5. If the intended schedule and effective date of agreement is delayed, the Purchaser and the Board of Supervisors will renegotiate the increase of the purchase price amount accordingly.

If all or any portion of any individual parcel described in this agreement is redeemed prior to the effective date of this agreement, this agreement shall be null and void as to that individual parcel. This agreement shall also become null and void and the right of redemption restored upon the PURCHASER'S failure to comply with the terms and condition of this Agreement.

Re: Application to Purchase Tax-Defaulted Property from the County

The Coachella Valley Conservation Commission (CVCC) is interested in acquiring Tax-Defaulted property, APN 665-190-012, under the Provisions of Division 1, Part 6, Chapter 8, and beginning with Section 3771, of the Revenue and Taxation Code, State of California. As required, see the attached CVCC Resolution 13-001 to go along with the Application to Purchase Tax-Defaulted Property form that was previously submitted to you on November 27, 2012. The Riverside County purchase information is attached to the resolution and further identified as Exhibit C.

Additionally, CVCC would like to object to the public sale of an additional 30 of the 82 Tax Defaulted parcels that were previously submitted to you in the letter of interest dated November 27, 2012. Since CVCC did not have purchase price information timely enough to include this information on the last meeting agenda and after reviewing the fair market value on the tax parcels, CVCC has removed some parcels from the original interest list. Please see the attached updated parcel list attached as Exhibit B in the attached Resolution. The 30 parcels have been added to CVCC's February agenda for consideration and acceptance.

See Agreement 4388 for additional parcels mentioned

If you have any questions, please feel free to call CVCC's Acquisition Managers, Kevin McKernan or Kerrie Godfrey at (760) 776-5026.

Thank you,

FROM: Don Kent, Treasurer/Tax Collector

SUBMITTAL DATE:
OCT 29 2012

SUBJECT: Internet Sale of Tax-Defaulted Real Property, Sale No. TC-194 scheduled for January 31, 2013 through February 4, 2013 with Bid4Assets.

RECOMMENDED MOTION: That the Board of Supervisors:

1) Approve the intended Internet tax sale, TC-194; (2) Approve and adopt the provision of the Revenue and Taxation Code Section 3698.5(a), 3698.5(c) and Section 4703(a); (3) Adopt Resolution 2012-223 approving the sale of tax-defaulted property, prepared and approved by County Counsel, and (4) instruct the Clerk of the Board to immediately forward a certified copy of the Board's Resolution to the Tax Collector following Board approval. **The above action will authorize the minimum bid on tax-defaulted real property to be offered for sale via Internet January 31, 2013 through February 4, 2013.**

BACKGROUND: Properties for which taxes are not paid are sold to collect back taxes. After the property has been tax-defaulted for a period of five or more years from the original tax-default year, it becomes subject to the Tax Collector's "Notice of Power to Sell Tax Defaulted Property," which is then recorded. If the property is not subsequently redeemed by the payment of all amounts due, it is offered for sale by the Tax Collector. This action will set in motion the Tax Collector's Internet Tax Sale.

Should it become necessary to postpone the tax sale, the Tax Collector may postpone the Tax Sale within seven days from the original fixed date. The Tax Collector will announce the postponement at the time and place originally fixed for the public auction.

SUMMARY OF THE JANUARY 31, 2013 THROUGH FEBRUARY 4, 2013 SALE:

The Tax Collector proposes to offer a maximum of one hundred ninety (190) "fee parcels":

- a) One hundred twenty-two (122) fee parcels will be offered for the first time at the minimum bid of full redemption, plus cost of sale.
- b) Twenty-four (24) fee parcels will be offered for a minimum bid of 50% of taxes only, plus cost of sale. These parcels have been previously offered.
- c) Forty-four (44) fee parcels will be offered for a minimum bid of cost of sale only. These parcels have been previously offered.

As indicated in Exhibit "A", the aggregate minimum bid for all parcels is \$3,830,834.00

In general, the financial impact of tax sales can be summarized as follows:

- Sales at, or above, the amount of taxes owed have no direct negative impact on the County's budget.
- Sales at less than the amount of taxes owed have an indirect negative impact on the County's budget. As long as any tax loss (taxes owed minus the net sales price) is within the Teeter Program's annual budget, no subsequent adjustments to the General Fund Budget are required.

For this sale, if all parcels being **reoffered** for sale were to sell for only the minimum bid, the maximum tax loss would be \$427,826.64. Taking into account the Teeter formula, which shares this loss with other taxing entities, the maximum loss to the Tax Loss Reserve Fund would be \$235,561.35. **Accordingly, there should be no direct impact on the County General Fund because reserves exceeding that amount have been set aside.**

More likely than not, there will be minimal impact upon the Tax Loss Reserve Fund itself. Based upon recent experience, this sale will not realize the maximum loss for three reasons: (i) properties are inevitably pulled from the sale due to bankruptcy or taxpayer redemptions; (ii) some parcels will sell for more than the minimum bid and (iii) other parcels are likely to receive no bids.
