**BACKGROUND:**

**Summary (continued)**

costs associated with the design and construction of the Indian Truck Trail/I-15 interchange improvements could be offset against the developer's obligation to pay the applicable TUMF. These improvements were required by conditions of approval of the Assigned Property.

Tri Pointe Homes, Inc. acquired Tentative Tract Map No. 31908 from Starfield Sycamore Investors LLC. Starfield Sycamore Investors LLC desires to assign to Tri Pointe Homes, Inc. the TUMF credits, interests, and obligations associated with Tentative Tract Map No. 31908 in accordance with the TUMF Improvement and Credit Agreement. The assigned TUMF credits shall be in the amount equal to the developer's TUMF obligation up to a maximum of \$8,873 per each single-family residential unit within the Assigned Property.

The developer funded the design of the interchange project, and the County was able to construct the Indian Truck Trail/I-15 Interchange improvements, which was completed in 2013 through a combination of developer contributions and state funds. The improvements included the widening of Indian Truck Trail from two to four lanes with dedicated right and left turn lanes at the ramp intersections, freeway ramp widening, and installation of traffic signals.
