3. Award the contract to All American Asphalt and authorize the Chairman of the Board of Supervisors to execute the contract documents; and
4. Approve the project's proposed budget as given on Attachment A.

BACKGROUND: By Minute Order dated January 29, 2013 (Agenda Item 3.45), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of Indiana Avenue and Grant Street roadway improvements in the community of Home Gardens.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the specifications and special provisions. Bidders are required to acknowledge and take into account all issued addenda on their Contractor's Proposal. The addendum was issued to clarify and modify the approved contract documents. The addendum is attached and designated as Addendum No. 1.

Bids for the project were opened in the office of the Director of Transportation and Land Management at 2:00 p.m., Wednesday, February 20, 2013. Eleven bids were received, ranging from \$212,027 to \$292,300. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsible bid was submitted by All American Asphalt of Corona, CA in the amount of \$212,027, which is \$12,573 (5.6%) below the Engineer's Estimate. The project is expected to finish within the existing budget as shown on Attachment A.

The project will include roadway reconstruction, roadway resurfacing, sidewalk, and driveway and access ramp reconstruction. The reconstruction includes approximately 500 linear feet of Indiana Avenue and Grant Street. The resurfacing includes approximately 700 linear feet of Grant Street. Additional improvements include the removal and reconstruction of concrete curb and gutter, driveway approaches, curb ramps and sidewalk, construction of a new concrete cross gutter and spandrel, placement of asphalt concrete dike and driveways, striping, pavement markings, and associated work improvements. The reconstruction will allow for improved drainage and pedestrian access.

The award documents include the following schedules of work:

Base Bid: Primary items of work.

Alternate 1: Home Gardens Sanitary District (HGSD) – Provide, replace, and adjust manhole frame and cover to grade. **Not selected for award.**

Alternate 2: HGSD – Adjust existing manhole frame and cover to grade.

The work included in Alternate 2 is recommended for award. The costs for the work will be reimbursed by HGSD under a previously executed funding agreement.

The Community Development Block Grant (CDBG) funds are being provided through a grant administered by the County of Riverside Economic Development Agency.

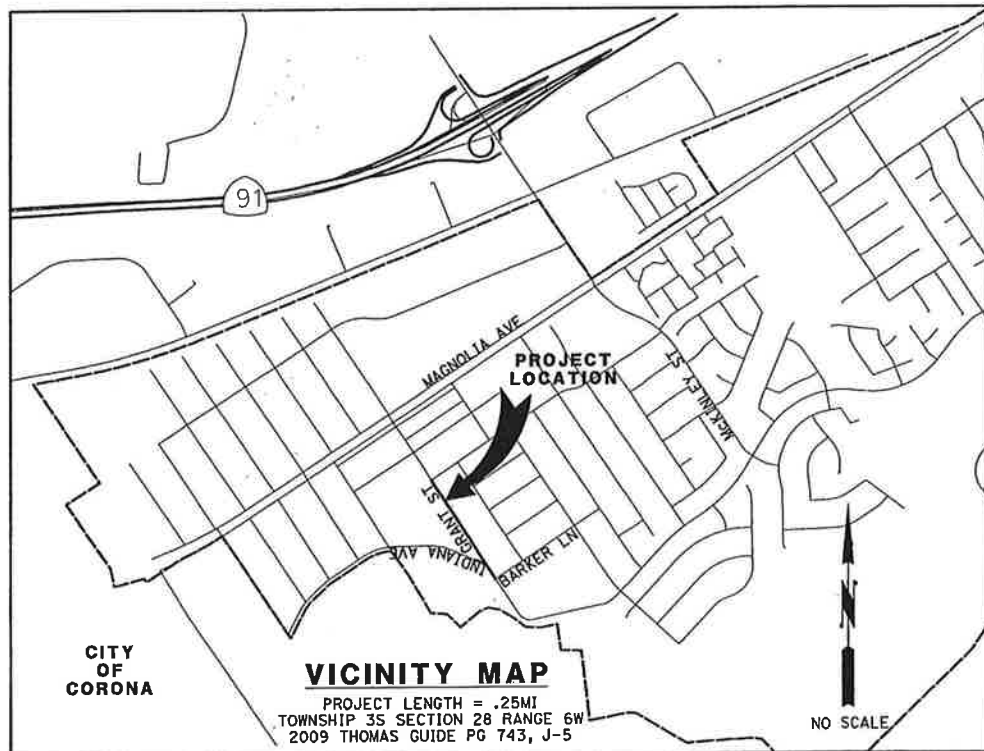

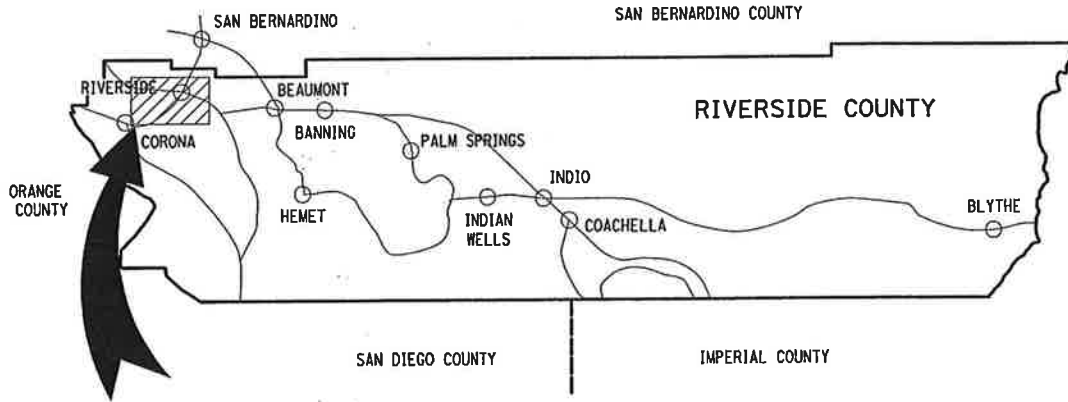

The Contractor will execute the contract and provide bonds and insurance documents after Board of Supervisors' approval. The Contractor is qualified to perform the proposed work.
