BACKGROUND: Nuview Community Theatre provides arts in the community mentoring students and adults teaching music, choreography and performance arts. The American Red Cross has been a vital partner in the recent wildfires in Riverside County providing emergency shelter, food and counseling as well as providing caseworkers to assist families who have lost everything. The Assistance League of Temecula Valley operates the Operation School Bell program which provides clothing, shoes, and school supplies to those in need. Riverside National Cemetery Support Committee hosts the annual Concert for Heroes which is an annual symphonic concert held free of charge at the National Cemetery. These funds improve the quality of life throughout the 5th district and I urge the Board to approve these uses of the Community Improvement Designation funds.
