

ORDINANCE NO. 659.13

AN ORDINANCE OF THE COUNTY OF RIVERSIDE AMENDING ORDINANCE NO. 659
ESTABLISHING A DEVELOPMENT IMPACT FEE PROGRAM

The Board of Supervisors of the County of Riverside ordains as follows:

Section 1. Section 1. of Ordinance No. 659 is amended to read as follows:

“Section 1. TITLE. This ordinance shall hereafter be known as the Year 2010-2020 Development Impact Fee (“DIF”) Ordinance.”

Section 2. Section 2. of Ordinance No. 659 is amended to read as follows:

“Section 2. FINDINGS. The Board of Supervisors, having reviewed and considered the report entitled: “County of Riverside Development Impact Fee Study Update Draft Final Report (Report)” and the Development Impact Fee Capital Improvement Plan (DIF Capital Improvement Plan) finds and determines that:

- a. In order to effectively implement the Riverside County Comprehensive General Plan, manage new residential, commercial, industrial, surface mining and winery development, and address impacts caused by such development, certain Facilities must be constructed or acquired.
- b. In order for the County to construct or acquire the needed Facilities, it is necessary to require that all new development bear its fair share cost of providing the Facilities reasonably needed to serve that development. However, new development shall not be unfairly burdened with the cost of facilities associated with serving the existing population.
- c. Development Impact Fees (Fees) are hereby created for that purpose.

- d. As indicated in the Report, the Fees set forth herein do not reflect the entire cost of the Facilities needed in order to effectively meet the needs created by new development. Additional revenues will be required from other non-fee sources. The Board finds that the benefit to each development project is greater than the amount of the Fees to be paid by that project.
- e. Payment of the Fees does not necessarily mitigate to a level of insignificance all impacts from new development. Whether impacts associated with a particular development project have been mitigated to a level of insignificance will be determined by the County on a case-by-case basis. If the County determines that payment of the Fees, coupled with other feasible mitigation measures, does not mitigate impacts to a level of insignificance, an Environmental Impact Report will be required for the development project in question.
- f. The Criminal Justice Public Facilities, Library Construction, Fire Protection Facilities, Traffic Signals, Regional Parks, Regional Trails, Flood Control, Regional Multi-Service Centers, and Library Books/Media Components of the Report and DIF Capital Improvement Plan includes data compiled from information provided by various County departments and the Riverside County Regional Park and Open Space District and the Riverside County Flood Control and Water Conservation District; based on the anticipated needs of the County due to future development during the next ten (10) years.
- g. The Transportation Improvement Facilities Component of the Report and DIF Capital Improvement Plan includes data compiled from information

provided by the Transportation and Land Management Agency based on the anticipated needs of the County due to future development during the next twenty five (25) years.

- h. The Fees collected pursuant to this ordinance shall be used toward the construction and acquisition of Facilities identified in the DIF Capital Improvement Plan. The need for the Facilities is related to new residential, commercial, office, industrial, surface mining and winery development because such new development will bring additional people and other uses into the County thus creating an increased demand for the Facilities.
- i. The cost estimates set forth in the Report and the DIF Capital Improvement Plan are reasonable cost estimates for the Facilities and that portion of the Fees expected to be generated by new development will not exceed the total fair share of these costs.
- j. Failure to mitigate growth impacts on Facilities within the County will place residents in a condition perilous to their health, safety and welfare.
- k. There is a reasonable relationship between the use of the Fees and the type of development projects on which the Fees are imposed because the Fees will be used to construct the Facilities and the Facilities are necessary for the health and welfare of the residential, commercial, office, industrial, surface mining, and winery users of the development projects on which the Fees will be levied.
- l. There is a reasonable relationship between the need for the Facilities and the type of development project on which the Fees are imposed because it will be necessary for the residential, commercial, office, industrial, surface

mining, and winery users of the development projects to have access to the Facilities in order to use, inhabit, and have access to the development projects. New development will benefit from the Facilities and the burden of such new development will be mitigated in part by the payment of the Fees.

- m. The cost estimates set forth in the Report and the DIF Capital Improvement Plan are reasonable cost estimates for constructing and/or acquiring the Facilities and that portion of the Fees expected to be generated by new development will not exceed the total fair share of these costs.
- n. Even though second units and guest quarters on existing single family lots may also contribute to the need for certain of the Facilities, the Board refrains from imposing Fees on such development at this time, and in this regard finds that second units and guest quarters: (1) provide a cost-effective means of serving development through the use of existing infrastructure, as contrasted to requiring the construction of new costly infrastructure to serve development in undeveloped areas; (2) provide relatively affordable housing for low and moderate income households without public subsidy; and (3) provide a means for purchasers of new or existing homes to meet payments on high interest loans.
- o. This Ordinance is for the purpose of promoting public health, safety, comfort, and welfare and adopts means which are appropriate to attaining those ends.”

Section 3. Section 4. of Ordinance No. 659 is amended to read as follows:

“Section 4. PURPOSE. This ordinance serves the following purposes:

- a. It establishes and sets forth policies, regulations, and Fees relating to the funding and installation of the Facilities necessary to address the direct and cumulative environmental effects generated by new development projects described and defined in this ordinance.
- b. It establishes the authorized uses of the Fees collected.”

Section 4. Subsection k. of Section 6. of Ordinance No. 659 is amended to read as

follows:

- “k. FACILITIES. ‘Facilities’ shall mean the public facilities financed or acquired by the DIF Program and shall include all of the facilities set forth in the DIF Capital Improvement Plan and any subsequently approved revision thereof.”

Section 5. Subsection t. of Section 6. of Ordinance No. 659 is amended to read as

follows:

- “t. DEVELOPMENT IMPACT FEE CAPITAL IMPROVEMENT PLAN. The list entitled Riverside County Development Impact Fee Capital Improvement Plan, which list is on file with the Clerk of the Board.”

Section 6. Subsection x. of Section 6. of Ordinance No. 659 is amended to read as

follows:

- “x. REPORT. Means the ‘County of Riverside Development Impact Fee Study Update Draft Final Report.’”

Section 7. Subsection z. of Section 6. of Ordinance No. 659 is amended to read as

follows:

“z. REVENUE or REVENUES. Any funds received by the County pursuant to the provisions of this ordinance for the purpose of defraying all or a portion of the cost of the facilities set forth in the DIF Capital Improvement Plan.”

Section 8. A new subsection bb. is added to Section 6. of Ordinance No. 659 to read as

follows:

“bb. WINERY. An agricultural facility with an established on-site vineyard designed and used to crush, ferment, and process grapes into wine.”

Section 9. A new subsection cc. is added to Section 6. of Ordinance No. 659 to read as

follows:

“cc. INTENSIVE USE AREA – WINERY. The ‘intensive use area’ means, for purposes of a winery, that project area which includes but is not limited to the roadways, parking areas, all buildings associated with the winery including wine production and storage areas, tasting room, office and administration space, retail sales, indoor and outdoor special occasion facilities, and food service space.”

Section 10. A new subsection dd. is added to Section 6. of Ordinance No. 659 to read as

follows:

“dd. REQUIRED PLANTED VINEYARD. The minimum site area when required by Riverside County Zoning Ordinance 348 for wineries with on-site vineyards for the planting and cultivation of grapevines.”

Section 11. A new subsection ee. is added to Section 6. of Ordinance No. 659 to read as

follows:

“ee. RECREATIONAL VEHICLE. A recreational trailer as defined in Ordinance No. 348.”

Section 12. A new subsection ff. is added to Section 6. of Ordinance No. 659 to read as

follows:

“ff. RECREATIONAL VEHICLE (RV) PARK. A Vacation Recreational Vehicle Park, Extended Occupancy Park or Permanent Occupancy Park as defined in Ordinance No. 348.”

Section 13. Section 7. of Ordinance No. 659 is amended to read as follows:

“Section 7. DEVELOPMENT IMPACT FEE. In order to assist in providing Revenue to acquire or construct the Facilities, Development Impact Fees shall be paid for each residential unit, development project, or a portion thereof to be constructed. Seven categories of Fees are defined which are: Single Family Residential (“SFR”), Multi-Family Residential (“MFR”), Commercial, Office (applicable to Transportation Improvement Projects and Traffic Signals only), Industrial, Surface Mining, and Wineries. For each of these categories, the amount of the DIF will vary depending upon the location of the property upon which the development unit or a portion thereof will be constructed. Within each Area Plan, the following DIF amounts shall be paid for each Development Project within each Area Plan:

Area Plan	Single Family Residential \$ per dwelling unit	Multi-Family Residential \$ per dwelling unit	Commercial \$ per acre	Office \$ per acre	Industrial \$ per acre	Surface Mining \$ per acre	Wineries \$ per acre

Section 15. Section 9. of Ordinance No. 659 is amended to read as follows:

“Section 9. AREA PLAN BOUNDARIES. The boundaries of each Area Plan are as set forth in that document entitled Riverside County Comprehensive General Plan, which is on file with the Clerk of the Board.”

Section 16. Section 13. of Ordinance No. 659 is amended to read as follows:

“Section 13. ACREAGE-BASED FEES. Development Impact Fees for commercial, office, industrial, surface mining and winery projects are based on units of developed acreage and shall be computed on the basis of the Project Area in accordance with the following:

- a. The Project Area shall be determined or verified by county staff based upon the applicant's development plot plan as submitted to the Planning Department.
- b. If the difference between the net acreage, as exhibited on the plot plan, and the Project Area is less than one-quarter acre, the fees shall be charged on the full gross acreage.
- c. The applicant may elect, at his or her own expense, to have the Project Area evaluated, dimensioned, and certified by a registered civil engineer or a licensed land surveyor. The engineer or land surveyor shall prepare a wet-stamped letter of certification of the Project Area dimensions and a plot plan exhibit that clearly delineates the Project Area. Upon receipt of the letter of certification and plot plan exhibit, County staff will review and if accepted, approve the new Project Area. The fees will be established based upon the newly certified Project Area.
- d. Areas of legally restricted construction, such as Federal Emergency Management Agency designated floodways, open space lots, and

areas dedicated to a public entity for public use within Project Areas shall be excluded for the purpose of computing acreage-based Fees.”

Section 17. A new subsection a. is added to Section 14. of Ordinance No. 659 to read as follows:

“a. Development Impact Fees are adjusted annually to reflect inflationary changes. The annual adjustment occurs on July 1st of each year to coincide with the fiscal year. The annual adjustment is calculated for the twelve-month period ending March 31 prior to the July1 adjustment date. The application of the cost indices follows:

Engineering News Record Construction Cost Index shall be used to adjust: Criminal Justice Public Facilities, Library Construction, Fire Protection Facilities, Transportation Improvement Facilities, Traffic Signals Regional Parks, Regional Trails, Multi-Service Centers, and Flood Facilities; US Department of Labor Statistics Consumer Price Index, All Urban Consumers, Los Angeles-Riverside-Orange County shall be used to adjust Library Books/Media.”

Section 18. Section 15 of Ordinance No. 659 is amended to read as follows:

“Section 15. TEMPORARY REDUCTION OF FEES. Pursuant to the fee adjustment authority set for in Section 14 of this ordinance and notwithstanding Section 7, or any other provision of this ordinance, DIF amounts in effect on the effective date of Ordinance 659.13 shall be temporarily reduced by forty percent (40%) until December 31, 2014. Commencing on January 1, 2015, the DIF amounts in effect on the effective date of Ordinance 659.13 shall be temporarily reduced by twenty percent (20%) until June 30, 2015. The full DIF fee amounts,

without any reduction, will be charged and collected on and after July 1, 2015 without further action.

- a. Application. The temporary fee reductions described in this section shall not apply to or affect fees owed under any development agreement or other contractual arrangement in effect on or before the effective date of Ordinance 659.13. If reduced fees are paid at the time application is made for a building permit and either the application or the building permit issued on the application expires, subsequent building permit applications on the same parcel shall be subject to the full DIF amount, unless the temporary fee reductions are still in effect at the time of the subsequent application.
- b. Effect. This ordinance only effects a temporary reduction in the DIF fee amounts in the time periods and amounts described in this Section 15.”

Section 19. Section 16 of Ordinance No. 659 is amended to read as follows:

“Section 16. REDUCTION FOR SENIOR CITIZEN’S RESIDENTIAL UNITS.

The Fees required pursuant to Section 8 of this ordinance shall be reduced by 33.3 percent of the applicable SFR Fee Amount for Senior Citizen’s Residential Units and the applicable MF Fee Amount for Recreational Vehicle (RV) Parks. Reduction will be applied upon review and approval of the project’s eligibility for reduction. The applicant will be requested to submit documentation proving eligibility. ”

Section 20. Section 18 of Ordinance No. 659 is amended to read as follows:

“Section 18. CREDITS. If an owner or developer of real property dedicates land or constructs facilities identified in the DIF Capital Improvement Plan, the County may grant the owner or developer a Credit in one or more of the Fee Components described in this ordinance against the Development Impact Fees required. No Credit shall be granted for the cost of

improvements not defined herein as "Facilities." An owner or developer may request a Credit from the Transportation and Land Management Agency at the time of development approval. A Credit granted at the time of development approval shall be included as a condition of that approval. After development approval, but before the issuance of a building permit, an owner or developer may request a Credit from the Executive Office. If the Transportation and Land Management Agency or the Executive Office determines that a Credit is appropriate, the owner or developer shall enter into a Credit Agreement which shall be approved by the Board of Supervisors. The Credit amount shall be initially calculated by estimating the fair market value of the land dedicated or by estimating the cost of constructing Facilities. The County shall subsequently review and determine the actual value of the land dedicated and the actual construction costs allowable. Any Credit granted shall not exceed the allocated cost for the Facilities. Any Credit granted shall be given in stated dollar amounts only. “

Section 21. Section 19. of Ordinance No. 659 is amended to read as follows:

“Section 19. EXEMPTIONS. The following types of construction shall be exempt from the provisions of this ordinance:

- a. Reconstruction of a residential unit or commercial or industrial building damaged or destroyed by fire or other natural causes;
- b. Rehabilitation or remodeling of an existing residential, commercial, or industrial building; or additions to an existing residential, commercial or industrial building constructed after 2001.
- c. The location or installation of a mobile home, without a permanent foundation on any site. The Fees required under this ordinance shall not be applicable to a site preparation permit or an installation permit for a mobile home without a permanent foundation. No site

preparation permit or installation permit for a mobile home with a permanent foundation shall be issued after January 22, 1989, except upon the condition that the Development Impact Fees required by this ordinance be paid; provided, however, in those instances where a site preparation permit or an installation permit has been previously issued and subsequently finalized for a site, and the Development Impact Fees have been paid, the Fees required under this ordinance shall not be applicable to a site preparation permit or an installation permit for a mobile home with a permanent foundation. Further, in those instances where an installation permit was issued prior to January 22, 1989, and subsequently finalized for a mobile home without a permanent foundation and a permit is subsequently requested for the construction of a permanent foundation for said existing mobile home, the Fees required under this ordinance shall not be applicable to the permit subsequently issued for the construction of said permanent foundation.

- d. Residential Units in publicly subsidized projects constructed as housing for low-income households as such households are defined pursuant to section 50079.5 of the Health and Safety Code. Exemption shall be applied upon review and approval of the project's eligibility for the exemption. The applicant will be required to provide documents proving eligibility.
- e. Detached Second Units or guest quarters pursuant to Section 18.28a and Section 21.35a, respectively, of Riverside County Ordinance No.

348 and Attached Second Units pursuant to Section 18.28b of Ordinance No. 348.

- f. Construction of an SFR unit upon property wherein a mobile home installation permit was issued prior to January 22, 1989 and subsequently finalized.
- g. The area designated as “Required Planted Area” where required by Riverside County Zoning Ordinance 348 and any additional planted vineyard area exceeding the requirement.”

Section 22. This ordinance shall take effect sixty (60) days after its adoption
