FORM 11: Mecca Group 4 Street Improvement Project, Including Coahuilla Street, Date Palm Street, and 4th Street, in the Unincorporated Community of Mecca, 4th/4th District (Clerk to Advertise) [\$1,167,761, State Funds 13%, Local Funds 87%]

DATE: October 24, 2013

PAGE: 2 of 2

BACKGROUND:

Summary

Between 2010 and 2013, the Transportation Department administered the construction of street improvements throughout downtown Mecca as part of the Redevelopment Agency funded Mecca Street Revitalization Projects - Phases 1, 2, 3, and Roundabout. Those projects included the full reconstruction of paved roads and the addition of concrete sidewalks to the streets to eliminate blight and to improve drainage and pedestrian access.

The Mecca Group 4 Street Improvement Project provides a continuation of those improvements in downtown Mecca with the reconstruction of pavement and addition of sidewalks and curb ramps on Coahuilla Street, Date Palm Street, and 4th Street. The project includes the improvement of roads fronting Mecca Elementary School and will be funded by the State Safe Routes to School Program and Gas Tax.

The submitted plans and specifications have been approved as to form by County Counsel, and the environmental clearance is complete.

Impact on Citizens and Businesses

These improvements will provide benefits to the community by improving driving surfaces, drainage, and pedestrian access, especially for children who walk to school.

SUPPLEMENTAL:

Additional Fiscal Information

The construction contract is estimated to be \$1,167,761, and construction is expected to finish in FY 2013/2014 and will be funded with Gas Tax funds and State Safe Route to School Funds. There are no General Funds used in this project.
