BACKGROUND:

The Economic Development Agency will be hosting community fairs at the community centers located in the unincorporated communities of North Shore, Indio Hills, Bermuda Dunes, and Mesa Verde.

The Desert Hot Springs Health and Wellness Foundation will be partnering with the Desert Health Care District and the Health Assessment Resource Center to conduct and oversampling of the Desert Hot Springs community to determine the baseline health and wellness data to compare to as infrastructure is completed and programs and services are implemented.

I would like to use Fourth District Community Improvement Designation funds to support these organizations in meeting the needs of our communities.
