**BACKGROUND:**

The College of the Desert Public Safety Academy provides an educational opportunity to students that want to pursue a career in public safety. I would like to provide funding for scholarships to be awarded to the outstanding students of the graduating class on December 2013 and May 2014.

The Riverside County Professional Firefighters Benevolent Fund will be providing holiday gifts to needy and underprivileged children identified by the Riverside County Department of Public Social Services.

The St. Joan of Arc Catholic Church hosts the Annual Health, Safety, and Education Resource Fair in the Blythe community. The following partners participated in this year's event: Blythe Police Dept., Palo Verde Hospital, Riv., Co. Mental Health, California Highway Patrol, Blythe Ambulance, and Clinicas de Salud del Pueblo to name a few.

The Economic Development Agency will be hosting special community events for the Christmas Holiday and Spring 2014. The events will take place in the unincorporated communities of Indio Hills, Bermuda Dunes and North Shore. The events will be in collaboration with the Desert Recreation District.

I would like to use Community Improvement funds to support this programs that benefit the residents of the Fourth District.
