AGENDA NO.

**3-72**

**BACKGROUND:**

The Economic Development Agency will be hosting an event in each of the following three communities: Indio Hills North Shore and Bermuda Dunes. The community events will be in collaboration with the Desert Recreation District.

The California Women for Agriculture – Palo Verde Chapter promotes agriculture by producing educational material for youth and adults.

The Regional Access Project Foundation is hosting a conference titled “Desert Philanthropy and Communications Conference and Fast Pitch.” There will be workshops with experts in the area of philanthropy and communications. Nonprofits will have the opportunity to learn how to effectively communicate their organization’s message to residents, funders and other nonprofits to gain financial and in-kind support.

The “Dobbs Duffers Fore Children” is a Blythe golf event that raises funds for scholarships and for the local “Make a Wish” charity that benefits children and adults.

I would like to use Fourth District Community Distribution Funds to support these events and programs.
