Background (continued)

The VEBA HSP is designed to provide tax-free reimbursement for IRS qualified medical expenses incurred by the participant and/or the participant's qualified dependents. Eligible expenses are detailed in IRS Publication 502 and include such items as the purchase of post-employment health coverage (medical, dental, vision, etc.), co-payments and deductibles.

The Deferred Compensation Advisory Committee (DCAC) was established by the Board of Supervisors to provide investment oversight for the County's Deferred Compensation Plans. To ensure optimal investment gains, the DCAC reviewed and approved the replacement of the Goldman Sachs Financial Square Government Fund with the Nationwide Fixed Annuity Fund due to the low investment returns of 0.01% received from the Goldman Sachs Fund.

The Nationwide Fixed Annuity Fund was implemented on November 1, 2011. Since this time, participants have been able to invest in the VEBA HSP Nationwide Fixed Annuity Fund, with a guaranteed 3.25% rate of return. Currently, sixty three percent of the VEBA's plan assets are invested in the Nationwide Fixed Annuity Fund. As of March 31, 2013, the VEBA HSP had plan assets of more than \$25.1 million with 1,563 plan participants.

If approved, the Second Amendment Service Agreement (Attachment A) extends the term of the agreement through June 30, 2014. There is no charge to the County for the recommended action.
