

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

705 A

FROM: Department of Environmental Health

SUBMITTAL DATE:
February 26, 2013

SUBJECT: Initiation of Revision of Ordinance No. 523 Relating to the Control of Vectors.

RECOMMENDED MOTION: That the Board of Supervisors:

1. Pursuant to Board Policy A-67, adopt an order initiating a revision to ordinance no. 523 relating to the control of vectors; and
2. Direct County Counsel to prepare and process the ordinance revision.

BACKGROUND: Ordinance 523 currently only addresses flies under the Department's enforcement purview. The proposed amendment to Ordinance No. 523 is necessary in order to include other vectors such as mosquitoes, fleas, and ticks. This amendment will allow the Department to provide better protection to the public from vector borne diseases and nuisances.

FISCAL: The approval of this ordinance will result in no cost to the County; implementation expenses will be paid through program enforcement cost recovery methods.
