BACKGROUND:

Desert Springs Middle School Public Debate Program, one of the top ten in the nation, has been invited to send students to Boston to be presented at the National Council of Teachers and these funds assist with those costs. AYSO Soccer Region 797 is in need of netting to secure their field adjacent to the Ramona Expressway. The Riverside Sheriff's Association is hosting the 18th Annual Police Canine Competition and Public Safety Fair free of charge and open to the public. The Edward-Dean Museum is holding "Dickens at the Dean," a holiday event for the community that is providing cultural and educational enrichment. These funds are used to improve the quality of life throughout the 5th district and I urge the Board to approve these uses of the Community Improvement Designation funds.
