BACKGROUND:

The Junior League of Riverside is holding their annual giving campaign to promote volunteerism and enhance the quality of life for children and their families. The Inland Empire Reading Scholarship Program is holding its 15th Annual Reading Contest providing awards and incentives to over 4,000 children in elementary and middle schools in Moreno Valley. The Perris Union Management Association (PUMA) is holding their annual golf tournament with all proceeds dedicated to high school senior scholarships. Perris Valley Chamber of Commerce is holding an event to benefit students and programs at Perris Union schools. These funds are used to improve the quality of life throughout the 5th district and I urge the Board to approve these uses of the Community Improvement Designation funds.
