**PALM SPRINGS MDP LINE 43
AND LATERAL 43A STG 1
PROJECT NO. 6-0-00163**

The project is located in Cathedral City. Once constructed, this project will convey flows from the District's Eagle Canyon Dam (currently under construction) to the District's existing North Cathedral Canyon Channel. This project includes the installation of approximately 2,400 lineal feet of pre-cast reinforced concrete box ranging in size from 5 foot wide by 4-foot high box to a 14-foot wide by 4.5-feet high box. The project also includes 1,800 lineal feet of reinforced concrete pipe ranging from 30-inches to 66-inches. The project also includes the relocation of two sewer lines and one waterline owned by the Desert Water Agency. The District will maintain the mainline, Cathedral City will maintain the catch basin and connector pipes.

NOTICE TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

Palm Springs MDP Line 43 and Lateral 43A, Stage 1

Project No. 6-0-00163-01

located in the city of Cathedral City,

Riverside County, California

Specifications and Contract Documents may be examined at the District's office at 1995 Market Street, Riverside, California, and may be obtained upon payment to District of **\$60.00** per set, received at the District's office and **\$65.00** per set if mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 received at the District's office and \$15.00 if mailed. No refund.

Each proposal must be accompanied by a certified or cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Proposals must be in accordance with the instructions and filed with District by **2:00 p.m. on Thursday, September 4, 2014** at the District office at the above address which time and place are fixed for the public opening of bids.

The Contractor's attention is directed to Section 6.16 of the Special Provisions. A Mandatory Pre-Bid Site Inspection Tour will be held on Wednesday, August 20, 2014 at 9:30 a.m. on Perez Road, just south of Palm Canyon Drive (Highway 111), in the city of Cathedral City, CA 92234.

General prevailing rate per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices

and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

Contractors submitting proposals for this project shall have an "A" Contractors license from the State of California in order to be considered eligible for the contract award.
