

SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

124

FROM: Riverside County Information Technology

SUBMITTAL DATE:
September 27, 2013

SUBJECT: Approve the Purchase of Cisco Equipment from Nexus IS, INC. via the Competitive Bidding Process, With Only One Responsive/Responsible Bid Received [\$185,899]

RECOMMENDED MOTION: That the Board of Supervisors:

1. Approve the purchase of Cisco equipment in the amount of \$185,898.54 from Nexus IS, INC; and,
2. Authorize the Purchasing Agent, in accordance with Ordinance No. 459.4, to sign amendments that do not change the substantive terms of the agreement, including amendments to the compensation provision that do not exceed the annual CPI rates.

BACKGROUND:

Summary

As a result of the East County Detention Center expansion, RCIT must replace and relocate equipment that supports all data and telephone communications for the eastern end of the county. RCIT recently went out with a Request For Quote (RFQ) for the purchase for the required network equipment however only one response was received from Nexus. Nexus is currently providing all Cisco equipment for the Converged Network Project (CNP) and the requested equipment purchase will be compatible with the project. The detention center project timeline requires the relocation of this equipment by November of this year.

BACKGROUND:

Impact on Citizens and Businesses

The communications hub must be relocated to the new site to continue providing network communications to county departments. It is an integral part of the ECDC construction project and must be completed within the established project schedule.

Contract History and Price Reasonableness

The RFQ was released to the county's awarded Cisco equipment resellers and closed on September 23, 2013 with a single response received. Nexus is providing 50% discounts on all equipment and 26% discount on SMARTNET maintenance services as was provided on their annual maintenance agreement with the County and approved by the Board on April 9, 2013 (M.O. 3-26). Nexus is also providing a trade-in-credit of \$31,317 for equipment that is being removed and replaced.
