BACKGROUND:

Summary

Government Code § 25845, Riverside County Ordinance Nos. 457, 348 and 725 authorize the recovery of abatement costs in public nuisance cases upon approval of the Board of Supervisors.

Violations of Riverside County Ordinances were discovered on the property, owned by BOREL, in 2007. Green waste recycling and composting businesses (AGRISCAPE) and an unpermitted mobile home were observed on the property. Notices of Violation and Administrative Citations were issued. Both cases were closed even though the property remains in violation of Riverside County Ordinances.

BOREL has paid the full amount owed (**US \$ 6,943.56**) but has requested a hearing to contest the validity of the charges. Since BOREL has paid the full amount owed, Code Enforcement is not seeking authorization to record notice of abatement lien or inclusion of abatement costs on the tax roll as a special assessment.

The Notice of Hearing re Statement of Abatement Costs has been posted on the property and mailed to the property owner and all interested parties, as required by law. Copies of all relevant notices issued in this matter together with proof of service and posting have been separately filed with the Clerk of the Board and are made a part of the record herein, pursuant to Riverside County Ordinance 725.
