Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3842.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
TREASURER-TAX COLLECTOR
