BACKGROUND:

Summary

The Riverside County Sheriff Department approved a project to replace inefficient glazing in Housing Units 8-11 at the LDS Correctional Facility. This project will increase the effectiveness and efficiency of perimeter security within the established housing units.

On July 17, 2012, the Board of Supervisors approved the construction agreement for Job Order Contract No. 004 between the County of Riverside and Angeles Contractor, Inc. Pursuant to the contract, two job orders were issued for the replacement of tempered glass in Housing Units 8-11 in the combined amount of \$318,638.

The job orders have been inspected and found to comply with the contract requirements. This Board action will release the contract retention funds of \$31,864 to Angeles Contractor, Inc. The contract retention funds are within the overall project budget and no budget adjustment is required.

Impact on Residents and Businesses

Minor impacts due to the temporary closure of some areas within the visitation building during the glazing installation, resulted in the rescheduling of visitations. No businesses were impacted as a result of the project. Recording the Notice of Completion for Angeles Contractor, Inc. will have no impact on residents and businesses.
