finally, and absolutely barred by the applicable
27 statutes of limitations.

1 **12.1.3 Lessor's Acknowledgment of Fairness.** Lessor
2 acknowledges that this Section 12 was negotiated with County, that the consideration
3 for it is fair and adequate, and that Lessor had a fair opportunity to negotiate, accept,
4 reject, modify, or alter it.

5 **12.1.4 Waiver of Civil Code Section 1542.** With respect to the
6 exculpation provided in this Section 12, Lessor and County waive the benefits of Civil
7 Code Section 1542, which provides:

8 A general release does not extend to claims which the creditor does not know or
9 suspect to exist in his/her favor at the time of executing the release, which if known by
10 him/her must have materially affected his settlement with the debtor.

11 **12.2 Indemnification and Hold Harmless.**

12 **12.2.1** Lessor shall indemnify and hold harmless the County
13 Parties from any liability, including but not limited to, property damage, bodily damage,
14 bodily injury, or death, or from any services provided by Lessor Parties or any act,
15 error, omission, of Lessor Parties or of any invitee, guest, or licensee of Lessor in, on,
16 or about the Project arising out of, from or in any way relating to this Lease. Lessor
17 and Lessor Parties shall not indemnify County or County Parties for liability arising
18 within the Project when such liability arose out of or from County's responsibilities
19 under the terms of this Lease or from any negligent or intentional act or omission of
20 County or County Parties. When indemnifying County Parties, Lessor shall defend at
21 its sole cost and expense, including but not limited to, attorney fees, cost of
22 investigation, defense and settlements or awards, on behalf of the County parties in
23 any claim or action based upon such liability.

24 **12.2.2** County shall indemnify and hold harmless the Lessor and

27 the County leased premises and is under the control of the County arising out of or
28 from its use and occupancy relating to this Lease. County Parties shall not indemnify

1 Lessor Parties for liability arising within the County leased Premises when such liability
2 arose out of or from Lessor's responsibilities under the terms of this Lease. County
3 shall defend at its sole cost and expense, including but not limited to, attorney fees,
4 cost of investigation, defense and settlements or awards, on behalf of the Lessor and
5 Lessor Parties in any claim or action based upon such liability.

6 **12.2.3** With respect to any action or claim subject to
7 indemnification herein, the indemnifying party shall, at their sole cost, have the right to
8 use counsel of their choice and shall have the right to adjust, settle, or compromise any
9 such action or claim without the prior consent of the indemnified party; provided,
10 however, that any such adjustment, settlement or compromise in no manner
11 whatsoever limits or circumscribes the indemnifying party's obligation to indemnify as
12 set forth herein.

13 **12.2.4** The indemnifying party's obligation hereunder shall be
14 satisfied when they have provided the indemnified party the appropriate form of
15 dismissal relieving the indemnified party from any liability for the action or claim
16 involved.

17 **12.2.5** The specified insurance limits required in this Lease shall in
18 no way limit or circumscribe the indemnifying party's obligation to indemnify as set forth
19 herein.

20 **12.2.6** In the event there is conflict between this clause and
21 California Civil Code Section 2782, this clause shall be interpreted to comply with Civil
22 Code 2782. Such interpretation shall not relieve the indemnifying party's obligation to
23 provide indemnification to the fullest extent allowed by law.

24 **12.2.7 Survival of Indemnification.** The paragraphs of this
25 Section 12 shall survive the expiration or earlier termination of this Lease until all
26 claims against an indemnified party involving any of the indemnified matters are fully,
27 finally, and absolutely barred by the applicable statutes of limitations.

28

1 **12.3 Insurance.**

2 **12.3.1 Lessor's Insurance.** As respect to the insurance section
3 only, the County herein refers to the County of Riverside, its Agencies, Districts,
4 Special Districts, and Departments, their respective directors, officers, Board of
5 Supervisors, employees, elected or appointed officials, agents or representatives as
6 Additional Insured. Any indemnification contained within this Lease, Lessor and/or
7 their authorized representatives, including, if any, a property management company,
8 shall procure and maintain or cause to be maintained, at its sole cost and expense, the
9 following insurance coverage during the term of this Lease.

10 **12.3.1.1 Workers' Compensation.** Workers' Compensation
11 Insurance (Coverage A) as prescribed by the laws of the State of California. Policy
12 shall include Employers' Liability (Coverage B) including Occupational Disease with
13 limits not less than \$1,000,000 per person per accident. The policy shall be endorsed
14 to waive subrogation in favor of The County of Riverside.

17 liability, products/completed operations, personal and advertising injury, cross liability

20 construction, maintenance, repair, alteration and ownership of the Premises and all
21 areas appurtenant thereto including claims which may arise from or out of Lessor's
22 operations, use, and management of the Premises, or the performance of its
23 obligations hereunder. Policy shall name the County as additionally Insured. Policy
24 limits shall not be less than \$1,000,000 per occurrence. If such insurance contains a
25 general aggregate limit, it shall apply separately to this Lease or be no less than two
26 (2) times the occurrence limit.

28 equipment are used on the Project, Lessor shall maintain auto liability insurance for all

6 not including earthquake and flood, if applicable, for the full replacement cost value of
7 buildings, structures, fixtures, all improvements therein, and building systems on the
8 Project as the same exists at each early anniversary of the term.

9 **12.3.1.5 General Insurance Provisions – All Lines.**

10 (a) Any insurance carrier providing Lessor's
11 insurance coverage hereunder shall be admitted to the State of California and have an
12 A.M. BEST rating of not less than an A:VIII (A:8) unless such requirements are waived,
13 in writing, by the County Risk Manager. If the County's Risk Manager waives a
14 requirement for a particular insurer such waiver is only valid for that specific insurer
15 and only for one policy term.

16 (b) The Lessor or Lessor's insurance carrier(s)
17 must declare its insurance deductibles or self-insured retentions. If such deductibles or
18 self-insured retentions exceed \$500,000.00 per occurrence such deductibles and/or
19 retentions shall have the prior written consent of the County Risk Manager before the
20 commencement of the Lease term. Upon notification of deductibles or self insured
21 retentions which are deemed unacceptable to the County, at the election of the
22 County's Risk Manager, Lessor's carriers shall either: 1) reduce or eliminate such
23 deductibles or self-insured retentions as respects this Agreement with the County, or 2)
24 procure a bond which guarantees payment of losses and related investigations, claims
25 administration, defense costs and expenses.

26 (c) At the inception of this Lease and annually at
27 the Lessor's insurance policy renewal date(s) and upon written request from County,
28 the Lessor shall cause their insurance carrier(s) to furnish the County of Riverside with

1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein; or, 2) if requested to do so orally or in writing by the County Risk Manager, provide copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Individual(s) authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance. The Lease term shall not commence until the County of Riverside has been furnished original Certificates(s) of Insurance and certified original copies of endorsements or policies of insurance including all endorsements and any and all other attachments as required in this Section.

(d) It is understood and agreed by the parties hereto and the Lessor's insurance company(s) that the Certificate(s) of Insurance and policies shall so covenant and shall be construed as primary insurance, and the County's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory except to the extent of any claim arising from County's breach of this Lease or to the extent of any negligent or intentional acts or omissions of County.

12.3.2 County's Insurance: County maintains funded programs of Self-Insurance. County shall provide to Lessor a Certificate of Self-Insurance evidencing the County's Self-Insurance for the following coverage, if so requested by Lessor:

12.3.2.1 Workers' Compensation	\$1,000,000 per occurrence
12.3.2.2 Commercial General Liability	\$1,000,000 per occurrence
12.3.2.3 Automobile Liability	\$1,000,000 per occurrence

13. Damage and Destruction.

13.1 Repair of Damage. County agrees to notify Lessor in writing promptly of any damage to the Premises resulting from fire, earthquake, or any other identifiable event of a sudden, unexpected, or unusual nature ("Casualty"). If the

1 Premises, whether covered by insurance or not, are damaged by a Casualty, or the
2 Casualty results in the Premises not being provided with Base Building Systems or
3 parking facilities, and if neither Lessor nor County has elected to terminate this Lease
4 under this Section 13, Lessor shall promptly and diligently restore Premises, the
5 County Improvements originally constructed by Lessor, Base Building Systems, and
6 County's parking facilities to substantially the same condition as existed before the
7 Casualty, subject to modifications required by building codes and other laws. If County
8 requests that Lessor make any modifications to the County Improvements in
9 connection with the rebuilding, Lessor may condition its consent to those modifications
10 on: (a) confirmation by Lessor's contractor that the modifications shall not increase the
11 time needed to complete the County Improvements; or (b) an agreement by County
12 that the additional construction period shall not extend the rent abatement period.

13 **13.2 Repair Period Notice.** Lessor shall, within sixty (60) days after
14 the date of the Casualty, provide written notice to County indicating the anticipated
15 period for repairing the Casualty ("Repair Period Notice"). The Repair Period Notice
16 shall be accompanied by a statement executed by the Contractor retained by Lessor to
17 complete the repairs or, if Lessor has not retained a Contractor, a licensed Contractor
18 not affiliated with Lessor, certifying the Contractor's opinion about the anticipated
19 period for repairing the Casualty. The Repair Period Notice shall also state, if
20 applicable, Lessor's election either to repair or to terminate the Lease under Section
21 13.3.

22 **13.3 Lessor's Option to Terminate or Repair.** Lessor may elect
23 either to terminate this Lease or to effectuate repairs if: (a) the Repair Period Notice
24 estimates that the period for repairing the Casualty exceeds one hundred twenty (120)
25 days from the date of the Casualty; or (b) the estimated repair cost of the Premises,
26 even though covered by insurance, exceeds twenty-five percent (25%) of the full
27 replacement cost.

1 **13.4 County's Option to Terminate.** If (a) the Repair Period Notice
2 provided by Lessor indicates that the anticipated period for repairing the Casualty
3 exceeds one hundred twenty (120) days, or (b) notwithstanding the above, in the event
4 of a substantial or total casualty to the Premises or improvements, County may by
5 written notice to Lessor within thirty (30) days after such damage or destruction of its
6 intention to terminate this Lease, elect to terminate this Lease by providing written
7 notice (County's Termination Notice) to Lessor within thirty (30) days after receiving the
8 Repair Period Notice. If County does not elect to terminate within said thirty (30) day
9 period, County shall be considered to have waived its' option to terminate.

10 **13.5 Rent Abatement Due to Casualty.** Lessor and County agree that
11 County's Rent shall be fully abated during the period beginning on the later of: (a) the
12 date of the Casualty; or (b) the date on which County ceases to occupy the Premises
13 and ending on the date of Substantial Completion of Lessor's restoration obligations as
14 provided in this Section 13 ("Abatement Period"). If, however, County is able to occupy
15 and does occupy a portion of the Premises, Rent shall be abated during the Abatement
16 Period only for the portion of the Premises not occupied by County.

17 **13.6 Damage Near End of Term.** Despite any other provision of this
18 Section 13, if the Premises are destroyed or damaged by a Casualty during the last
19 eighteen (18) months of the original Lease Term, Lessor and County shall each have
20 the option to terminate this Lease by giving written notice to the other of the exercise of
21 that option within thirty (30) days after that damage or destruction, provided, however,
22 County may negate Lessor's election to terminate under this Section 13.6 by electing,
23 within ten (10) days after receipt of Lessor's termination notice, to exercise any
24 unexercised option to extend this Lease. If County negates Lessor's election, this
25 Lease shall continue in effect unless Lessor has the right to, and elects to, terminate
26 this Lease under Section 13.3.

27 **13.7 Effective Date of Termination; Rent Apportionment.** If Lessor
28 or County elects to terminate this Lease under this Section 13 in connection with a

1 Casualty, this termination shall be effective thirty (30) days after delivery of notice of
2 such election. County shall pay Rent, properly apportioned up to the date of the
3 Casualty. After the effective date of the termination, Lessor and County shall be
4 discharged of all future obligations under this Lease, except for those provisions that,
5 by their terms, survive the expiration or earlier termination of the Lease.

6 **13.8 Waiver of Statutory Provisions.** The provisions of this Lease,
7 including those in this Section 13, constitute an express agreement between Lessor
8 and County that applies in the event of any Casualty to the Premises. Lessor and
9 County, therefore, fully waive the provisions of any statute or regulation, for any rights
10 or obligations concerning a Casualty including California Civil Code Sections 1932(2)
11 and 1933(4).

12 **13.9 Release on Termination.** In the event of any termination of this
13 Lease in accordance with Section 13, the Parties shall be released there from without
14 further obligation to the other Party, except as may otherwise be specifically set forth in
15 this Lease and items that have accrued and are unpaid.

16 **14. Eminent Domain.**

17 **14.1 Total Condemnation.** If all of the Premises are condemned by
18 eminent domain, inversely condemned, or sold in lieu of condemnation for any public or
19 quasi-public use or purpose, this Lease will terminate as of the date of title vesting in
20 that proceeding and the Rent will be abated from the date of termination.

21 **14.2 Partial Condemnation.** If any portion of the Premises is
22 condemned by eminent domain, inversely condemned, or sold in lieu of condemnation
23 for any public or quasi-public use or purpose and the partial condemnation renders the
24 Premises unusable for County's business, this Lease will terminate as of the date of
25 title vesting or order of immediate possession in that proceeding and the Rent will be
26 abated to the date of termination. If the partial condemnation does not render the
27 Premises unusable for the business of County and less than a substantial portion of the
28 Premises is condemned, Lessor must promptly restore the Premises to the extent of

1 any condemnation proceeds recovered by Lessor, excluding the portion lost in the
2 condemnation, and this Lease will continue in full force, except that after the date of the
3 title vesting, the Rent will be adjusted, as reasonably determined by Lessor and
4 County.

5 **14.3 Award.** If the Premises are wholly or partially condemned, Lessor
6 will be entitled to the entire award paid for the condemnation, and County waives any
7 claim to any part of the award from Lessor or the condemning authority. County,
8 however, will have the right to recover from the condemning authority any
9 compensation that may be separately awarded to County in connection with costs in
10 removing County's merchandise, furniture, fixtures, leasehold improvements, and
11 equipment to a new location.

12 **14.4 Temporary Condemnation.** In the event of a temporary
13 condemnation, this Lease will remain in effect, County will continue to pay Rent, and
14 County will receive any award made for the condemnation. If a temporary
15 condemnation remains in effect at the expiration or earlier termination of this Lease,
16 County will pay Lessor the reasonable cost of performing any obligations required of
17 County with respect to the surrender of the Premises. If a temporary condemnation is
18 for a period that extends beyond the Term, this Lease will terminate as of the date of
19 occupancy by the condemning authority and any award will be distributed in
20 accordance with Section 14.3.

21 **15. Estoppel Certificates.**

22 **15.1** Within twenty (20) business days after receipt of a written request
23 by either party, the other party shall execute and deliver to the requesting party an
24 Estoppel Certificate, in such form as reasonably required by any prospective purchaser
25 of the Project or prospective lender to Lessor, indicating in the certificate any
26 exceptions to the statements in the certificate that may exist at that time.

27
28

1 **16. Subordination, Non-Disturbance, and Attornment.**

2 **16.1 Subordination, Non-Disturbance, and Attornment Agreement.**

3 Notwithstanding anything to the contrary this Lease shall be subordinate to any
4 mortgage, deed of trust or other encumbrance of the Property or the Premises
5 (collectively "Encumbrance") and County shall attorn to the holder of any
6 Encumbrance. To carry out the purposes of Section 16.2 and Section 16.3, the Parties
7 agree to execute a Subordination, Non-Disturbance and Attornment Agreement in the
8 form set forth in the attached Exhibit "H" ("SNDA") and Lessor shall use commercially
9 reasonable efforts to obtain the signature on the SNDA of the holder of any present or
10 future Encumbrance.

11 **16.2 Subordination.** County agrees that within forty-five (45) business
12 days after Lessor's written request, it shall execute the agreement referred to in
13 Section 16.1 that Lessor reasonably considers necessary to evidence or confirm the
14 subordination or inferiority of this Lease to the lien of any mortgage, deed of trust or
15 other encumbrance of the Premises or any renewal, extension, modification,
16 replacement thereof, provided however, that such Subordination Agreement shall be
17 strictly limited to matters contained in the Agreement referred to in Section 16.1 and no
18 such Subordination Agreement shall materially increase any of County's obligations or
19 materially decrease any of County's rights under this Lease, nor shall the possession of
20 County be disturbed, by reason of any foreclosure, sale or other action under any such
21 trust deed, mortgage or other encumbrance.

22 **16.3 Intentionally Deleted.**

Any changes or modifications approved by the County shall be at Lessor's sole cost and expense.

SECTION 3 - CONSTRUCTION DRAWINGS

ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
 2. Common public areas which County employees or its invitees would normally/reasonably use.
 3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.
- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

4. **Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

5. **Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall be:

- (a) liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;
- (b) subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;
- (c) bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or
- (d) bound by an amendment or modification of the Lease even though

made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) subject to the County 's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

(i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;

(ii) County shall look solely to the interests of Transferee set forth in (a) above, and

(iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations under the Lease.

14. **Notice.** All notices required by this Agreement shall be given in writing and shall be deemed to have been duly given for all purposes when:

(b) deposited with a nationally recognized overnight delivery service such as Federal Express or Airborne.
