RECOMMENDED MOTION (continued):

3. If the owner or whoever has possession of the real property does not take the above described action within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Code Enforcement Department, Sheriff's Department, and/or a contractor, upon consent or receipt of a Court Order authorizing entry onto the real property, when necessary under applicable law, may abate the excess outside storage and accumulation of rubbish by removing and disposing of the same from the real property.

4. The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Riverside County Ordinance No. 725.

5. County Counsel be directed to prepare the necessary Findings of Fact and Conclusions that the excess outside storage of materials and accumulation of rubbish on the real property is declared to be in violation of Riverside County Ordinance Nos. 348 and 541, and a public nuisance, and further, to prepare an Order to Abate for approval by the Board.

BACKGROUND:

1. Since 1999, this property owner has violated multiple County Ordinances and Code has open six other cases against him. The current case was opened in 2008.

2. An inspection warrant was executed on the property by Code Enforcement Officer Brett Pollard on December 4, 2013. The Inspection revealed the excess outside storage of materials and an accumulation of rubbish on the subject property in violation of Riverside County Ordinances Nos. 348 and 541. The items included but were not limited to: green waste, wood, irrigation supplies, furniture, tools, 40 tires, boat motor, wood, pipes, buckets, barrels, metal, fencing, a wheel barrel, ice chest, hot tub, truck box, cans, boats, tractors, lawnmower, sheds, cardboard, cinder blocks, bricks and other miscellaneous items.

3. A follow up inspection of the above-described real property on March 11, 2014, revealed that the property continues to be in violation of Riverside County Ordinance Nos. 348 and 541.

4. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for the removal of the excess outside storage and accumulated rubbish.

Impact on Citizens and Businesses

Failure to abate will have a negative impact on citizens or businesses due to health and safety hazards, nuisance, and potential impact on real estate values.
