The Commission implements the provisions of Proposition 10, which provides tobacco tax funds to facilitate the creation and implementation of an integrated, comprehensive, and collaborative system of information and services to enhance optimal early childhood development and to ensure that children are ready to enter school.

Ms. De Lara has been the Fourth District liaison to the Riverside County Children and Families Commission, the Coachella Valley Child Care Consortium, Riverside County Department of Public Social Services, Mental Health and Public Health for the past 14 years. Ms. De Lara will be taking over as the Chief Executive Officer of the Regional Access Project Foundation. I believe that she will be a valuable asset to the Commission.
