**BACKGROUND:**

This facility continues to meet the needs of the Family Care Clinic (FCC) program of support and service to the community. However, the facility is long overdue for new flooring and paint in the exam rooms, nurses station and public areas within the FCC.

In an effort to assist Riverside County Regional Medical Center (RCRMC) in achieving their goals and eliminating a rent increase, and to improve the overall aesthetic appearance of the clinic, the Real Estate Division has negotiated a five year lease renewal at the current rate of \$1.22 per square foot. In addition, the Lessor at its sole cost expense shall perform the department's requested improvements.

Pursuant to the California Environmental Quality Act (CEQA), the Lease was reviewed and determined to be categorically exempt from CEQA under CEQA guidelines 15301, Class 1 – Existing Facilities. The proposed project, the Lease, is the letting of property involving existing facilities with minor tenant improvements alternations and no expansion of an existing use will occur.

1 under this Section 13, Lessor shall promptly and diligently restore Premises, the  
2 County Improvements originally constructed by Lessor, Base Building Systems, and

4 Casualty, subject to modifications required by building codes and other laws. If County  
5 requests that Lessor make any modifications to the County Improvements in  
6 connection with the rebuilding, Lessor may condition its consent to those modifications  
7 on: (a) confirmation by Lessor's contractor that the modifications shall not increase the  
8 time needed to complete the County Improvements; or (b) an agreement by County  
9 that the additional construction period shall not extend the rent abatement period.

10 **13.2 Repair Period Notice.** Lessor shall, within sixty (60) days after

28 of a substantial or total casualty to the Premises or improvements, County may by

1 written notice to Lessor within thirty (30) days after such damage or destruction of its  
2 intention to terminate this Lease, elect to terminate this Lease by providing written  
3 notice (County's Termination Notice) to Lessor within thirty (30) days after receiving the

8 date of the Casualty; or (b) the date on which County ceases to occupy the Premises  
9 and ending on the date of Substantial Completion of Lessor's restoration obligations as  
10 provided in this Section 13 ("Abatement Period"). If, however, County is able to occupy  
11 and does occupy a portion of the Premises, Rent shall be abated during the Abatement  
12 Period only for the portion of the Premises not occupied by County.

13 **13.6 Damage Near End of Term.** Despite any other provision of this  
14 Section 13, if the Premises are destroyed or damaged by a Casualty during the last  
15 eighteen (18) months of the original Lease Term, Lessor and County shall each have  
16 the option to terminate this Lease by giving written notice to the other of the exercise of  
17 that option within thirty (30) days after that damage or destruction, provided, however,  
18 County may negate Lessor's election to terminate under this Section 13.6 by electing,  
19 within ten (10) days after receipt of Lessor's termination notice, to exercise any  
20 unexercised option to extend this Lease. If County negates Lessor's election, this  
21 Lease shall continue in effect unless Lessor has the right to, and elects to, terminate  
22 this Lease under Section 13.3.

23 **13.7 Effective Date of Termination; Rent Apportionment.** If Lessor  
24 or County elects to terminate this Lease under this Section 13 in connection with a

27 Casualty. After the effective date of the termination, Lessor and County shall be  
28

1 discharged of all future obligations under this Lease, except for those provisions that,  
2 by their terms, survive the expiration or earlier termination of the Lease.

3           **13.8 Waiver of Statutory Provisions.** The provisions of this Lease,  
4 including those in this Section 13, constitute an express agreement between Lessor  
5 and County that applies in the event of any Casualty to the Premises. Lessor and  
6 County, therefore, fully waive the provisions of any statute or regulation, for any rights  
7 or obligations concerning a Casualty including California Civil Code Sections 1932(2)  
8 and 1933(4).

9           **13.9 Release on Termination.** In the event of any termination of this  
10 Lease in accordance with Section 13, the Parties shall be released there from without  
11 further obligation to the other Party, except as may otherwise be specifically set forth in  
12 this Lease and items that have accrued and are unpaid.

13           **14. Eminent Domain.**

14           **14.1 Total Condemnation.** If all of the Premises are condemned by  
15 eminent domain, inversely condemned, or sold in lieu of condemnation for any public or  
16 quasi-public use or purpose, this Lease will terminate as of the date of title vesting in  
17 that proceeding and the Rent will be abated from the date of termination.

18           **14.2 Partial Condemnation.** If any portion of the Premises is  
19 condemned by eminent domain, inversely condemned, or sold in lieu of condemnation  
20 for any public or quasi-public use or purpose and the partial condemnation renders the  
21 Premises unusable for County's business, this Lease will terminate as of the date of  
22 title vesting or order of immediate possession in that proceeding and the Rent will be  
23 abated to the date of termination. If the partial condemnation does not render the  
24 Premises unusable for the business of County and less than a substantial portion of the  
25 Premises is condemned, Lessor must promptly restore the Premises to the extent of  
26 any condemnation proceeds recovered by Lessor, excluding the portion lost in the  
27 condemnation, and this Lease will continue in full force, except that after the date of the  
28

1 title vesting, the Rent will be adjusted, as reasonably determined by Lessor and  
2 County.

3           **14.3 Award.** If the Premises are wholly or partially condemned, Lessor  
4 will be entitled to the entire award paid for the condemnation, and County waives any  
5 claim to any part of the award from Lessor or the condemning authority. County,  
6 however, will have the right to recover from the condemning authority any  
7 compensation that may be separately awarded to County in connection with costs in  
8 removing County's merchandise, furniture, fixtures, leasehold improvements, and  
9 equipment to a new location.

10           **14.4 Temporary Condemnation.** In the event of a temporary  
11 condemnation, this Lease will remain in effect, County will continue to pay Rent, and  
12 County will receive any award made for the condemnation. If a temporary  
13 condemnation remains in effect at the expiration or earlier termination of this Lease,  
14 County will pay Lessor the reasonable cost of performing any obligations required of  
15 County with respect to the surrender of the Premises. If a temporary condemnation is  
16 for a period that extends beyond the Term, this Lease will terminate as of the date of  
17 occupancy by the condemning authority and any award will be distributed in  
18 accordance with Section 14.3.

19           **15. Estoppel Certificates.**

20           **15.1** Within twenty (20) business days after receipt of a written request  
21 by either party, the other party shall execute and deliver to the requesting party an  
22 Estoppel Certificate, in such form as reasonably required by any prospective purchaser  
23 of the Project or prospective lender to Lessor, indicating in the certificate any  
24 exceptions to the statements in the certificate that may exist at that time.

25           **16. Subordination, Non-Disturbance, and Attornment.**

26           **16.1 Subordination, Non-Disturbance, and Attornment Agreement.**  
27 Notwithstanding anything to the contrary this Lease shall be subordinate to any  
28 mortgage, deed of trust or other encumbrance of the Property or the Premises

1 (collectively "Encumbrance") and County shall attorn to the holder of any  
2 Encumbrance. To carry out the purposes of Section 16.2 and Section 16.3, the Parties  
3 agree to execute a Subordination, Non-Disturbance and Attornment Agreement in the  
4 form set forth in the attached Exhibit "H" ("SNDA") and Lessor shall use commercially  
5 reasonable efforts to obtain the signature on the SNDA of the holder of any present or  
6 future Encumbrance.

7           **16.2 Subordination.** County agrees that within forty-five (45) business  
8 days after Lessor's written request, it shall execute the agreement referred to in  
9 Section 16.1 that Lessor reasonably considers necessary to evidence or confirm the  
10 subordination or inferiority of this Lease to the lien of any mortgage, deed of trust or  
11 other encumbrance of the Premises or any renewal, extension, modification,  
12 replacement thereof, provided however, that such Subordination Agreement shall be  
13 strictly limited to matters contained in the Agreement referred to in Section 16.1 and no  
14 such Subordination Agreement shall materially increase any of County's obligations or  
15 materially decrease any of County's rights under this Lease, nor shall the possession of  
16 County be disturbed, by reason of any foreclosure, sale or other action under any such  
17 trust deed, mortgage or other encumbrance.

18           **16.3 Intentionally Deleted.**

19           **17. Breach by Lessor.**

20           **17.1 Lessor's Default.** Except as provided to the contrary in this  
21 Lease, Lessor's failure to perform any of its obligations under this Lease shall  
22 constitute a default by Lessor under the Lease if the failure continues for thirty (30)  
23 days after written notice of the failure from County to Lessor. If the required  
24 performance cannot be completed within thirty (30) days, Lessor's failure to perform  
25 shall constitute a default under the Lease unless Lessor undertakes to cure the failure  
26 within thirty (30) days and diligently and continuously attempts to complete this cure as  
27 soon as reasonably possible.

1                   **17.2 County's Right to Cure Lessor's Default and Deduct Cost.**

2 Except as provided to the contrary in this Lease, if County provides notice to Lessor of  
3 Lessor's failure to perform any of its obligations under this Lease and Lessor fails to  
4 provide such action as required by the terms of this Lease within the period specified,  
5 County may take the required action if: (a) County delivers to Lessor an additional  
6 written notice advising Lessor that County intends to take the required action if Lessor  
7 does not begin the required action within ten (10) days after the written notice; and (b)  
8 Lessor fails to begin the required action within this ten (10) day period.

9                   **17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's

10 written demand for payment of County's costs incurred in taking such action on  
11 Lessor's behalf, Lessor has not paid the invoice or delivered to County a detailed  
12 written objection to it, County may deduct from Rent payable by County under this  
13 Lease the amount set forth in the invoice, including transaction costs and attorneys'  
14 fees, plus interest at the then legal rate of interest from the date these costs are  
15 incurred until the date of County's Rent setoff.

16                   **17.2 Intentionally Deleted.**

17                   **17.3 Intentionally Deleted.**

18                   **18. Lessor's Representations and Warranties.** Lessor represents and

19 warrants to County that:

20                   **18.1 Title.** To Lessor's actual and current knowledge, County's

21 Leasehold interest in the Premises is free and clear of restrictions which would restrict  
22 County's rights under this Lease.

23                   **18.2 Certificate of Authority.** Lessor covenants that it is a duly

24 constituted under the laws of the state of its organization, and that the person(s) who is  
25 acting as its signatory in this Lease is duly authorized and empowered to act for and on  
26 behalf of the Lessor. Lessor shall furnish County prior to the execution hereof with  
27 evidence of the authority of the signatory to bind the entity or trust as contemplated  
28 herein.

1           **18.3 No Litigation.** To Lessor's actual and current knowledge, there  
2 are no judicial, quasi-judicial, administrative or other orders, injunctions, moratoria or  
3 pending proceedings against Lessor or the Premises which preclude or interfere with,  
4 or would preclude or interfere with, the construction contemplated herein or the  
5 occupancy and use of the Premises by County for the purposes herein contemplated.

6           **18.4 Easements.** Except as required by Applicable Requirements,  
7 Lessor shall not (a) subdivide, parcel or otherwise divide the Premises, (b) create,  
8 modify or terminate any ingress or egress to or from the premises, or (c) create any  
9 easements in the Premises, without County's prior written approval which shall not be  
10 unreasonably withheld, delayed or conditioned which would materially impair County's  
11 use of the Premises.

12           **19. Miscellaneous.**

13           **19.1 Quiet Enjoyment.** Lessor covenants that County shall at all times  
14 during the term of this Lease peaceably and quietly have, hold and enjoy the use of the  
15 Premises so long as County shall fully and faithfully perform the terms and conditions  
16 that it is required to do under this Lease. If the Premises are part of a building shared  
17 with other tenants of Lessor, during County's tenancy, Lessor may make or permit  
18 other tenants to make alterations, renovations and improvements to those portions of  
19 the building not occupied by County. Lessor covenants for itself and anyone deriving  
20 title from or holding title under Lessor that County's access, ingress, loading and  
21 unloading and sufficient parking for County's business shall not unreasonably be  
22 obstructed nor shall the daily business of County be disrupted as a result of such  
23 alterations, renovations and improvements.

24           **19.2 Non-Waiver.** No waiver of any provision of this Lease shall be  
25 implied by any failure of either party to enforce any remedy for the violation of that  
26 provision, even if that violation continues or is repeated. Any waiver by a party of any  
27 provision of this Lease must be in writing. Such written waiver shall affect only the  
28 provision specified and only for the time and in the manner stated in the writing.

1           **19.3 Binding on Successors.** The terms and conditions herein  
2 contained shall apply to and bind the heirs, successors in interest, executors,  
3 administrators, representatives and assigns of all the Parties hereto.

4           **19.4 Severability.** The invalidity of any provision in this Lease as  
5 determined by a court of competent jurisdiction shall in no way affect the validity of any  
6 other provision hereof.

7           **19.5 Venue.** Any action at law or in equity brought by either of the  
8 Parties hereto for the purpose of enforcing a right or rights provided for by this Lease  
9 shall be tried in a court of competent jurisdiction in the County of Riverside, State of  
10 California, and the Parties hereto waive all provisions of law providing for a change of  
11 venue in such proceedings to any other county.

12           **19.6 Attorneys' Fees.** In the event of any litigation or arbitration  
13 between Lessor and County to enforce any of the provisions of this Lease or any right  
14 of either party hereto, the unsuccessful party to such litigation or arbitration agrees to  
15 pay to the successful party all costs and expenses, including reasonable attorneys'  
16 fees, incurred therein by the successful party, all of which shall be included in and as a  
17 part of the judgment rendered in such litigation or arbitration.

18           **19.7 County's Representative.** County hereby appoints the  
19 Assistant County Executive Officer/EDA as its authorized representative to administer  
20 this Lease.

21           **19.8 Agent for Service of Process.** It is expressly understood and  
22 agreed that in the event Lessor is not a resident of the State of California or it is an  
23 association or partnership without a member or partner resident of the State of  
24 California, or it is a foreign corporation, then in any such event, Lessor shall file with  
25 County's Assistant County Executive Officer/EDA, upon its execution hereof, a  
26 designation of a natural person residing in the State of California, giving his or her  
27 name, residence and business addresses, as its agent for the purpose of service of  
28 process in any court action arising out of or based upon this Lease, and the delivery to

1 such agent of a copy of any process in any such action shall constitute valid service  
2 upon Lessor. It is further expressly understood and agreed that if for any reason  
3 service of such process upon such agent is not feasible, then in such event, Lessor  
4 may be personally served with such process out of this county and that such service  
5 shall constitute valid service upon Lessor. It is further expressly understood and  
6 agreed that Lessor is amenable to the process so served, submits to the jurisdiction of  
7 the court so obtained and waives any and all objections and protests thereto.

20 performance of all obligations to be performed or observed by the Parties under this  
21 Lease.

22           **19.12 Recording.** Either Lessor or County shall, upon request of the  
23 other, execute, acknowledge and deliver to the other a short form memorandum  
24 of this Lease for recording purposes. The Party requesting recordation shall be  
25 responsible for payment of any fees applicable thereto.

27 under any provision of this Lease, it shall not be unreasonably withheld, conditioned or  
28 delayed.

1           **19.14 Title.** Lessor covenants that Lessor is well seized of and has  
2 good title to the Premises, and Lessor does warrant and will defend the title thereto,  
3 and will indemnify County against any damage and expense which County may suffer  
4 by reason of any lien, encumbrance, restriction or defect in title or description herein of  
5 the Premises. If, at any time, Lessor's title or right to receive Rent and any other sums

14 liens shall be filed against the Premises for work done or materials furnished to a Party,  
15 that Party shall, at its own cost and expense, cause such lien or liens to be discharged  
16 within fifteen (15) days after notice thereof by filing or causing to be filed a bond or  
17 bonds for that purpose. In the event any notice preliminary to establishing such a lien  
18 (such as the California Preliminary 20-Day Notice) is served on Lessor for work done  
19 on the Premises, Lessor shall immediately forward a copy of such notice to Lessee.

20           **19.17 Surrender.** County shall, after the last day of the term or any  
21 extension thereof or upon any earlier termination of such term, surrender and yield up  
22 to Lessor the Premises in good order, condition and state of repair, reasonable wear

**SECTION 1 - LESSOR'S INITIAL CONSTRUCTION OF PREMISES**

1.1 Lessor will cause the construction of, at its sole cost and expense, or has acquired or constructed, that certain free standing building described in Section 2 of the Lease, hereinafter referred to as the "Base Building."

**SECTION 2 - CONSTRUCTION DRAWINGS FOR THE PREMISES**

2.1 Lessor shall, at its sole cost and expense, and subject to reimbursement as hereinafter set forth, construct the improvements in the Premises (the "Leasehold Improvements") pursuant to those certain blueprints, floor and space plans, specification and finalize construction prices, collectively, the approved "Working drawings" prepared by Lessor's architect. Lessor shall make no changes or modifications to the Approved Working Drawings without the prior written consent of County, which consent may be withheld if such change or modification would directly or indirectly delay the "Substantial Completion," as that term is defined in Section 6.1 of this Leasehold Improvement Agreement, of the Premises or increase the cost of designing or constructing the Leasehold Improvements. Any changes or modifications approved by the County shall be at Lessor's sole cost and expense.

**SECTION 3 - CONSTRUCTION DRAWINGS**

3.1 Selection of Architect/Construction Drawings. Lessor shall retain an architect or space planner (the "Architect") to prepare the Construction Drawings. Lessor shall retain the engineering consultants (the "Engineers") to prepare all plans and engineering working drawings relating to the structural, mechanical, electrical, plumbing, HVAC, life safety, and sprinkler work of the Leasehold Improvements. Lessor and Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the Base Building Plans, and Lessor and Architect shall be solely responsible for the same, and County shall have no responsibility in connection therewith. County's review of the Construction Drawings as set forth in this Section 3, shall be for its sole purpose and shall not imply County's review of the same, or obligate Lessor to review the same, for quality, design, Code compliance or other like matters. Accordingly, notwithstanding that any Construction Drawings are reviewed by County or its agents and consultants, and notwithstanding any advice or assistance which may be rendered to Lessor by County or County's agents or consultants, County shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Construction Drawings, and Lessor's waiver and indemnity set forth in this Lease shall specifically apply to the Construction Drawings.

Lessor shall immediately submit the Approved Working Drawings to the appropriate municipal authorities for all applicable building permits necessary to commence and fully complete the construction of the Leasehold Improvements (the "Permits"). Lessor hereby agrees that neither County nor County's agents or consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Premises and that the obtaining of the same shall be Lessor's responsibility; provided however that County shall, in any event, cooperate with Lessor in executing permit applications and performing other ministerial acts reasonably necessary to enable Lessor to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of County, provided that County may withhold its consent, in its sole discretion, to any change in the Approved Working Drawings if such change would directly or indirectly delay the "Substantial Completion" of the Premises as that term is defined in Section 6.1 of this Leasehold Improvement Agreement.

Lessor shall provide County with periodic written progress reports, which reports shall contain, without limitation, updated information relative to permit approvals and construction.

5.2 Lessor shall notify County, in writing, forthwith when such planning, entitlement process, related preparation and construction of the Leasehold Improvements have been completed, a Certificate of Occupancy has been issued by the City of \_\_\_\_\_, or if no new Certificate of Occupancy is required, then upon acceptance of the improvements by the City of \_\_\_\_\_ upon final inspection, all required permits have been obtained and electrical power has been turned on. Within ten (10) days thereafter, County shall schedule and conduct a "job walk" with Lessor for the purpose of accepting the Premises for occupancy. County shall accept the Premises if the improvements are Substantially Complete and the Premises are available for useful occupancy, as hereinafter defined. County reserves the right to determine if the Premises are Substantially Complete and available for useful occupancy.

## ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
  2. Common public areas which County employees or its invitees would normally/reasonably use.
  3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.
  
- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

**SUBORDINATION, NON-DISTURBANCE, AND ATTORNMENT AGREEMENT**

This Subordination, Non-disturbance, and Attornment Agreement ("Agreement") is made as of \_\_\_\_\_ between \_\_\_\_\_ (Lender), a \_\_\_\_\_, having its principal place of business at \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ and the County of Riverside (County), by its authorized representative the Assistant County Executive Officer/EDA having its address for notification at 3403 Tenth Street, Suite 500, Riverside, California 92501.

**Recitals:**

A. Lender has agreed to make a loan to \_\_\_\_\_, a \_\_\_\_\_ (Lessor), to be secured by a deed of trust, dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of \_\_\_\_\_ County, California (together with all amendments, increases, renewals, modifications, consolidations, replacements, substitutions, and extensions, either current or future, referred to hereafter as the "Mortgage") encumbering Lessor's ownership interest in real property located in \_\_\_\_\_, \_\_\_\_\_, State of California. The legal description of the encumbered real property (the "Mortgage Premises") is set forth in Exhibit A, attached to this Agreement. The Mortgage, together with the promissory note or notes, the loan agreement(s), and other documents executed in connection with it are hereafter collectively referred to as the "Loan Documents".

B. On \_\_\_\_\_, \_\_\_\_\_, County and Lessor entered into a lease for the Mortgage Premises (the Lease). The Lease creates a leasehold estate in favor of County for space (the "Premises") located on the Mortgage Premises.

C. In connection with execution of the Mortgage, Lessor also executed and delivered to Lender an Assignment of Leases, Rents and Profits dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of the County Recorder of \_\_\_\_\_, California concerning all rents, issues and profits from the Mortgage Premises. This document, together with all amendments, renewals, modifications consolidations, replacements, substitutions and extensions, is hereafter referred to as the "Assignment of Rents."

To confirm their understanding concerning the legal effect of the Mortgage and the Lease, in consideration of the mutual covenants and agreements contained in this Agreement and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

Lender and County, intending to be legally bound, agree and covenant as follows:

1. **Representations and Warranties.** County warrants and represents that the Lease is in full force and effect and that, as of the date of this Agreement and to the best of County's knowledge, there is no default under the Lease by Lessor or County.

2. **County Subordination.**

2.1. Subject to the provisions of Section 3, the Loan Documents shall constitute a lien or charge on the Mortgage Premises that is prior and superior to the Lease, to the leasehold estate created by it, and to all rights and privileges of County under it; by this Agreement, the Lease, the leasehold estate created by it, together with all rights and privileges of County under it, is subordinated, at all times, to the lien or charge of the Loan Documents in favor of Lender.

2.2. By executing this Agreement, County subordinates the Lease and County's interest under it to the lien right and security title, and terms of the Loan Documents, and to all advances or payments made, or to be made, under any Loan Document.

3. **Non-disturbance.**

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including its right to early termination, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and any extensions thereof, shall not be diminished by Lender's exercise of its rights or remedies under the Loan Documents, provided that County has not canceled or terminated the Lease, nor surrendered, or abandoned the Premises.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease beyond any applicable cure or grace periods, has not canceled or terminated the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to, and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Sections 5-7);

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

3.4. County shall not be named or joined in any foreclosure, trustee's sale, or other proceeding to enforce the Loan Documents unless such joinder shall be legally required to

perfect the foreclosure, trustee's sale, or other proceeding.

**4. Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

**5. Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall be:

- (a) liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;
- (b) subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;
- (c) bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or
- (d) bound by an amendment or modification of the Lease even though

made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) subject to the County's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

(i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;

(ii) County shall look solely to the interests of Transferee set forth in (a) above, and

(iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations under the Lease.

14. **Notice.** All notices required by this Agreement shall be given in writing and shall be deemed to have been duly given for all purposes when:

(a) deposited in the United States mail (by registered or certified mail, return receipt requested, postage prepaid); or

(b) deposited with a nationally recognized overnight delivery service such as Federal Express or Airborne.
