RE: AMENDMENT # 6 FOR OLIVE CREST TREATMENT CENTERS, INC. AND FOR OAK GROVE INSTITUTE FOUNDATION, INC.

Date: September 24, 2013
Page 2

BACKGROUND:

As a result of Senate Bill 163 (Statutes of Welfare and Institutions Code 18250), the State authorized counties to implement a Wraparound program to provide foster youth with alternatives to group home care by using the equivalent funding to provide intensive services to the youth and family and ultimately improve outcomes for these children.

A Request for Proposal (RFP) was issued in March 2010 for Wraparound Services, as a result of the RFP, the Board of Supervisors approved agreements with Olive Crest Treatment Centers, Inc. and Oak Grove Institute Foundation, Inc. to provide Wraparound services.

Over the years, Wraparound services to youth and families in need have incrementally increased. The initial focus of Wraparound was to reduce the number of youth in Group Home placements. This strategy proved to be effective, with the number of dependent youth in Group Home placements decreasing from over 350 in 2007 to 189 in 2013.

On February 26, 2013 (Agenda 3.50) the Board of Supervisors approved Amendments # CS-01988-04 with Olive Crest Treatment Centers, Inc. increasing the maximum contract amount from \$1,310,386 to \$2,753,100 and CS-02010-04 with Oak Grove Institute Foundation, Inc. increasing the maximum contract amount from \$618,930 to \$1,361,580. The amendment with Olive Crest Treatment Centers, Inc. increased the slots from 50 up to 105 and increased slots from 25 up to 55 for Oak Grove Institute Foundation, Inc..

Olive Crest Treatment Centers, Inc. and Oak Grove Institute Foundation, Inc. maintain strong teams, capable of providing services to keep youth with their families or in lower levels of care. The Wraparound program currently has a re-entry rate of 5%. This is compared to the 25% re-entry rates of youth exiting Group Home Care without Wraparound services, and Riverside County's overall re-entry rate of 12%.

The recommended amendment with Olive Crest Treatment Centers, Inc. would increase the Wraparound slots from 105 up to 130 and the Maximum Reimbursable Amount (MRA) will increase an additional \$91,770.00. The recommended amendment would increase Oak Grove Institute Foundation, Inc. Wraparound slots from 55 up to 100 and the MRA will increase an additional \$705,546.00. These amendments provide partial funding because the slots will be phased in throughout FY 13/14 until they reach maximum capacity. The increase will allow more children to receive wraparound services.

Therefore, at this time it is being requested that the Board execute the attached amendments to the current contract with Olive Crest Treatment Centers, Inc. and Oak Grove Institute Foundation, Inc. to allow for additional slots and increase the MRA in order to continue providing Wraparound services to children and families.

The total cost incurred for FY 13/14 will be \$2,844,870.00 for Olive Crest Treatment Centers, Inc. and \$2,067,126.00 for Oak Grove Institute Foundation, which is a \$797,316.00 increase from FY 12/13.

An RFP will be issued this fall to seek competitive bids for Wraparound Services for FY 14/15.

FINANCIAL:

Funding is available through the Wraparound Trust Fund which is funded 100% through Realignment funds.
