**BACKGROUND:**

The Regional Access Project Foundation – Building Healthy Communities HUE Music & Arts Festival will take place in on April 6<sup>th</sup>. The event will showcase the talent and creativity of youth in the eastern Coachella Valley. There will be music of various genres, arts and cultural activities, films, public art, healthy food, and sustainability workshops.

The Flying Doctors & CV Medical Volunteers mobilize healthcare professionals, agencies, community based organizations, and volunteers to improve the health and well-being of the underserved population living in the Coachella Valley. Last year’s effort resulted in helping 3,000 patients.

The United Way of the Desert will be hosting the “Rockin’ VIP Challenge” event on March 22<sup>nd</sup>. The event will raise funds to assist local charitable organizations that provide necessary services to the residents throughout the Coachella Valley.

I would like to use Community Improvement Funds to support these worthy events that benefit the residents from the Fourth District.
