BACKGROUND:

Summary

On March 27, 2012, the Board of Supervisors accepted a conditional award in the amount of \$100,000,000 from the State of California's Board of State and Community Corrections (BSCC), formerly the Corrections Standards Authority, under AB900 II Local Jail Construction Financing Program (Program) for the construction of the new East County Detention Center (ECDC).

Pursuant to the Program, the county must enter into the attached PDCA, which binds the parties, concurrently with entering into the BSCC Construction Agreement, which sets forth the rights and responsibilities of the parties. Included as exhibits to the PDCA are details of the construction scope, Form of Ground Lease, Form of Right of Entry for construction, Form of Facility Sublease, and descriptions of the county's cash and in-kind match.

In conjunction with the execution of the PDCA and BSCC agreements, the county must execute the attached Certificate of the County of Riverside Accompanying Match Funding for the Riverside County Jail project which describes the county's funding contribution to the project.

Under the program, the county will enter into and grant the ground lease to the state, which will have no financial impact, for the project area and land as defined in Exhibits A and B attached to the ground lease. The state shall grant to the county the Right of Entry License Agreement for Construction which shall be coterminous with the PDCA and be a permitted encumbrance to the ground lease.

Upon completion of construction of the new ECDC, the land and improvements shall be collateralized by State Revenue Bond Financing until the bonds are paid in full. The state will grant and enter into a facility sublease with the county, which will have no financial impact, for operation and maintenance of the new facility to be coterminous with the ground lease. Both the ground lease and facility sublease will terminate upon the state's repayment of the bonds. At the termination of both the ground lease and the facility sublease, title to the facility and land shall remain with the county.

The county has reviewed the form of each of the agreements for the construction financing program. The agreements have not been put in final form by the state but they are expected to be in substantially in the attached forms based upon previous negotiation and discussion with the state. Approval of the motions by the Board of Supervisors will authorize the appropriate county signatory or signatories to execute these documents at the appropriate times.

Impact on Residents and Businesses

Minor impacts associated with normal construction may occur which include temporary lane closures or other traffic modifications of city streets leading to and from the project and, normal noise and air quality associated with the demolition and the construction of the expansion. These minor construction impacts will be reduced to a less than significant level with implementation of the mitigation measures associated with the Final Environmental Impact Report (EIR).

Impact on Residents and Businesses (continued)

As the lead agency, the County of Riverside, Economic Development Agency prepared a Final EIR which evaluated the potential environmental impacts associated with the construction and operation of the proposed ECDC project. The results of the analysis demonstrated that the project would not have any significant impacts on the environment with the implementation of the mitigation measures contained in the Final EIR. The Board of Supervisors adopted and certified the Final EIR and Resolution No. 2013-164 on July 16, 2013, per M.O. 03-18.

The perimeter fence around the Indio CAC initially installed for the site preparation and demolition for ECDC will remain in place until the project is complete. The AB 900 Jail Financing Program will reduce the need for local financing and construction of the ECDC will directly benefit residents and businesses of Indio and the County of Riverside by providing enhanced public safety and job creation.

SECTION 8. Assignment or Subletting of Facility.

(a) The Participating County and the Department hereby covenant and agree that neither this Facility Sublease nor any interest of either party in this Facility Sublease shall be sold, mortgaged, pledged, assigned, or transferred by either party by voluntary act or by operation of law or otherwise; provided, however, under certain circumstances, the Facility may be subleased in whole or in part by the Participating County. The Participating County shall not sublet or assign any portion of the Facility, or permit its subtenants to sublet or assign portions of the Facility, without obtaining the prior written consent and approval of the Department and the Board to the form and substance of such sublease, the sublessee and, provided further that, any such sublease shall be subject to the following conditions:

(1) Any sublease of the Facility by the Participating County shall explicitly provide that such sublease is subject to all rights of the Department and the Board under the Facility Sublease, including, the right to re-enter and re-let the Facility or terminate such lease upon a default by the Participating County; and

(2) At the request of the Department or the Board, the Participating County shall furnish the Department, the Board and the State Treasurer with an opinion of nationally recognized bond counsel acceptable to the Board to the effect that such sublease will not, in and of itself, cause the interest on the Bonds to be included in gross income for federal income tax purposes.

(b) The Participating County acknowledges that if the Department breaches the terms of the Facility Lease a remedy for such breach available to the Board under the Facility Lease is to enter and re-let the Facility to an entity other than the Department. If the Board, at its discretion, chooses to exercise this remedy, the Board agrees its first offer to relet the Facility, the terms of such offer to be at the sole reasonable discretion of the Board, shall be made to the Participating County.

(c) This CDCR Facility Sublease shall not be subordinated.

The Participating County further warrants, covenants and represents that it will promptly notify the Department and the Board in writing of any change in the nature or extent of any Hazardous Materials, substances or wastes maintained on, in, under or under the Project or used in connection therewith, of which the Participating County gains actual knowledge, and will transmit to the Agencies and the Trustee copies of any citations, orders, notices or other material governmental or other communication received by the Participating County with respect to any other Hazardous Materials, substances, wastes or other environmentally regulated substances affecting the Project. The Participating County shall ensure (as to itself), and shall use its best efforts to ensure (as to its contractors, consultants and other agents), that all activities of the Participating County or any officers, employees, contractors, consultants, or any other agents of the Participating County performed at the Facility will be in full compliance with all federal, state and local environmental laws, regulations, and ordinances, and further agrees that neither the Participating County nor its contractors, consultants, agents, officers or employees will engage in any management of solid or hazardous wastes at the Project in violation of any Environmental Law. If the presence of Hazardous Materials on the Project results in the contamination or deterioration of the Project or any water or soil beneath the Project, the Participating County shall promptly take all action necessary to investigate and remedy that contamination.

The Participating County shall defend, indemnify and hold the Department and the Board harmless from and against any and all damages, penalties, fines, claims, liens, suits, liabilities, costs (including clean up costs), judgments and expenses (including attorneys', consultants', or experts' fees and expenses of every kind and nature) suffered by or asserted against the Department or the Board as a direct or indirect result of any warranty or representation made by the Participating County in the preceding paragraph being false or untrue in any material respect or the breach of any obligation of the Participating County in the preceding paragraph. The indemnification obligations set forth in this paragraph shall survive any termination of this Facility Sublease.

(2) Without terminating this lease, (i) to enforce any term or provision to be kept or performed by the Participating County or (ii) to exercise any and all rights of entry and re-entry upon the Facility. In the event the Department does not elect to terminate this Facility Sublease in the manner provided for in subparagraph (1) hereof, the Participating County shall remain liable and agrees to keep or perform all covenants and conditions herein contained to be kept or performed by the Participating County, and notwithstanding any entry or re-entry by the Department or suit in unlawful detainer, or otherwise, brought by the Department for the purpose of effecting a re-entry or obtaining possession of the Facility. Should the Department elect to re-enter as herein provided, the Participating County hereby irrevocably appoints the Department as the agent and attorney-in-fact of the Participating County to re-let the Facility, or any part thereof, from time to time, either in the Department's name or otherwise, upon such terms and conditions and for such use and period as the Department may deem advisable and to remove all persons in possession thereof and all personal property whatsoever situated upon the Facility and to place such personal property in storage in any warehouse or other suitable place, for the account of and at the expense of the Participating County, and the Participating County hereby exempts and agrees to save harmless the Department from any costs, loss or damage whatsoever arising out of, in connection with, or incident to

any such re-entry upon and re-letting of the Facility and removal and storage of such property by the Department or its duly authorized agents in accordance with the provisions herein contained except for any such costs, loss or damage resulting from the intentional or negligent actions of the Department or its agents. The Participating County agrees that the terms of this Facility Sublease constitute full and sufficient notice of the right of the Department to re-let the Facility in the event of such re-entry without effecting a surrender of this Facility Sublease. The Participating County further agrees that no acts of the Department in effecting such re-letting shall constitute a surrender or termination of this Facility Sublease irrespective of the use or the term for which such re-letting is made or the terms and conditions of such re-letting, or otherwise, but that, on the contrary, in the event of such default by the Participating County the right to terminate this Facility Sublease shall vest in the Department to be effected in the sole and exclusive manner provided for in subparagraph (1) hereof. The Participating County further agrees to pay the Department the cost of any alterations or additions to the Facility necessary to place the Facility in condition for re-letting immediately upon notice to the Participating County of the completion and installation of such additions or alterations.

(c) This Facility Sublease may be terminated at the option of the Board if the Board determines to exercise its right to enter and re-let the Facility under the Facility Lease pursuant to a default by the Department thereunder.

(d) In addition to any default resulting from breach by the Participating County of any term or covenant of this Facility Sublease, if (1) the Participating County's interest in this Facility Sublease or any part thereof be assigned, sublet or transferred without the prior written consent to the Department and the Board, either voluntarily or by operation of law, or (2) the Participating County or any assignee shall file any petition or institute any proceedings under any act or acts, state or federal, dealing with or relating to the subject of bankruptcy or insolvency or under any amendment of such act or acts, either as a bankrupt or as an insolvent or as a debtor or in any similar capacity, wherein or whereby the Participating County asks or seeks or prays to be adjudicated as bankrupt, or is to be discharged from any or all of the Participating County's debts or obligations, or offers to the Participating County's creditors to effect a composition or extension of time to pay the Participating County's debts, or asks, seeks or prays for a reorganization or to effect a plan of reorganization or for a readjustment of the Participating County's debts or for any other similar relief, or if any such petition or if any such proceedings of the same or similar kind or character be filed or be instituted or taken against the Participating County, or if a receiver of the business or of the property or assets of the Participating County shall be appointed by any court, except a receiver appointed at the insistence or request of the Department or the Board, or if the Participating County shall make a general or any assignment for the benefit of the Participating County's creditors, or (3) the Participating County shall abandon the Facility, then the Participating County shall be deemed to be in default hereunder.

(e) The Department shall in no event be in default in the performance of any of its obligations hereunder unless and until the Department shall have failed to perform such obligations within sixty (60) days or such additional time as is reasonably required to correct any such default after notice by the Participating County to the Department that the Department has failed to perform any such obligation.

(f) The Participating County hereby waives any and all claims for damages caused or which may be caused by the Department in re-entering and taking possession of the Facility as herein provided and all claims for damages that may result from the destruction of or injury to the Facility and all claims for damages to or loss of any property belonging to the Department, or any other person, that may be in or upon the Facility, except for such claims resulting from the intentional or negligent actions of the Department or its agents.

Each and all of the remedies given to the Department hereunder or by any law now or hereafter enacted are cumulative and the single or partial exercise of any right, power or privilege hereunder shall not impair the right of the Department to other or further exercise thereof or the exercise of any or all other rights, powers or privileges. The term "re-let" or "re-letting" as used in this Section shall include, but not be limited to, re-letting by means of the operation or other utilization by the Department of the Facility. If any statute or rule of law validly shall limit the remedies given to the Department hereunder, the Department nevertheless shall be entitled to whatever remedies are allowable under any statute or rule of law.

In the event the Department shall prevail in any action brought to enforce any of the terms and provisions of this Facility Sublease, the Participating County agrees to pay reasonable attorney's fees incurred by the Department in attempting to enforce any of the remedies available to the Department hereunder; whether or not a lawsuit has been filed and whether or not any lawsuit culminates in a judgment.

SECTION 11. Additions, Betterments, Extensions or Improvements; Liens. If any proposed additions, betterments, extensions or improvements of the Facility require approval by the Corrections Standards Authority, the Participating County shall concurrently with the request for such approval(s) request the approval to such additions, betterments, extensions or improvements of the Board. The Participating County acknowledges the commencement of such additions, betterments, extensions or improvements shall be subject to receipt by the Participating County of the Board's approval thereto. In the event the Participating County shall at any time during the term of this Facility Sublease cause any additions, betterments, extensions or improvements to the Facility to be acquired or constructed or materials to be supplied in or upon the Facility, the Participating County shall pay or cause to be paid when due all sums of money that may become due, or purporting to be due for any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to or for the Participating County in, upon or about the Facility and shall keep the Facility free of any and all mechanics' or materialmen's liens or other liens against the Facility or the Department's or the Board's interest therein. In the event any such lien attaches to or is filed against the Facility or the Department's or the Board's interest therein, the Participating County shall cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, except that if the Participating County desires to contest any such lien it

may do so. If any such lien shall be reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and said stay thereafter expires, the Participating County shall forthwith pay or cause to be paid and discharged such judgment. In accordance with Section 20, the Participating County agrees to and shall, to the maximum extent permitted by law, defend, indemnify and hold the Department, the Board, the State Treasurer and their members, directors, agents, successors and assigns harmless from and against and defend each of them against any claim, demand, loss, damage, liability or expense (including attorneys' fees) as a result of any such lien or claim of lien against the Facility or the Department's or the Board's interest therein. The Participating County hereby acknowledges and agrees that it shall not cause any additions, betterments, extensions or improvements to the Facility to occur in such a manner that Rental under the Facility Lease would be abated.

The Department covenants that the Project is not and will not be mortgaged, pledged, or hypothecated by the Department in any manner or for any purpose and that the Project has not been and will not be the subject of a security interest by the Department. In addition, the Department covenants that the Project is not and will not be mortgaged, pledged, or hypothecated for the benefit of the Participating County or its creditors in any manner or for any purpose and that the Project has not been and will not be the subject of a grant of a security interest in favor of the Participating County or its creditors. The Department shall not in any manner impair, impede, or challenge the security, rights and benefits of the owners of the Bonds or the trustee for the Bonds.

SECTION 12. Continuing Disclosure. The Participating County hereby covenants and agrees that it will fully cooperate with the Department, the Board and the State Treasurer so that they can comply with and carry out all of the provisions of the Continuing Disclosure Agreement and will provide all information reasonably requested by the Department, the Board or the State Treasurer regarding the Facility, in connection with continuing disclosure obligations.

SECTION 13. Status of Private Activity Use of the Facility. The Participating County hereby covenants and agrees to provide information to the Department, the Board and the State Treasurer annually regarding the private activity use, if any, of the Facility. Any such private use must be consistent with the Participating County's covenants pursuant to Section 14 hereof. The information that must be updated annually is set forth in the Tax Certificate that was executed and delivered by the Board upon the initial issuance of the Bonds.

SECTION 14. Tax Covenants. The Participating County covenants that it will not use or permit any use of the Facility, and shall not take or permit to be taken any other action or actions, which would cause any Bond to be a "private activity bond" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended; and any applicable regulations promulgated from time to time thereunder. The Participating County further covenants that it will not take any action or fail to take any action, if such action or the failure to take such action would adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

The Participating County does not expect to and shall not perform any act, enter into any agreement, or use or permit more than 10% of the Bond proceeds or the Project to be used in any trade or business unrelated to the exempt purposes of the Participating County (as defined in Section 513(a) of the Code), or enter into any contract or arrangement with any person or organization (other than a state or local governmental unit, or a 501(c)(3) organization acting within the scope of its exempt purposes), including the federal government (a "Disqualified Person"), which provides for use of more than 10% of the Project in any trade or business of such Disqualified Person ("Private Use"), including a lease or sale of any part of the Project excluding general public use and other uses disregarded under Treasury Regulation §1.141-3, unless the Participating County provides prior written notice to the Board of the proposed act, agreement or use and the Participating County and the Issuer receive an opinion of nationally recognized bond counsel acceptable to the Board with respect to such act, agreement or use.

The Participating County will not enter into any arrangement with any Disqualified Person which provides for such person to manage, operate, or provide services with respect to the Project (or any portion thereof) (a "Service Contract"), unless the guidelines set forth in Revenue Procedure 97-13, as modified by Revenue Procedure 2001-39 (the "Guidelines"), are satisfied, except to the extent the Participating County obtains a private letter ruling from the Internal Revenue Service or an opinion of nationally recognized bond counsel acceptable to the Board which allows for a variation from the Guidelines.

The Participating County will not enter into any contract or arrangement with any Disqualified Person which provides for use of the Project (or any portion thereof) for "research," within the meaning of Treasury Regulations Section 1.141-3(b)(6), for the benefit of such Disqualified Person unless such contract or arrangement meets the requirements of Rev. Proc. 2007-47. For this purpose, "research" includes activities that represent research in the experimental or laboratory sense. The term generally includes all activities incident to the development or improvement of a product, including obtaining a patent. "Research" for this purpose does not include management studies. However, contracts or arrangements with a Disqualified Person for management studies may result in private trade or business use if the Disqualified Person has possessory or priority rights in specific portions of the Project.

SECTION 15. No Merger. The parties hereto intend that there shall be no merger of any estate or interest created by this Facility Lease with any other estate or interest in the Facility, or any part thereof, by reason of the fact that the same party may acquire or hold all or any part of the estate or interest in the Facility created by this Facility Lease as well as another estate or interest in the Facility.

SECTION 16. Waste. The Participating County shall not commit, suffer, or permit any waste or nuisance on or within the Facility or any acts to be done thereon in violation of any laws or ordinances.

SECTION 17. Amendments. This Facility Sublease may not be amended, changed, modified or altered without the prior written consent of the parties hereto and the Board.

SECTION 18. Waiver.

The waiver by the Department, any such waiver subject to the consent thereto of the Board, of any breach by the Participating County of any agreement, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other agreement, covenant or condition hereof.

The waiver by the Participating County, any such waiver subject to the consent thereto of the Board, of any breach by the Department of any agreement, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other agreement, covenant or condition hereof.

SECTION 19. Non-Liability of the Department and other State Entities. Any obligation of the Department created by or arising out of this Facility Sublease shall not impose a debt or pecuniary liability upon the Department, the Board or the State of California, or a charge upon the general credit or taxing powers thereof, but shall be payable solely out of funds duly authorized and appropriated by the State.

The delivery of this Facility Sublease shall not, directly or indirectly or contingently, obligate the Board, the Department, the State Treasurer or the State of California to levy any form of taxation therefor or to make any appropriation. Nothing herein or in the proceedings of the Participating County, the Board or the Department shall be construed to authorize the creation of a debt of the Board, the Department, the State Treasurer or the State of California, within the meaning of any constitutional or statutory provision of the State of California. No breach of any pledge, obligation or agreement made or incurred in connection herewith may impose any pecuniary liability upon, or any charge upon the general credit of the Board, the Department or the State of California.

SECTION 20. Indemnification.

As required by California Government Code Section 15820.905, the Participating County agrees to indemnify, defend, and hold harmless the State of California, including but not limited to the Department and the Board and their officers, agents and employees, for any and all claims and losses accruing and resulting from or arising out of the Participating County's use and occupancy of the Facility. The Participating County's obligation to indemnify, defend and hold harmless under this Section shall extend to all such claims and losses arising, occurring, alleged, or made at any time, including prior to, during, or after the period that this Facility Sublease is in full force and effect. Notwithstanding the preceding sentence, the Participating County will not be required to indemnify, defend or hold harmless the Department, the Board, or any other State agency, or their respective officers, agents, employees, contractors and/or invitees from any claim which arises, in whole or in part, from the gross negligence or willful misconduct or omission of the Department, the Board, or any other State agency, or their respective officers, agents, employees, contractors and/or invitees. The indemnification obligations of the Participating County set forth in this Section shall survive any termination of this Facility Sublease.

SECTION 21. Law Governing. This Facility Sublease shall be governed exclusively by the provisions hereof and by the laws of the State of California as the same from time to time exist. Any action or proceeding to enforce or interpret any provision of this lease shall, to the extent permitted by law, be brought, commenced or prosecuted in the courts of the State located in the Participating County of Sacramento, California.

SECTION 22. Headings. All section headings contained in this Facility Sublease are for convenience of reference only and are not intended to define or limit the scope of any provision of this Facility Sublease.

SECTION 23. Notices. All approvals, authorizations, consents, demands, designations, notices, offers, requests, statements or other communications hereunder by either party to the other shall be in writing and shall be sufficiently given and served upon the other party if delivered personally or if mailed by United States registered or certified mail, return receipt requested, postage prepaid, and addressed as follows:

SECTION 25. Validity and Severability. If for any reason this Facility Sublease or any part thereof shall be held by a court of competent jurisdiction to be void, voidable, or unenforceable by the Department or by the Participating County, all of the remaining terms of this Facility Sublease shall nonetheless continue in full force and effect. If for any reason it is held by such a court that any of the covenants and conditions of the Participating County hereunder, including the covenant to pay rentals hereunder, is unenforceable for the full term hereof, then and in such event this Facility Sublease is and shall be deemed to be a lease from year to year under which the rentals are to be paid by the Participating County annually in consideration of the right of the Participating County to possess, occupy and use the Facility, and all the other terms, provisions and conditions of this Facility Sublease, except to the extent that such terms, provisions and conditions are contrary to or inconsistent with such holding, shall remain in full force and effect, to the extent permitted by law.
