**BOARD OF SUPERVISORS
FORM 11: APPROVAL OF FY 2012/13 FLEET SERVICES BUDGET ADJUSTMENT
PAGE 2**

BACKGROUND (Continued)

On 9/11/2012, Resolution No. 2012-193, the Board of Supervisors approved the final budget recommendations for Fiscal Year 2012-2013. At the time the budget was passed for the individual departments, the Fleet budget was not adjusted to allow Fleet to pay for the vehicles. The FY 12-13 final budget authorized the purchase of 59 new vehicles:

38	District Attorney
11	Probation
1	CHA Administration
4	Child Support Services
1	Environmental Health
2	Sheriff Corrections
1	Sheriff Patrol
1	Public Health

Through other actions during the current year, the Board approved four (4) new vehicles for the Agricultural Commissioner (agenda item 3.73 on 2/26/2013) and two (2) new vehicles for Sheriff Corrections (agenda item 3.69 on 11/6/2012). In addition, Fleet Services must adjust the budget for one Sheriff vehicle budgeted last fiscal year but not received until the current fiscal year as well as adjust the amortization/depreciation expense for all these vehicles. This action will facilitate the budget adjustments to the Fleet Services Department budget for the purchase of those vehicles.

Attachment B shows the current status of vehicle purchases. Fleet Services will procure these vehicles within the current fiscal year.
