Successor Agency to the Redevelopment Agency

FORM 11: Mesa Verde Blythe Airport Water System Improvements – Approval of Notice of Completion and Release of Final Retention, District 4/District 4, [\$88,288], Riverside County Redevelopment Agency Funds - Held by City of Blythe 100%

DATE: July 17, 2014

Page 2 of 2

BACKGROUND:

Summary

On February 26, 2002, the Board of Supervisors adopted Resolution 2002-77 (Item 3.5) which approves an inter-jurisdictional agreement among the County of Riverside, the City of Blythe, and the Blythe Redevelopment Agency. The City Council of the City of Blythe adopted a redevelopment plan for Redevelopment Project No. 1 in 1984, and subsequently added territory to the project area on several occasions. Redevelopment Project No. 1 included territory throughout the City of Blythe and some property in the unincorporated area of the county.

The Community Redevelopment Law provides that the County Redevelopment Agency and the Blythe Redevelopment Agency may jointly exercise the powers granted under the Community Redevelopment Law. In addition, the Board of Supervisors and the City Council of Blythe may each designate one redevelopment agency to act as the agency for both the county and the city. Pursuant to its Resolution No. 2002-52, adopted on January 29, 2002, the Board of Supervisors designated the Blythe Redevelopment Agency to act as the agency for the County of Riverside in connection with the proposed Amendment and Added Territory.

On October 5, 2010, the Board of Supervisors approved the construction agreement with Spiess Construction Company, Inc. (Spiess), for the construction of the Mesa Verde Blythe Airport Water System Improvements project. On September 10, 2013, the Board of Supervisors approved the retention reduction be reduced by an additional \$218,000 to allow Speiss to pay off subcontractors that have completed 100% of their contract work satisfactorily.

The project has been inspected and found to comply with all contract requirements. This Board action will release the final retention amount of \$88,288 to Spiess after completion of the contractual lien period of 35 days. The project is now complete and staff recommends the Chairman execute the attached Notice of Completion and authorize the Clerk of the Board to record the Notice of Completion.

Impact on Residents and Businesses

The completion of the Mesa Verde Blythe Airport Water System Improvements project will allow the Mesa Verde community and businesses on and near the Blythe Airport to have a reliable clean source of drinking water.

Additional Fiscal Information

The project is listed on the City of Blythe Successor Agency Recognized Obligation Payment Schedule (ROPS), as Blythe holds the funds and pays all invoices related to the project. The City's Successor Agency has retained 5% of all progress payment to Spiess through the term of this project. This Board action will allow the City of Blythe to disburse the funds for the final retention. The final retention in the amount of \$88,288 is accounted for in the approved project budget, therefore no budget adjustment is required.
