The Honorable Board of Supervisors
RE: Resurfacing of Tenaja Road in the La Cresta Area
August 29, 2013
Page 2 of 2

4. Approve the project's proposed budget as shown on Attachment "A."

BACKGROUND: By Minute Order dated June 18, 2013 (Agenda Item 3-63), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of Tenaja Road Resurfacing Project between Sierra Ellena Road and Clinton Keith Road in the La Cresta area.

During the advertisement period, two addenda were issued to all registered plan holders as a supplement to the specifications and special provisions. Bidders are required to acknowledge and take into account all issued addenda on their Contractor's Proposal. The addenda were issued to clarify and modify the approved contract documents. The addenda are attached and designated as Addendum No. 1 and Addendum No. 2.

Bids for the project were opened in the office of the Director of Transportation and Land Management at 2:00 p.m., Wednesday, July 17, 2013. Five bids were received, ranging from \$892,000 to \$1,184,793. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsible bid was submitted by All American Asphalt of Corona, CA in the amount of \$892,000, which is \$101,760 (10.2%) below the Engineer's Estimate. The project is expected to finish within the proposed budget as shown on Attachment "A."

The planned improvements include grinding and paving of the existing pavement with the installation of pavement reinforcing fabric to provide for longer pavement life. Safety improvement items in the work include striping, reflective pavement markers, metal beam guard railing, and the construction of a pavement tapered shoulder "safety edge." This tapered shoulder is engineered to enable drivers who drift off of the paved surface to return to the traveled surface safely.

The contractor is qualified to perform the work as outlined in the bid and has executed the contract and provided bonds and insurance documents, which meet the requirements of the contract.
