The Honorable Board of Supervisors

RE: Gilman Springs Road Pavement Rehabilitation, Soboba Road to East of State Route 79
(Sanderson Avenue/Lamb Canyon Road), San Jacinto Area

May 9, 2013

Page 2 of 2

BACKGROUND:

The Transportation Improvement Program provides for the pavement rehabilitation of Gilman Springs Road from Soboba Road to east of State Route 79 (Sanderson Avenue/Lamb Canyon Road) in the San Jacinto area of Riverside County. The existing pavement is in poor condition and requires rehabilitation.

The proposed improvements include pavement grinding and overlay, rolled curb, median curb, and safety enhancements, including centerline rumble strips between Soboba Road and State Route 79, and median delineators and rumble strips across the westbound lanes west of Soboba Road.

This project will require a full closure of Gilman Springs between Soboba Road and State Route 79. Construction will begin in July 2013 and conclude prior to the beginning of Fall Semester at Mount San Jacinto College.

The submitted plans and specifications have been approved as to form by County Counsel.

Environmental clearance is complete.
