BACKGROUND:

The Coachella Valley Housing Coalition sponsors the JFM College Scholarship Fund Program that serves more than 100 low income students annually that live in the communities of Blythe, Mecca, Thermal, Coachella, Indio, La Quinta, Cathedral City, Desert Hot Springs, and Palm Springs.

The Indio Rotary started the Math Field in 1995. This event encourages student to study and enjoy math and motivates them to develop and apply their math skills and to demonstrate their knowledge of mathematics. It is a community event that includes all three local school districts in the Coachella Valley.

The Palm Desert Rotary Club Foundations raises funds for scholarship for students attending Palm Desert High School and College of the Desert.

The Cabot's Museum is a historic house museum that is a tourist attraction in the City of Desert Hot Springs. Their annual fundraising event that will be held on May 17, 2014 will raises funds to support the operations and maintenance of this non profit organization.

The Riverside County Regional Medical Center will host the 2014 Spring Garden Tour that will benefit the Child Abuse and Neglect (CAN) Unit at Riverside County Regional Medical Center.

WRCOG will host the 23rd Annual General Assembly that will include local community and governmental leaders.

I would like to provide Community Improvement Designation funds to assist these organizations in meeting the needs of the community.
