between Domenigoni Parkway and Thompson Road for a length of approximately 8 miles. This project will improve safety and travel through the corridor and ease congestion caused by the significant increase in traffic volume.

On November 3, 2011, the Board awarded the construction contract for SR-79, Phase 1, of the project, Domenigoni Parkway to Scott Road. Construction began in March of 2012. Construction of Phase 2 of the project, Scott Road to Thompson Road, was awarded on January 15, 2013, and construction commenced in February of 2013. The project is anticipated to be completed in the spring of 2014.

On January 9, 2013, RCTC approved \$3 million in Measure A Regional Arterial (MARA) improvement funding for use in completing SR-79, Phase 2. This agreement establishes how the funds are to be used and defines the roles and responsibilities of each agency.

**AGREEMENT FOR THE FUNDING OF
MEASURE A REGIONAL ARTERIAL IMPROVEMENTS
WITH THE COUNTY OF RIVERSIDE**

1. Parties and Date.

1.1 This Agreement is executed and entered into this ____ day of _____, 2013, by and between the RIVERSIDE COUNTY TRANSPORTATION COMMISSION ("RCTC") and the COUNTY OF RIVERSIDE ("County"). RCTC and County are sometimes collectively referred to herein as the "Parties".

2. Recitals.

2.1 RCTC is a county transportation commission created and existing pursuant to California Public Utilities Code Sections 130053 and 130053.5.

2.2 On November 5, 2002 the voters of Riverside County approved Measure A authorizing the collection of a one-half percent (1/2%) retail transactions and use tax to fund transportation programs and improvements within the County of Riverside, and adopting the Riverside County Transportation Improvement Plan (the "Plan").

2.3 The Plan establishes funding for any improved Regional Arterial System to be funded by a mix of measure A and Transportation Uniform Mitigation Fees (TUMF) revenues.

2.4 Pursuant to Public Utility Code Sections 240000 et seq., RCTC is authorized to allocate the proceeds of the Measure A tax in furtherance of the Plan.

2.5 RCTC intends, by this Agreement, to distribute Measure A Regional Arterial ("MARA") Funds, subject to the conditions provided herein, and to participate in the joint development of the Project, as defined herein.

3. Terms.

3.1 Description of Work. This Agreement is intended to distribute MARA Funds to the County for the construction contract for State Route 79 Phase 2 widening project from Thompson Road to Scott Road ("the Work"). The Work, including a timetable and a detailed scope of work, is more fully described in Exhibit "A" attached hereto and, pursuant to Section 3.15 below, is subject to modification as requested by the County and approved by RCTC. The Work shall be consistent with one or more of the defined RCTC Call for Projects phases detailed herein as follows:

- 1) CONS – Construction (Contract only)

The Work phase(s) funded pursuant to this Agreement shall be consistent with the County's Call for Projects Nomination Form submitted to RCTC ("the Project"). The Project is more fully described in Exhibit "B" attached hereto. It is understood and agreed that the County shall expend MARA Funds only as set forth in this Agreement and only for the Work. To this end, any use of funds provided pursuant to this Agreement shall be subject to the review and approval of RCTC.

3.2 RCTC Funding Amount. RCTC hereby agrees to distribute to the County, on the terms and conditions set forth herein, a sum not to exceed Three Million Dollars (\$3,000,000), to be used exclusively for reimbursing the County for eligible Work expenses as described herein ("Funding Amount"). The County acknowledges and agrees that the Funding Amount may be less than the actual cost of the Work, and that RCTC shall not contribute MARA Funds in excess of the maximum authorized in this section.

3.2.1 Eligible Work Costs. The total eligible Work costs, not to exceed the Funding Amount, ("Eligible Work Cost") may include the following items, provided that such items are included in the scope of work attached as Exhibit "A": (1) County costs associated with bidding, advertising and awarding of the Work contracts, and; (2) construction costs, including change orders to construction contract approved by the County.

3.2.1.1 Appeal to Commission. In the event of a disagreement between the Parties regarding the reimbursement of MARA Funds under this section 3.2.1, either party may appeal, in writing, to the RCTC Board.

3.2.2 Ineligible Work Costs. Eligible Work Cost shall not include the following items which shall be borne solely by the County without reimbursement: (1) County administrative costs not associated with bidding, advertising and awarding of the Work contracts; (2) County costs attributed to the preparation of invoices, billings and payments; (3) any County fees attributed to the processing of the Work; and (4) expenses for items of work not included within the scope of work in Exhibit "A".

3.2.3 Increases in Work Funding. The Funding Amount may, in RCTC's sole discretion, be augmented with additional MARA Funds. Any such increase in the Funding Amount must be approved in writing by RCTC's Executive Director. No such increased funding shall be expended to pay for any Work already completed. For purposes of this Agreement, the Work or any portion thereof shall be deemed complete upon its acceptance by RCTC's Executive Director, or his or her designee.

3.2.4 Inspection and Acceptance. RCTC's Executive Director, or his or her designee, shall be authorized to inspect the Work, and provided that the Work is deemed satisfactory, RCTC shall, in its sole discretion, issue written notice to County accepting the Work. RCTC's acceptance of the Work or failure to inspect shall not affect County's obligation to repair or replace any Work that is defective or is otherwise nonconforming. Acceptance of the

Work by RCTC's Executive Director, or his or her designee, is for purposes related to RCTC's funding role hereunder only, and shall not in any way confer liability for the Work upon RCTC, its officers, agents or employees, or be deemed a waiver of RCTC's rights or remedies under this Agreement or applicable law.

3.2.5 No Funding for Temporary Improvements. Only segments or components of the Work that are intended to form part of or be integrated into the Work may be funded by MARA Funds. No improvement which is temporary in nature, including but not limited to temporary roads, curbs, or drainage facilities, shall be funded with MARA Funds except as needed for staged construction of the Work.

3.3 County's Funding Obligation to Complete the Work. In the event that the MARA Funds allocated to the Work represent less than the total cost of the Work, the County shall provide such additional funds as may be required to complete the Work as described in Exhibit "A".

3.3.1 County's Obligation to Repay MARA Funds to RCTC. In the event that: (i) the County, for any reason, determines not to proceed with or complete the Work; or (ii) the Work is not timely completed, subject to any extension of time granted by RCTC pursuant to Section 3.15; the County agrees that any MARA Funds that were distributed to the County for the Work shall be repaid in full to RCTC. The Parties shall enter into good faith negotiations to establish a reasonable repayment schedule and repayment mechanism which may include, but is not limited to, withholding of Measure A Local Streets and Roads revenues. The County acknowledges and agrees that RCTC shall have the right to withhold any Measure A Local Streets and Roads revenues due the County, in an amount not to exceed the total of the funds distributed to the County, and/or initiate legal action to compel repayment, if the County fails to repay or establish a repayment schedule with RCTC within a reasonable time period not to exceed 180 days from receipt of written notification from RCTC that repayment is required.

3.4 Work Responsibilities of the County. The County shall be responsible for the following aspects of the Work, in compliance with state and federal law provided that such items are included in the Project scope of work attached as Exhibit "A": (i) development and approval of plans, specifications and engineer's estimate (PS&E), environmental clearance, right of way acquisition, and obtaining all permits required by impacted agencies prior to commencement of the Work ; (ii) all aspects of bidding, awarding, and administration of the contracts for the Work; (iii) all construction management of any construction activities undertaken in connection with the Work, including survey and material testing; and (iv) development of a budget for the Work prior to award of any contract for the Work, taking into consideration available funding, including MARA Funds.

3.5 Term/Notice of Completion. The term of this Agreement shall be from the date first herein above written until: (i) the date RCTC formally accepts the Work as complete, pursuant to Section 3.2.3 and 3.2.4; (ii) termination of this Agreement pursuant to Section 3.9; or (iii) the County has fully satisfied its obligations under this Agreement, including full repayment

of MARA Funds to RCTC as provided herein, if applicable. All applicable indemnification provisions of this Agreement shall remain in effect following the termination of this Agreement.

3.6 Representatives of the Parties. RCTC's Executive Director, or his or her designee, shall serve as RCTC's representative and shall have the authority to act on behalf of RCTC for all purposes under this Agreement. The County hereby designates Patricia Romo, Assistant Director of Transportation, or his or her designee, as the County's representative to RCTC. The County's representative shall have the authority to administer this Agreement on behalf of County and shall coordinate all activities of the Work under the County's responsibility. The County and County's representative shall work closely and cooperate fully with RCTC's representative and any other agencies which may have jurisdiction over or an interest in the Work.

3.7 Expenditure of Funds by County Prior to Execution of Agreement. Nothing in this Agreement shall be construed to prevent or preclude the County from expending funds on the Work prior to the execution of the Agreement, or from being reimbursed by RCTC for such expenditures. However, the County understands and acknowledges that any expenditure of funds on the Work prior to the execution of the Agreement is made at the County's sole risk, and that some expenditures by the County may not be eligible for reimbursement under this Agreement.

3.8 Review of Services. The County shall allow RCTC's Representative to inspect or review the progress of the Work at any reasonable time in order to determine whether the terms of this Agreement are being met.

3.9 Termination. This Agreement may be terminated for cause or convenience as further specified below.

3.9.1 Termination for Convenience.

3.9.1.1 Notice. Either RCTC or the County may, by written notice to the other party, terminate this Agreement, in whole or in part, for convenience by giving thirty (30) days' written notice to the other party of such termination and specifying the effective date thereof.

3.9.1.2 Effect of Termination for Convenience. In the event that the County terminates this Agreement for convenience, the County shall, within 180 days, repay to RCTC in full all MARA Funds provided to the County under this Agreement. In the event that RCTC terminates this Agreement for convenience, RCTC shall, within 90 days, distribute to the County MARA Funds in an amount equal to the aggregate total of all unpaid invoices which have been received from the County regarding the Work at the time of the notice of termination; provided, however, that RCTC shall be entitled to exercise its rights under Section 3.14.2, including but not limited to conducting a review of the invoices and requesting additional information. This Agreement shall terminate upon receipt by the non-terminating party of the amounts due it under this Section 3.9.1.2.

3.9.2 Termination for Cause.

3.9.2.1 Notice. Either RCTC or the County may, by written notice to the other party, terminate this Agreement, in whole or in part, in response to a material breach hereof by the other party, by giving written notice to the other party of such termination and specifying the effective date thereof. The written notice shall provide a 30 day period to cure any alleged breach. During the 30 day cure period, the Parties shall discuss, in good faith, the manner in which the breach can be cured.

3.9.2.2 Effect of Termination for Cause. In the event that the County terminates this Agreement in response to RCTC's uncured material breach hereof, RCTC shall, within 90 days, distribute to the County MARA Funds in an amount equal to the aggregate total of all unpaid invoices which have been received from the County regarding the Work at the time of the notice of termination. In the event that RCTC terminates this Agreement in response to the County's uncured material breach hereof, the County shall, within 180 days, repay to RCTC in full all MARA Funds provided to the County under this Agreement. Notwithstanding termination of this Agreement by RCTC pursuant to this Section 3.9.2.2, RCTC shall be entitled to exercise its rights under Section 3.14.2, including but not limited to conducting a review of the invoices and requesting additional information. This Agreement shall terminate upon receipt by the non-terminating party of the amounts due it under this Section 3.9.2.2.

3.9.3 Cumulative Remedies. The rights and remedies of the Parties provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement.

3.10 Prevailing Wages. The County and any other person or entity hired to perform services on the Work are alerted to the requirements of California Labor Code Sections 1770 et seq., which would require the payment of prevailing wages were the services or any portion thereof determined to be a public work, as defined therein. The County shall ensure compliance with these prevailing wage requirements by any person or entity hired to perform the Work. The County shall defend, indemnify, and hold harmless RCTC, its officers, employees, consultants, and agents from any claim or liability, including without limitation attorneys, fees, arising from its failure or alleged failure to comply with California Labor Code Sections 1770 et seq.

3.12.1 County Responsibilities. In addition to the indemnification required under Section 3.10, the County agrees to indemnify and hold harmless RCTC, its officers, agents, consultants, and employees from any and all claims, demands, costs or liability arising from or connected with all activities governed by this Agreement including all design and construction activities, due to any act of the County or its subcontractors whatsoever, regardless of fault,

including negligent acts, errors or omissions or willful misconduct, except that caused by the sole negligence of RCTC. The County will reimburse RCTC for any expenditures, including reasonable attorneys' fees, incurred by RCTC, in defending against claims ultimately determined to be due to any act of the County or its subcontractors whatsoever, regardless of fault, including negligent acts, errors or omissions or willful misconduct, except that caused by the sole negligence of RCTC.

3.12.2 Effect of Acceptance. The County shall be responsible for the professional quality, technical accuracy and the coordination of any services provided to complete the Work. RCTC's review, acceptance or funding of any services performed by the County or any other person or entity under this Agreement shall not be construed to operate as a waiver of any rights RCTC may hold under this Agreement or of any cause of action arising out of this Agreement. Further, the County shall be and remain liable to RCTC, in accordance with applicable law, for all damages to RCTC caused by the County's performance of this Agreement or supervision of any services provided to complete the Work.

3.13 Insurance. The County shall require, at a minimum, all persons or entities hired to perform the Work to obtain, and require their subcontractors to obtain, insurance of the types and in the amounts described below and satisfactory to the County and RCTC. Such insurance shall be maintained throughout the term of this Agreement, or until completion of the Work, whichever occurs last.

3.13.1 Commercial General Liability Insurance. Following payment of such Work costs, the County shall submit invoices to RCTC requesting reimbursement of Eligible Work Costs. Undisputed amounts shall be paid by RCTC to the County within thirty (30) days. In the event that RCTC disputes the eligibility of the County for reimbursement of all or a portion of an invoiced amount, the Parties shall meet and confer in an attempt to resolve the dispute. If the meet and confer process is unsuccessful in resolving the dispute, the County may appeal RCTC's decision as to the eligibility of one or more invoices to RCTC's Executive Director. The County may appeal the decision of the Executive Director to the full RCTC Board, the decision of which shall be final. Additional details concerning the procedure for the County's submittal of invoices to RCTC and RCTC's consideration and payment of submitted invoices are set forth in Exhibit "C", attached hereto.

Nothing in this Agreement shall be construed to require or allow completion of the Work without full compliance with the California Environmental Quality Act (Public Resources Code Section 21000 et seq.; "CEQA") and the National Environmental Policy Act of 1969 (42 USC 4231 et

seq.), but the necessity of compliance with CEQA and NEPA shall not justify, excuse, or permit a delay in completion of the Work.

PROJECT DESCRIPTION

PROJECT DESCRIPTION:

The Riverside County Transportation Department (“RCTD”), in cooperation with the California Department of Transportation (“Caltrans”) proposes to widen State Route 79/Winchester Road (SR 79) in the Winchester area (“Project”). SR 79 (Winchester Road) serves as a regional corridor between State Route 60 and Southwest Riverside County. SR 79 has experienced a large increase in traffic in recent years due to the significant growth in the area, exceeding the existing capacity of the roadway in some areas. The proposed improvements will provide additional capacity for existing and future traffic volumes.

The Project is being constructed in phases. The improvements for Phase 1 of the Project consists of widening the segment from Scott Road to Domenigoni Parkway from two to four lanes, plus turn lanes, and will include two new traffic signals at Garbani Road and Holland Road. Phase 2 of the Project consists of widening the segment to the south between Thompson Road and Scott Road from two to four lanes plus turn lanes and installing traffic signals at the intersections with Keller Road and E. Newport Road (north of Scott Road). The MARA funding will be utilized for Phase 2 Construction Contract activities as described in Exhibit “A”.
