NOTICE TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

**NORCO MDP LATERAL N-1D AND
NORCO - SPIRIT KNOLL COURT STORM DRAIN**

Project No. 2-0-00083

located in the city of Norco

Riverside County, California

Specifications and Contract Documents may be examined at the District's office at 1995 Market Street, Riverside, California, and may be obtained upon payment to District of **\$60.00** per set, received at the District's office and **\$65.00** per set if mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 received at the District's office and \$15.00 if mailed. No refund.

Each proposal must be accompanied by a certified or cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Proposals must be in accordance with the instructions and filed with District by **2:00 p.m. on Thursday, May 9, 2013** at the District office at the above address which time and place are fixed for the public opening of bids.

General prevailing rate per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the

Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

Contractors submitting proposals for this project shall have an "A" Contractors license from the State of California in order to be considered eligible for the contract award.

NORCO MDP LATERAL N-1D

NORCO SPIRIT KNOLL COURT SD

Norco MDP Lateral N-1D, Stage 1, is located within the city of Norco, Riverside County, California. The project is an underground system that begins at the existing Norco Channel, travels east approximately 650 feet along Rose Court, turns south and ends approximately 300 feet south of the intersection of Rose Court and Temescal Avenue. This project is proposed to convey the 100-year storm event with catch basins located along Rose Court and Temescal Avenue, between 6th and 7th Streets. The proposed project is approximately 970 lineal feet of 3'Hx5'W reinforced concrete box. The mainline will be maintained and operated by the District; the catch basins will be maintained by the City of Norco.

Norco Spirit Knoll Court Storm Drain, is located within the city of Norco, Riverside County, California. The project is an underground system to convey the 10-year storm event and help alleviate flooding with catch basins located along Temescal Avenue. Spirit Knoll Court lateral is approximately 1,130 lineal feet of reinforced concrete pipe varying in size between elliptical 36-inch equivalent pipe to 18-inch pipe. The system starts at a catch basin located at the end of Spirit Knoll, travels approximately 600 feet east before turning south along Temescal Avenue and terminates approximately at the intersection of Winners Circle and Temescal Avenue. The existing catch basin on Spirit Knoll Court discharges into the interim North Norco Channel. The project will be constructed by the District and operated and maintained by the City of Norco.
