3. Accept the next lowest bid from Griffith Company of Santa Fe Springs, CA in the amount of \$4,985,803; and
4. Award the contract to Griffith Company and authorize the Chairman of the Board to execute the contract documents; and
5. Approve the project's proposed budget as shown on Attachment "A."

BACKGROUND: The Transportation Improvement Program (TIP) provides for safety and maintenance improvements along Gilman Springs Road in the eastern Moreno Valley area of Riverside County. The proposed project improvements include curve realignments, shoulder widening, construction of a passing lane, construction of a left turn pocket at Alessandro Boulevard, pavement rehabilitation, and installation of drainage and safety improvements.

By Minute Order dated June 18, 2013 (Agenda Item 3-59), the Board of Supervisors approved the plans and specifications for the Gilman Springs Road Roadway Improvements, Eastern Moreno Valley and authorized the Clerk of the Board to advertise for bids.

During the advertisement period, three addenda were issued to all registered plan holders as a supplement to the plans and specifications. Bidders are required to acknowledge and take into account all issued addenda on their Contractor's Bid in order to be considered for award. The addenda were issued to clarify and modify the approved contract documents. The addenda are attached and designated as Addendum No. 1, No. 2, and No. 3.

Bids for the project were opened in the office of the Director of Transportation and Land Management at 2:00 p.m., Wednesday, July 17, 2013. Three bids were received, ranging from \$3,966,865 to \$4,995,258. The basis for the selection of a contractor is the lowest responsive and responsible bid for all schedules of work.

The lowest bid, submitted by Marathon General, Inc. (MGI) in the amount of \$3,966,865, was submitted with a mistake; MGI requested relief from their bid without penalty to avoid working at a financial loss.

Public Contract Code (PCC) § 5101 et. seq. permits an awarding authority to relieve a bidder of its bid as a result of a mistake. Transportation Department staff and County Counsel have reviewed the request and recommend the Board of Supervisors to grant the request for relief of the bid without penalty. The request was made in accordance with PCC §5101 and §5103. A letter prepared by the Transportation Department dated August 1, 2013, responds to MGI's request and is attached.

The next lowest bid was submitted by Griffith Company in the amount of \$4,985,803, which is \$286,752 (5.4%) below the Engineer's Estimate.

The Contract includes the following four schedules of work:

Base Bid Schedule 1: Curve realignment, shoulder widening, left turn pocket, passing lane, and resurfacing within the County's jurisdiction

The Honorable Board of Supervisors

RE: Gilman Springs Road Roadway Improvements, Eastern Moreno Valley

Page 3 of 3

Base Bid Schedule 2: Resurfacing of Gilman Springs Road and realignment of Alessandro Boulevard in the City of Moreno Valley

Base Bid Schedule 3: Roadway repair at Jack Rabbit Trail and isolated areas on Gilman Springs Road within the County's jurisdiction

Alternate Bid Schedule 1: Culvert replacement in the City of Moreno Valley

The City of Moreno Valley (City) concurs with bid prices for Base Bid Schedule 2 and Alternate Bid Schedule 1, as bid by Griffith Company, and the costs for the work will be funded by the City. By Minute Order dated February 26, 2013 (Agenda Item 3-66), the reimbursement agreement with the City was executed by the Board of Supervisors.

The Contractor will be allowed to work from 6:00 a.m. to 6:00 p.m., seven days a week and will have 60 calendar days, including holidays, to complete this project. In order to build this project quickly and safely, the Contractor will be allowed to close Gilman Springs Road between State Route 60 to Bridge Street, and close Alessandro Boulevard from Theodore Street to Gilman Springs Road for 45 consecutive calendar days within the construction period. Access will be maintained for local residents, businesses, and their employees when construction is in progress and during the road closure.

There are other projects planned for Gilman Springs Road, and an outreach campaign is being implemented. The "Gilman Springs Road Safety Corridor" outreach campaign will include a dedicated web page that displays the proposed projects and identifies time frames for all the County's planned projects on Gilman Springs Road. The website will also provide updated information on any road closures. In addition, signs will be placed at Gilman Springs Road prior to the start of construction and will include the contact and website information.

The Contractor is qualified and has executed the contract. The Contractor has also provided performance bond, payment bond, and insurance documents.
