Summary (continued)

data collection for care management and service units for the Office on Aging according to the Older Americans Act and Older Californians Act programs. The Amendment #1 increases the number of user portals from 39 to 51, allowing each contracted service vendor to enter their own service unit data. The increased users allows for client information to be input within a nominal amount of time from client contact. In addition, this process increases the security of client data.

Impact on Citizens and Businesses

Increased user portals decreases the Office on Aging data entry cost and increases the security of client information.

FY2014/15	\$35,190
FY2015/16	\$35,190
FY2016/17	\$35,190
FY2017/18	<u>\$35,190</u>
Total:	\$188,050

There is no impact to County General Funds and we are requesting no additional matching requirements.

Contract History and Price Reasonableness

On September 1, 2009, the County of Riverside Board of Supervisors approved the renewal for maintenance services with the option to renew annually. Approval of this amendment will allow the Office on Aging to continue using the CareAccess software purchased in 2003. It would be cost prohibitive to purchase alternative data reporting software at this time.

- D. Destruction not Feasible – in the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions which make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.

8. Hold Harmless/Indemnification

Contractor shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Addendum.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the County to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.
