DEPT: Riverside County Fire/Office of Emergency Services
SUBJECT: FY13 Emergency Management Performance Grant

BACKGROUND (Continued):

The EMPG is an annual grant that the county applies for each year. These grant funds are utilized by both the county and our cities to enhance emergency management and community preparedness. As defined in Riverside County Ordinance No. 533 (as amended through 533.5), "Operational Area means an intermediate level of the state emergency services organization, consisting of a county and all political subdivisions within the county area." OES applies for EMPG funding on behalf of the Riverside County Operational Area. EMPG funds are awarded to eligible agencies throughout the OA through an application that represents the consensus of the Riverside County Operational Area Planning Committee (OAPC). The OAPC consists of Riverside County agencies and jurisdictions.

A new Signature Authority Resolution is required with each year's application.

FINANCIAL INFORMATION:

The grant is federally funded and a dollar-for-dollar local cash or in-kind match is required. Each agency that is awarded funding is responsible for providing the dollar-for-dollar cash or in-kind match requirement.
