**BACKGROUND:**

**Summary**

The Transportation and Land Management Agency on behalf of the Planning Department and Airport Land Use Commission (ALUC) has requested that the above mentioned Contractors provide all services as outlined and specified in the submitted contracts with a Scope Of Work, consisting of three (3) pages at the prices stated in Exhibit B, Payment Provisions.

In January 2013, in an effort to maintain a competitive procurement process, and without prejudice to the current consultant(s), Purchasing and Fleet Services on behalf of the Transportation and Land Management Agency issued a Request for Proposal (RFP) for Planner Services. RFP # TLARC 364 was issued to six vendors and advertised on the purchasing website in conjunction with County Purchasing.

Four (4) responses were received by Purchasing and were reviewed by the evaluation team consisting of representatives from the Planning Department, ALUC, and a Planning Commissioner. The evaluation criteria for the bid was overall responsiveness and understanding of the RFP requirements, bidder experience and ability, technical capability/qualifications, cost, references, financial status, clarification, exceptions or deviations and credentials, resumes, licenses and certifications. Based on the evaluation of the initial proposals and subsequent vendor interviews, RBF Consulting, Moore Iacofano Goltsman, Inc. (MIG-Hogle-Ireland) and Pacific Municipal Consultants were selected by the evaluation team as the most responsive/responsible vendors.

Due to the intervention for the holidays and the negotiation process with multiple vendors, staff is requesting that the Board approve the agreements with a January 1, 2014 as the effective start date. MIG-Hogle-Ireland is the only contractor of the three (3) that currently has staff working for Planning and ALUC and it is necessary to avoid an interruption in Planning Services to County citizens and businesses. Upon approval by the County of Riverside Board of Supervisors, the agreements shall be effective January 1, 2014 to December 31, 2014, with the ability to extend the agreements for up four (4) years, in one (1) year increments, unless terminated earlier.

County Counsel has also reviewed and updated the proposed contracts to make sure that they comply with the latest legal requirements.

**Impact on Citizens and Businesses**

Planning services are essential to appropriately review and process development applications with professional guidance and oversight in accordance with the County General Plan and development ordinances.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

Maximum payments by the County to the three Contractors shall not exceed \$1,200,000 per fiscal year which will be 100% funded by Deposit Based and/or other developer paid Fees. No dollar amount of work is guaranteed. The basis for work will be on an "as-needed" basis. The contract amount is anticipated to be divided as follows:

**FORM 11:** Professional Services Agreements between the County of Riverside for the Transportation and Land Management Agency and RBF Consulting, Moore Iacofano Goltsman, Inc. (MIG - Hogle - Ireland) and Pacific Municipal Consultants, Inc. All Districts/All Districts [\$1,200,000] 100% funded by Deposit Based and Development Fees.

**PAGE:** 3 of 3

- \$300,000 for RBF Consulting,
- \$600,000 for Moore Iacofano Goltsman, Inc. (MIG–Hogle-Ireland), and
- \$300,000 for Pacific Municipal Consultants, Inc., (PMC).

TLMA staff proposes that future work will be assigned on an as needed basis to each vendor as follows, although we reserve the right to shift work assignments in the best interest of the County.

- RBF will review and prepare environmental documents including but not limited to Environmental Impact Reports, Environmental Assessments and related technical environmental documents.
- Moore Iacofano Goltsman, Inc. (MIG–Hogle-Ireland) will process Specific Plans, Conditional Use Permits, Plot Plans and related applications.
- PMC will process Major and Minor Plot Plans and related applications.

The contract also stipulates that any planner who works on a project for ALUC shall not work on the same or any related project for Planning Department to maintain a separation of services and avoid conflict of interest.

Once an application is submitted, the TLMA staff will assign the application to the appropriate consultant on an as needed basis. Because the contracts are on an “as needed” basis, resources can be swiftly delivered to handle any uptick in development activity, while no work will be offered should another economic downturn prevail. This approach offers maximum customer service through staff flexibility, built around a small core of permanent, Planning Department staff. The County has successfully used the contract model to supplement core staff in handling activity peaks, in areas that are susceptible to economic downturn.

**Contract History and Price Reasonableness**

The current agreement with MIG Hogle-Ireland (only) is scheduled to expire on December 31, 2013. The proposed agreements will be in effect from January 1, 2014 to December 31, 2014 with the option to renew for additional years, through December 31, 2018. Each year shall be renewable in one year increments by written amendment, unless terminated earlier.

Purchasing and TLMA have reviewed the proposed hourly rates and they are comparable for such work in the industry.
