BACKGROUND:

The Junior Livestock Auction at the Colorado River Fair supports the local 4-H and Future Farmers of America (FFA) youth in the Palo Verde Valley.

Valley Crime Stoppers is hosting their annual golf tournament on April 8th. This event raises funds to offer rewards for anonymous information concerning individuals involved in crime. To date the organization has paid out over \$140,000 and has recovered stolen property and contraband totaling over 19 million dollars.

The American Legion 21st District produces the Legionnaire Newspaper that provides readers with up to date information regarding Post activities, along with vital Veterans issues and legislation, and information regarding Memorial Day activities.

The UCR Foundation will be awarding scholarships to students that will be attending UCR. This year the UCR Affiliates will consider high school students in the Fourth District for the scholarships.

I would like to use Fourth District Community Improvement funds to support these organizations meet their goals.
