BACKGROUND: The March Field Air Museum is raising funds to purchase a portable planetarium for exhibitions and traveling to local schools throughout the County. The 2013 Concert for Heroes is a free concert for the public with 9,000 people in attendance at last year's event. All Communities THRIVE is hosting a Community Health and Wellness Fair in the City of Perris with free diabetes and blood pressure testing as well as educational and public programs available for the underserved population. These funds improve the quality of life throughout the 5th district and I urge the Board to approve these uses of the Community Improvement Designation funds.
