SUBJECT:

Amendment to the Professional Services Agreement between Blood Bank of San Bernardino / Riverside Counties d/b/a LIFESTREAM and Riverside County Regional Medical Center (RCRMC)

PREVIOUS AGENDA REFERENCE:

08/31/10; 3.70 and 06/12/12; 3.28

BACKGROUND:

Riverside County Regional Medical Center (RCRMC) has contracted with Blood Bank of San Bernardino/Riverside Counties to provide blood product & blood-related services since 1991 and for the Therapeutic Apheresis (TA) program since 1999. Historically, this vendor has been the sole provider able to supply these needed services for the hospital.

On August 31, 2010; agenda item 3.70, the Board of Supervisors approved the multi-year professional services agreement(s), without securing competitive bids, in accordance with Ordinance 459.4, ending June 30, 2013 for Therapeutic Apheresis (TA) services not to exceed \$140,000 for a term of three years. RCRMC anticipated spending approximately \$46,667 per year for the TA program.

During the first fiscal year due to an unexpected need for TA services, the department used approximately 52% of the contracted amount as several patients required the needed service. On June 12, 2012; agenda item 3.28, the Board approved the amendment to increase the contract to an aggregate amount of \$87,193.

As more patients require cytoreduction, plasma exchange and therapeutic phlebotomy procedures for the treatment of certain diseases, increased utilization of this service attributed to the improved outcomes when patients undergo these apheresis procedures and as a result, require additional funds in the amount of \$28,247 to the current and final fiscal year, ending June 30, 2013.

FISCAL FUNDING:

These services are based solely on Hospital Enterprise Funds (100%).
