BACKGROUND: The San Geronio Middle School needs funds for equipment, uniforms, travel costs and repair of instruments. Membership in the Water Education Foundation provides access to reliable, factual information on water issues, publications and mentorship training for young professionals. The Riverside County Fair & National Date Festival will be holding a Veteran's Appreciation Day with a performance by the Lt. Dan Band and these funds will assist in defraying those costs. Moreno Valley High School is in need of assistance for their Track and Field programs for warm-up attire, uniforms and equipment. These funds improve the quality of life throughout the 5th district and I urge the Board to approve these uses of the Community Improvement Designation funds.
