BACKGROUND:

On January 17, 2013, DPSS submitted an application for Homeless Assistance funds to the U.S. Department of Housing and Urban Development (HUD). On March 13, 2013, HUD announced the approval of twenty-six (26) renewal grants for Riverside County's 2012 homeless projects. The Notice of Funding Availability (NOFA) was delayed this year due to the implementation of new Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) regulations.

In accordance with Board Resolution No. 2010-045, approved by the Board on May 25, 2010 (Item 3.38), the authority to accept McKinney-Vento Homeless Assistance Act funding was delegated to the Director of DPSS. With the full execution of the attached Grant Agreements by HUD, the Grant Agreements are being submitted to the Board to receive and file as the official copies of record.

To date, fourteen of the twenty-six renewal grants have been executed by HUD. The outstanding twelve grants will be submitted to the Board when they are received.

Following is a brief description of each program:

Operation SafeHouse, a non-profit organization, provides transitional housing to twenty Riverside County youths (ages 18-21). The facility is located in the city of Riverside and is known as Main Street Transitional Housing. Services offered include case management, life skills, employment, transportation, education and health care assistance. There is no change to the population served, service site or mode of service delivery.

Path of Life Ministries (POLM), a non-profit organization, provides transitional housing for forty-six (46) families with children and four (4) individuals. The facility is located on the March Air Reserve Base and is known as King Hall Transitional Housing. Services offered include housing, case management, life skills, transportation, child care and employment assistance. There is no change to the population served, service site or mode of service delivery.

Shelter from the Storm, a non-profit organization, operates the Florence Rigdon House transitional housing project, an eighteen (18) unit, thirty-six (36) bedroom program located in the desert area. Participants and their children may stay up to twenty-four (24) months. One hundred percent (100%) of residents in this program are homeless and victims of domestic violence. It is anticipated that all eligible clients will come from emergency shelters. This Agreement provides funding for supportive services, operations, and administrative costs. There is no change to the population served, service site or mode of service delivery.

Family Services Association, a non-profit organization, operates the Permanent Housing Program for Disabled Women with Children. The program provides twelve (12) scattered site apartments and supportive services for women disabled due to physical/mental impairments and their children up to age 18. The program will enable disabled women with children to live as independently as possible in a permanent setting that supports their special needs and those of their children. There is no change to the population served, service site or mode of service delivery.

ABC Recovery Center, a non-profit organization, operates the Transitional Living Village located in Indio. The Village is a forty (40) bed project which provides Transitional Housing to individuals recovering from substance abuse. Residents are offered aftercare services as well as life skills training. There is no change to the population served, service site or mode of service delivery.

BACKGROUND, cont.:

MFI Recovery, Inc., a non-profit organization located in Riverside, operates A Woman's Place Transitional Living Program. The program utilizes a fifteen (15) unit apartment complex that provides Transitional Housing and Supportive Services for homeless women and their children after completion of a substance abuse program. There is no change to the population served, service site or mode of service delivery.

City of Riverside Homeless Street Outreach Program conducts daily mobile outreach and client services focused on the "hardest-to-reach" and "service-resistant" populations on the streets, in service venues and other locations with the goal of getting them connected with the services they need that leads to stable housing. Available services include outreach, case management, life skills, alcohol and/or drug abuse services, mental health, education, housing placement, employment assistance, and transportation. There is no change to the population served, service site or mode of service delivery.

City of Riverside Permanent Supportive Housing for Disabled provides up to eight (8) disabled homeless persons with housing and supportive services such as health and mental health care, substance abuse services, benefits and/or employment assistance and basic life skills through on site and off site case management coordination. There is no change to the population served, service site or mode of service delivery.

City of Riverside Supportive Housing for Chronically Homeless provides up to eight (8) chronically homeless persons with a permanent supportive housing environment designed to address their multiple needs, such as health care, mental illness, substance abuse, benefits and/or employment assistance and basic life skills, through on site and off site case management coordination. There is no change to the population served, service site or mode of service delivery.

The Riverside County Department of Mental Health's Riverside Permanent Housing (also known as *The Place*) is a twenty-five (25) unit permanent supportive housing program with a 24-hour drop in center, serving the most-visible and hardest-to-reach homeless persons with severe mental illness, who have been unable or unwilling to participate in supportive services. Intensive case management, life skills training and mental health treatment is available to all residents. There is no change to the population served, service site or mode of service delivery.

The Riverside County Department of Mental Health's Outreach Desert Expansion grant funds service providers in the Desert/Mid-county region to do outreach to a minimum of 400 individuals each grant year. Each individual contacted through the outreach program is offered an initial assessment as well as referrals and linkage to various community services. Individuals who agree to further engagement may receive a more in-depth assessment, linkage to mental health providers and emergency housing. The outreach teams partner with the community shelters and agencies to facilitate referrals and linkage as well as outreach to their clients. There is no change to the population served, service site or mode of service delivery.

The Riverside County Department of Mental Health's Coachella Valley Permanent Housing (formerly known as Desert SafeHaven) is a twenty-five (25) unit permanent supportive housing program with a 24-hour drop-in center, serving the most-visible and hardest-to-reach homeless persons with severe mental illness, who have been unable or unwilling to participate in supportive services. Intensive case management, life skills training and mental health treatment is available to all residents. Due to HUD changes, the program is now designated as a Permanent Housing Program, yet will retain the SafeHaven model of low demand services within a permanent housing framework. There is no change to the population served, service site or mode of service delivery.

BACKGROUND, cont.:

The Homeless Management Information System (HMIS) is web-based software required by HUD that allows the County to more effectively assess homeless needs, allocate resources, and coordinate services through its enhanced tracking and reporting capabilities. HMIS implementation presents the Riverside County Continuum of Care (CoC) with an opportunity to re-examine how homeless services are provided in the community, and to make informed decisions, and develop appropriate action steps. The implementation of the County's HMIS allows community stakeholders to build new alliances, to strengthen services, meet consumer needs in a more streamlined manner, and obtain information to guide future planning.

HMIS 2010 Expansion Project provides for continued expansion and training for providers using the required HMIS web-based software.

FINANCIAL DATA: No County General Funds are required. Funding is 100% Federal.

This Grant Agreement ("this Agreement") is made by and between the United States Department of Housing and Urban Development ("HUD") and (the "Recipient").

This Agreement is governed by title IV of the McKinney-Vento Homeless Assistance Act 42 U.S.C. 11301 et seq. (the "Act") and the Continuum of Care Program regulation (the "Regulation").

The terms "Grant " or "Grant Funds" mean the funds that are provided under this Agreement. The term "Application" means the application submissions on the basis of which the Grant was approved by HUD, including the certifications, assurances, and any information or documentation required to meet any grant award condition. All other terms shall have the meanings given in the Regulation.

The Application is incorporated herein as part of this Agreement, except that only the project listed, and only in the amount listed on the Scope of Work, is funded by this Agreement. In the event of any conflict between any application provision and any provision contained in this Agreement, this Agreement shall control.

Exhibit 1, the FY2012 Scope of Work, is attached hereto and made a part hereof. If appropriations are available for Continuum of Care grants; and if Recipient applies under a Notice of Funds Availability published by HUD; and, if pursuant to the selection criteria in the Notice of Funds Availability, HUD selects Recipient and the project for renewal then additional exhibits may be attached to this Agreement. Those additional exhibits, when attached, will also become a part hereof.

The effective date of the Agreement shall be the date of execution by HUD and it is the date use of funds under this Agreement may begin. If the project funded by this Agreement is a new project, Recipient and HUD will set an operating start date in LOCCS for the project, which will be used to track expenditures and to determine when the project is eligible for renewal. If this Agreement renews funding for a project, the term of this Agreement shall begin at the end of the Recipient's final operating year for the grant being renewed, and eligible costs incurred for the project between the end of Recipient's final operating year under the grant being renewed and the execution of this Agreement may be paid with funds from the first operating year of this Agreement.

This Agreement shall remain in effect until termination either 1) by agreement of the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; or 3) upon expiration of the final operating year of the project funded under this Agreement.

Recipient agrees:

1. To ensure the operation of the project listed on the Scope of Work in accordance with the provisions of the Act and all requirements of the Regulation;
2. To monitor and report the progress of the project to the Continuum of Care and HUD;
3. To ensure, to the maximum extent practicable, that individuals and families experiencing homelessness are involved, through employment, provision of volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating facilities for the project and in providing supportive services for the project;
4. To require certification from any subrecipient that:
 - a. Subrecipient will maintain the confidentiality of records pertaining to any individual or family that was provided family violence prevention or treatment services through the project;
 - b. The address or location of any family violence project assisted with grant funds will not be made public, except with written authorization of the person responsible for the operation of such project;
 - c. Subrecipient will establish policies and practices that are consistent with, and do not restrict, the exercise of rights provided by subtitle B of title VII of the Act and other laws relating to the provision of educational and related services to individuals and families experiencing homelessness;
 - d. In the case of a project that provides housing or services to families, that subrecipient will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including early childhood programs such as Head Start, part C of the Individuals with Disabilities Education Act, and programs authorized under subtitle B of title VII of the Act;
 - e. The subrecipient, its officers, and employees are not debarred or suspended from doing business with the Federal Government; and
 - f. Subrecipient will provide information, such as data and reports, as required by HUD; and
5. To establish such fiscal control and accounting procedures as may be necessary to assure the proper disbursement of, and accounting for grant funds in order to ensure that all financial transactions are conducted, and records maintained in accordance with generally accepted accounting principles, if the Recipient is a Unified Funding Agency;

6. To monitor subrecipient match and report on match to HUD;
7. To take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education;
8. To monitor subrecipient at least annually;
9. To use the centralized or coordinated assessment system established by the Continuum of Care as required by §578.7(a)(8). A victim service provider may choose not to use the Continuum of Care's centralized or coordinated assessment system, provided that victim service providers in the area use a centralized or coordinated assessment system that meets HUD's minimum requirements and the victim service provider uses that system instead;
10. To follow the written standards for providing Continuum of Care assistance developed by the Continuum of Care, including the minimum requirements set forth in §578.7(a)(9);
11. Enter into a subrecipient agreement requiring subrecipient to operate the project in accordance with the provisions of this Act and all requirements under 24 CFR 578; and
12. To comply with such other terms and conditions as HUD may have established in the applicable Notice of Funds Availability.

HUD notifications to the Recipient shall be to the address of the Recipient as stated in the Application, unless HUD is otherwise advised in writing. Recipient notifications to HUD shall be to the HUD Field Office executing the Agreement. No right, benefit, or advantage of the Recipient hereunder may be assigned without prior written approval of HUD.

 - e. The subrecipient, its officers, and employees are not debarred or suspended from doing business with the Federal Government; and

The terms "Grant " or "Grant Funds" mean the funds that are provided under this Agreement. The term "Application" means the application submissions on the basis of which the Grant was approved by HUD, including the certifications, assurances, and any information or documentation required to meet any grant award condition. In the event of any conflict between any application provision and any provision contained in this Agreement, this Agreement shall control.

Exhibit 1, the FY2012 Scope of Work, is attached hereto and made a part hereof. Those additional exhibits, when attached, will also become a part hereof.

The effective date of the Agreement shall be the date of execution by HUD and it is the date use of funds under this Agreement may begin. If the project funded by this Agreement is a new project, Recipient and HUD will set an operating start date in LOCCS for the project, which will be used to track expenditures and to determine when the project is eligible for renewal. If this Agreement renews funding for a project, the term of this Agreement shall begin at the end of the Recipient's final operating year for the grant being renewed, and eligible costs incurred for the project between the end of Recipient's final operating year under the grant being renewed and the execution of this Agreement may be paid with funds from the first operating year of this Agreement.

This Agreement shall remain in effect until termination either 1) by agreement of the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; or 3) upon expiration of the final operating year of the project funded under this Agreement.

Recipient agrees:

1. To ensure the operation of the project listed on the Scope of Work in accordance with the provisions of the Act and all requirements of the Regulation;
2. To monitor and report the progress of the project to the Continuum of Care and HUD;
3.  - c. Subrecipient will establish policies and practices that are consistent with, and do not restrict, the exercise of rights provided by subtitle B of title VII of the Act and other laws relating to the provision of educational and related services to individuals and families experiencing homelessness;
 - d. In the case of a project that provides housing or services to families, that subrecipient will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including early childhood programs such as Head Start, part C of the Individuals with Disabilities Education Act, and programs authorized under subtitle B of title VII of the Act;
 - e. The subrecipient, its officers, and employees are not debarred or suspended from doing business with the Federal Government; and
 - f. Subrecipient will provide information, such as data and reports, as required by HUD; and
5. To establish such fiscal control and accounting procedures as may be necessary to assure the proper disbursement of, and accounting for grant funds in order to ensure that all financial transactions are conducted, and records maintained in accordance with generally accepted accounting principles, if the Recipient is a Unified Funding Agency;
6. To monitor subrecipient match and report on match to HUD;

7. To take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education;
8. To monitor subrecipient at least annually;
9. To use the centralized or coordinated assessment system established by the Continuum of Care as required by §578.7(a)(8). A victim service provider may choose not to use the Continuum of Care's centralized or coordinated assessment system, provided that victim service providers in the area use a centralized or coordinated assessment system that meets HUD's minimum requirements and the victim service provider uses that system instead;
10. To follow the written standards for providing Continuum of Care assistance developed by the Continuum of Care, including the minimum requirements set forth in §578.7(a)(9);

This Agreement is governed by title IV of the McKinney-Vento Homeless Assistance Act 42 U.S.C. 11301 et seq. (the "Act") and the Continuum of Care Program regulation (the "Regulation").

The terms "Grant " or "Grant Funds" mean the funds that are provided under this Agreement. The term "Application" means the application submissions on the basis of which the Grant was approved by HUD, including the certifications, assurances, and any information or documentation required to meet any grant award condition. All other terms shall have the meanings given in the Regulation.

The Application is incorporated herein as part of this Agreement, except that only the project listed, and only in the amount listed on the Scope of Work, is funded by this Agreement. In the event of any conflict between any application provision and any provision contained in this Agreement, this Agreement shall control.

Exhibit 1, the FY2012 Scope of Work, is attached hereto and made a part hereof. If appropriations are available for Continuum of Care grants; and if Recipient applies under a Notice of Funds Availability published by HUD; and, if pursuant to the selection criteria in the Notice of Funds Availability, HUD selects Recipient and the project for renewal then additional exhibits may be attached to this Agreement. Those additional exhibits, when attached, will also become a part hereof.

The effective date of the Agreement shall be the date of execution by HUD and it is the date use of funds under this Agreement may begin. If the project funded by this Agreement is a new project, Recipient and HUD will set an operating start date in LOCCS for the project, which will be used to track expenditures and to determine when the project is eligible for renewal. If this Agreement renews funding for a project, the term of this Agreement shall begin at the end of the Recipient's final operating year for the grant being renewed, and eligible costs incurred for the project between the end of Recipient's final operating year under the grant being renewed and the execution of this Agreement may be paid with funds from the first operating year of this Agreement.

This Agreement shall remain in effect until termination either 1) by agreement of the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; or 3) upon expiration of the final operating year of the project funded under this Agreement.

Recipient agrees:

1. To ensure the operation of the project listed on the Scope of Work in accordance with the provisions of the Act and all requirements of the Regulation;
2. To monitor and report the progress of the project to the Continuum of Care and HUD;
3. To ensure, to the maximum extent practicable, that individuals and families experiencing homelessness are involved, through employment, provision of volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating facilities for the project and in providing supportive services for the project;
4. To require certification from any subrecipient that:
 - a. Subrecipient will maintain the confidentiality of records pertaining to any individual or family that was provided family violence prevention or treatment services through the project;
 - b. The address or location of any family violence project assisted with grant funds will not be made public, except with written authorization of the person responsible for the operation of such project;
 - c. Subrecipient will establish policies and practices that are consistent with, and do not restrict, the exercise of rights provided by subtitle B of title VII of the Act and other laws relating to the provision of educational and related services to individuals and families experiencing homelessness;
 - d. In the case of a project that provides housing or services to families, that subrecipient will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including early childhood programs such as Head Start, part C of the Individuals with Disabilities Education Act, and programs authorized under subtitle B of title VII of the Act;
 - e. The subrecipient, its officers, and employees are not debarred or suspended from doing business with the Federal Government; and
 - f. Subrecipient will provide information, such as data and reports, as required by HUD; and
5. To establish such fiscal control and accounting procedures as may be necessary to assure the proper disbursement of, and accounting for grant funds in order to ensure that all financial transactions are conducted, and records maintained in accordance with generally accepted accounting principles, if the Recipient is a Unified Funding Agency;

6. To monitor subrecipient match and report on match to HUD;
7. To take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education;
8. To monitor subrecipient at least annually;
9. To use the centralized or coordinated assessment system established by the Continuum of Care as required by §578.7(a)(8). A victim service provider may choose not to use the Continuum of Care's centralized or coordinated assessment system, provided that victim service providers in the area use a centralized or coordinated assessment system that meets HUD's minimum requirements and the victim service provider uses that system instead;
10. To follow the written standards for providing Continuum of Care assistance developed by the Continuum of Care, including the minimum requirements set forth in §578.7(a)(9);
11. Enter into a subrecipient agreement requiring subrecipient to operate the project in accordance with the provisions of this Act and all requirements under 24 CFR 578; and
12. To comply with such other terms and conditions as HUD may have established in the applicable Notice of Funds Availability.

HUD notifications to the Recipient shall be to the address of the Recipient as stated in the Application, unless HUD is otherwise advised in writing. Recipient notifications to HUD shall be to the HUD Field Office executing the Agreement. No right, benefit, or advantage of the Recipient hereunder may be assigned without prior written approval of HUD.

The Agreement constitutes the entire agreement between the parties hereto, and may be amended only in writing executed by HUD and the Recipient.

By signing below, Recipients that are states and units of local government certify that they are following a current HUD approved CHAS (Consolidated Plan).
