**BACKGROUND:**

The Training Occupational Development Educating Communities (TODEC) program provides consumer education, advocacy citizenship/naturalization, occupational and remedial services for non-English speaking immigrants throughout Riverside County. The Nuevo Citizens Patrol has provided over 6,000 hours of service to Nuevo holding monthly meetings and training classes for members and funds their operations through donations and fund raisers. March Field Air Museum is hosting their 29<sup>th</sup> Annual MASH Bash to benefit the March Field Air Museum Education Program. The Beaumont Chamber of Commerce hosts multiple events throughout the year to benefit small business development, student scholarships and youth sports programs. These funds are used to improve the quality of life throughout the 5<sup>th</sup> district and I urge the Board to approve these uses of the Community Improvement Designation funds.
